HOME USE', together with a revised summary of the biocidal product characteristics. In the opinions, ECHA concludes that the proposed changes are administrative changes as referred to in Article 50(3), point (a), of Regulation (EU) No 528/2012 and as specified in Title 1, Section 1, of the Annex to Implementing Regulation (EU) No 354/2013, and that after the implementation of the changes, the conditions of Article 19 of Regulation (EU) No 528/2012 will still be met.

- (5) On 19 October 2023, the Agency transmitted to the Commission the revised summary of the biocidal product characteristics of the Union authorisation for the biocidal product family 'INSECTICIDES FOR HOME USE' in all official languages of the Union, covering all administrative changes applied for, in accordance with Article 11(6) of Implementing Regulation (EU) No 354/2013.
- (6) The Commission concurs with the opinions of the Agency and therefore considers it appropriate to amend the Union authorisation for the biocidal product family 'INSECTICIDES FOR HOME USE' to introduce the administrative changes requested by Agrobioters Laboratoire.
- (7) Except for the amendments regarding the administrative changes, other substantive information included in the summary of the biocidal product characteristics of 'INSECTICIDES FOR HOME USE' as set out in Annex II to Implementing Regulation (EU) 2020/704 remains unchanged.
- (8) In order to enhance clarity and to ease the access of users and interested parties to the consolidated version of the summary of the biocidal product characteristics which is to be published by the Agency, Annex II to Implementing Regulation (EU) 2020/704 should be replaced in its entirety. Due to a change in the format for the generation of the summary of biocidal product characteristics in the register for biocidal products in 2024, the summary of the biocidal product characteristics in that Annex should also include some minor editorial and layout changes.
- (9) Implementing Regulation (EU) 2020/704 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

Annex II to Implementing Regulation (EU) 2020/704 is replaced by the text set out in the Annex to this Regulation.

Article 2

This Regulation shall enter into force on the twentieth day following that of its publication in the *Official Journal of the European Union*.

This Regulation shall be binding in its entirety and directly applicable in all Member States.

Done at Brussels, 7 February 2025.
