An Act relating to the protection of the environment and the conservation of biodiversity, and for related purposes

Chapter 1—Preliminary

Part 1—Preliminary

1 Short title

This Act may be cited as the *Environment Protection and Biodiversity Conservation Act 1999*.

2 Commencement

- (1) Subject to subsection (2), this Act commences on a day to be fixed by Proclamation.
- (2) If this Act does not commence under subsection (1) within the period of 12 months beginning on the day on which it receives the Royal Assent, it commences on the first day after the end of that period.

3 Objects of Act

- (1) The objects of this Act are:
 - (a) to provide for the protection of the environment, especially those aspects of the environment that are matters of national environmental significance; and
 - (b) to promote ecologically sustainable development through the conservation and ecologically sustainable use of natural resources; and
 - (c) to promote the conservation of biodiversity; and

Section 3

- (ca) to provide for the protection and conservation of heritage;
and
 - (d) to promote a co-operative approach to the protection and management of the environment involving governments, the community, land-holders and indigenous peoples; and
 - (e) to assist in the co-operative implementation of Australia's international environmental responsibilities; and
 - (f) to recognise the role of indigenous people in the conservation and ecologically sustainable use of Australia's biodiversity;
and
 - (g) to promote the use of indigenous peoples' knowledge of biodiversity with the involvement of, and in co-operation with, the owners of the knowledge.
- (2) In order to achieve its objects, the Act:
- (a) recognises an appropriate role for the Commonwealth in relation to the environment by focussing Commonwealth involvement on matters of national environmental significance and on Commonwealth actions and Commonwealth areas; and
 - (b) strengthens intergovernmental co-operation, and minimises duplication, through bilateral agreements; and
 - (c) provides for the intergovernmental accreditation of environmental assessment and approval processes; and
 - (d) adopts an efficient and timely Commonwealth environmental assessment and approval process that will ensure activities that are likely to have significant impacts on the environment are properly assessed; and
 - (e) enhances Australia's capacity to ensure the conservation of its biodiversity by including provisions to:
 - (i) protect native species (and in particular prevent the extinction, and promote the recovery, of threatened species) and ensure the conservation of migratory species; and
 - (ii) establish an Australian Whale Sanctuary to ensure the conservation of whales and other cetaceans; and

Section 3A

- (iii) protect ecosystems by means that include the establishment and management of reserves, the recognition and protection of ecological communities and the promotion of off-reserve conservation measures; and
- (iv) identify processes that threaten all levels of biodiversity and implement plans to address these processes; and
- (f) includes provisions to enhance the protection, conservation and presentation of world heritage properties and the conservation and wise use of Ramsar wetlands of international importance; and
- (fa) includes provisions to identify places for inclusion in the National Heritage List and Commonwealth Heritage List and to enhance the protection, conservation and presentation of those places; and
- (g) promotes a partnership approach to environmental protection and biodiversity conservation through:
 - (i) bilateral agreements with States and Territories; and
 - (ii) conservation agreements with land-holders; and
 - (iii) recognising and promoting indigenous peoples' role in, and knowledge of, the conservation and ecologically sustainable use of biodiversity; and
 - (iv) the involvement of the community in management planning.

3A Principles of ecologically sustainable development

The following principles are *principles of ecologically sustainable development*:

- (a) decision-making processes should effectively integrate both long-term and short-term economic, environmental, social and equitable considerations;
- (b) if there are threats of serious or irreversible environmental damage, lack of full scientific certainty should not be used as a reason for postponing measures to prevent environmental degradation;

Section 4

- (c) the principle of inter-generational equity—that the present generation should ensure that the health, diversity and productivity of the environment is maintained or enhanced for the benefit of future generations;
- (d) the conservation of biological diversity and ecological integrity should be a fundamental consideration in decision-making;
- (e) improved valuation, pricing and incentive mechanisms should be promoted.

4 Act to bind Crown

This Act binds the Crown in each of its capacities.

5 Application of Act

Extension to external Territories

- (1) This Act extends to each external Territory.

Limited extraterritorial application

- (2) This Act applies to acts, omissions, matters and things in the Australian jurisdiction, and does not apply to acts, omissions, matters and things outside the Australian jurisdiction except so far as the contrary intention appears.

Application limited to Australians outside exclusive economic zone

- (3) A provision of this Act that has effect in relation to a place that is outside the outer limits of the exclusive economic zone and is not on or in the continental shelf applies only in relation to:
 - (a) Australian nationals; and
 - (b) Australian permanent residents; and
 - (d) the Commonwealth; and
 - (e) Commonwealth agencies; and
 - (f) Australian aircraft; and
 - (g) Australian vessels; and

Section 5

- (h) members of crews of Australian aircraft and Australian vessels (including persons in charge of aircraft or vessels).

Application to everyone in Australia and exclusive economic zone

- (4) A provision of this Act that has effect in relation to a place that is within the outer limits of the exclusive economic zone (whether the place is in the zone or in Australia or an external Territory) or that is on or in the continental shelf applies in relation to:
 - (a) all persons (including persons who are not Australian citizens); and
 - (b) all aircraft (including aircraft that are not Australian aircraft); and
 - (c) all vessels (including vessels that are not Australian vessels).

Note: A reference to Australia or to an external Territory generally includes a reference to the coastal sea of Australia or the Territory (as appropriate). See section 15B of the *Acts Interpretation Act 1901*.

Application in Greater Sunrise special regime area

- (4A) Despite subsections (2) and (4), a provision of this Act that has effect in relation to a place that is in or above the Greater Sunrise special regime area applies only in relation to:
 - (a) Australian nationals who are not nationals or permanent residents of Timor-Leste; and
 - (b) Australian permanent residents who are not nationals or permanent residents of Timor-Leste; and
 - (c) the Commonwealth; and
 - (d) Commonwealth agencies; and
 - (e) the States; and
 - (f) the self-governing Territories; and
 - (g) agencies of the States or self-governing Territories; and
 - (h) Australian aircraft; and
 - (i) Australian vessels; and
 - (j) members of crews of Australian aircraft and Australian vessels (including persons in charge of aircraft or vessels); and

Section 5

- (k) persons, aircraft or vessels declared under subsection (4B) to be subject to the provision.
- (4B) The Minister may, by notifiable instrument, declare all or any of one or more of the following to be subject to a provision of this Act, if the Minister is satisfied that Timor-Leste has agreed to them being subject to the provision as it has effect in relation to a place that is in or above the Greater Sunrise special regime area:
 - (a) nationals of a foreign country who are not nationals or permanent residents of Timor-Leste;
 - (b) aircraft with the nationality of a foreign country other than Timor-Leste;
 - (c) vessels with the nationality of a foreign country other than Timor-Leste;
 - (d) members of crews (including persons in charge) of aircraft or vessels described in paragraph (b) or (c).
- (4C) Despite subsections (2), (4) and (4A), a provision of this Act that has effect in relation to a place that is in or above the Greater Sunrise special regime area does not apply in relation to an act, omission, matter or thing that relates to any of the Petroleum Activities within the meaning of the Treaty between Australia and the Democratic Republic of Timor-Leste Establishing their Maritime Boundaries in the Timor Sea done at New York on 6 March 2018, as in force from time to time.

Note: The Treaty could in 2019 be viewed in the Australian Treaties Library on the AustLII website (<http://www.austlii.edu.au>).

- (4D) Subsection 13AB(1) of the *Seas and Submerged Lands Act 1973* does not affect the application of a provision of this Act.

Note: Subsection 13AB(1) of the *Seas and Submerged Lands Act 1973* provides that a law of the Commonwealth does not apply in relation to an act, omission, matter or thing directly or indirectly connected with the exploration of, or exploitation of the natural resources of, the continental shelf in the Greater Sunrise special regime area.

Definitions

- (5) In this Act:

Section 5

Australian aircraft means:

- (a) an aircraft that is owned, possessed or controlled by:
 - (i) the Commonwealth or a Commonwealth agency; or
 - (ii) a State, a self-governing Territory or an agency of a State or self-governing Territory; or
- (b) an aircraft that is registered in Australia.

Australian jurisdiction means the land, waters, seabed and airspace in, under or above:

- (a) Australia; or
- (b) an external Territory; or
- (c) the exclusive economic zone; or
- (d) the continental shelf.

Note: A reference to Australia or to an external Territory generally includes a reference to the coastal sea of Australia or the Territory (as appropriate). See section 15B of the *Acts Interpretation Act 1901*.

Australian national means:

- (a) an Australian citizen; or
- (b) a corporation incorporated in Australia or an external Territory.

Australian permanent resident means a person who:

- (a) is not an Australian citizen; and
- (b) holds a permanent visa under the *Migration Act 1958*; and
- (c) is domiciled in Australia or an external Territory.

Australian vessel means:

- (a) a vessel that is owned, possessed or controlled by:
 - (i) the Commonwealth or a Commonwealth agency; or
 - (ii) a State, a self-governing Territory or an agency of a State or self-governing Territory; or
- (b) a vessel that is registered in Australia; or
- (c) a vessel that is flying the Australian flag.

Greater Sunrise special regime area has the same meaning as in the *Seas and Submerged Lands Act 1973*.

Section 6

national of a foreign country means:

- (a) a citizen of the country; or
- (b) a corporation incorporated in the country.

6 Extended application of Act to match extended management of fisheries under the *Fisheries Management Act 1991*

- (1) This section applies if:
 - (a) under the *Fisheries Management Act 1991*, a plan of management in force under that Act applies to particular fishing activities in a particular area of water; and
 - (b) the area of water is not within, or is not wholly within:
 - (i) the Australian jurisdiction; or
 - (ii) a Commonwealth area; or
 - (iii) a Commonwealth marine area; and
 - (c) the area of water is not:
 - (i) an area of water, rights in respect of which have been vested in a State by section 4 of the *Coastal Waters (State Title) Act 1980* or in the Northern Territory by section 4 of the *Coastal Waters (Northern Territory Title) Act 1980*; or
 - (ii) an area of water within the limits of a State or the Northern Territory.
- (2) If, apart from this subsection, a provision of this Act would, or would not, apply in relation to the fishing activities (or in relation to fish or other things taken in the course of the activities) because the area of water mentioned in subsection (1) is not within, or is not wholly within:
 - (a) the Australian jurisdiction; or
 - (b) a Commonwealth area; or
 - (c) a Commonwealth marine area;that provision has effect in relation to the fishing activities (and in relation to fish or other things taken in the course of the activities) as if the area of water were wholly within:
 - (d) the Australian jurisdiction; or

Section 7

- (e) a Commonwealth area; or
- (f) a Commonwealth marine area;

as the case requires.

Note: This section is subject to subsection 5(3).

Example 1: Fishing activities in an area of water that is not a Commonwealth area generally do not contravene Part 13. However, because of this subsection, that Part applies to fishing activities to which this section applies as if the area of water were within a Commonwealth area. The fishing activities may therefore contravene that Part.

Example 2: If fish taken in the course of fishing activities in an area of water that is not within the Australian jurisdiction are brought into Australia, this generally constitutes an import (being an import by way of introduction from the sea) of the fish into Australia, which may contravene Part 13A. However, because of this subsection, that Part applies to the fish as if the area of water were within the Australian jurisdiction. The bringing of the fish into Australia therefore does not constitute an import for the purposes of that Part.

Example 3: This section allows a plan of management to be accredited under Part 13 in respect of the entire area of water to which the plan relates (even if some of the area is outside the Australian jurisdiction, a Commonwealth area or a Commonwealth marine area).

(3) In this section:

fishing has the same meaning as in the *Fisheries Management Act 1991*.

7 Application of the *Criminal Code*

Chapter 2 of the *Criminal Code* (except Part 2.5) applies to all offences against this Act.

Note 1: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

Note 2: Part 2.5 of the *Criminal Code* (which deals with corporate criminal responsibility) is excluded from applying to offences against this Act by subsection 498B(9).

Section 8

8 Native title rights not affected

- (1) To avoid doubt, nothing in this Act affects the operation of section 211 of the *Native Title Act 1993* in relation to a provision of this Act.

Note: Section 211 of the *Native Title Act 1993* provides that holders of native title rights covering certain activities do not need authorisation required by other laws to engage in those activities.

- (2) This Act does not affect the operation of:
- (a) the *Aboriginal Land Rights (Northern Territory) Act 1976*; or
 - (b) the *Native Title Act 1993*.

9 Relationship with other Acts

Aboriginal Land Rights (Northern Territory) Act 1976

- (1A) Subsection 70(1) of the *Aboriginal Land Rights (Northern Territory) Act 1976* does not prevent a person exercising powers or performing functions or duties under Division 4 or 5 of Part 15, or Division 5 of Part 19, of this Act from entering or remaining on land:
- (a) in the Kakadu region or Uluru region; and
 - (b) in which an Aboriginal Land Trust established under that Act holds an estate in fee simple.

Airports Act 1996 not affected

- (1) This Act does not affect the operation of the *Airports Act 1996*.

Antarctic Treaty (Environment Protection) Act 1980 not affected

- (2) To avoid doubt, nothing in this Act affects the operation of subsection 7(1) of the *Antarctic Treaty (Environment Protection) Act 1980* or regulations made for the purposes of that subsection.

Section 10

10 Relationship with State law

This Act is not intended to exclude or limit the concurrent operation of any law of a State or Territory, except so far as the contrary intention appears.

Section 11

Chapter 2—Protecting the environment

Part 2—Simplified outline of this Chapter

11 Simplified outline of this Chapter

The following is a simplified outline of this Chapter:

This Chapter provides a basis for the Minister to decide whether an action that has, will have or is likely to have a significant impact on certain aspects of the environment should proceed.

It does so by prohibiting a person from taking an action without the Minister having given approval or decided that approval is not needed. (Part 9 deals with the giving of approval.)

Approval is not needed to take an action if any of the following declare that the action does not need approval:

- (a) a bilateral agreement between the Commonwealth and the State or Territory in which the action is taken;
- (b) a declaration by the Minister.

Also, an action does not need approval if it is taken in accordance with Regional Forest Agreements or it is for a purpose for which, under a zoning plan for a zone made under the *Great Barrier Reef Marine Park Act 1975*, the zone may be used or entered without permission.

Part 3—Requirements for environmental approvals

Division 1—Requirements relating to matters of national environmental significance

Subdivision A—World Heritage

12 Requirement for approval of activities with a significant impact on a declared World Heritage property

- (1) A person must not take an action that:
- (a) has or will have a significant impact on the world heritage values of a declared World Heritage property; or
 - (b) is likely to have a significant impact on the world heritage values of a declared World Heritage property.

Civil penalty:

- (a) for an individual—5,000 penalty units;
 - (b) for a body corporate—50,000 penalty units.
- (2) Subsection (1) does not apply to an action if:
- (a) an approval of the taking of the action by the person is in operation under Part 9 for the purposes of this section; or
 - (b) Part 4 lets the person take the action without an approval under Part 9 for the purposes of this section; or
 - (c) there is in force a decision of the Minister under Division 2 of Part 7 that this section is not a controlling provision for the action and, if the decision was made because the Minister believed the action would be taken in a manner specified in the notice of the decision under section 77, the action is taken in that manner; or
 - (d) the action is an action described in subsection 160(2) (which describes actions whose authorisation is subject to a special environmental assessment process).

Section 13

- (3) A property has ***world heritage values*** only if it contains natural heritage or cultural heritage. The ***world heritage values*** of the property are the natural heritage and cultural heritage contained in the property.

- (4) In this section:

cultural heritage has the meaning given by the World Heritage Convention.

natural heritage has the meaning given by the World Heritage Convention.

13 What is a *declared World Heritage property*?

Properties on World Heritage List

- (1) A property included in the World Heritage List is a ***declared World Heritage property*** as long as the property is included in the List.

Properties not yet on World Heritage List

- (2) A property specified in a declaration made under section 14 (with any amendments made under section 15) is a ***declared World Heritage property*** for the period for which the declaration is in force.

14 Declaring a property to be a declared World Heritage property

Making declarations

- (1) The Minister may declare a specified property to be a declared World Heritage property by notice in the *Gazette* if:
- (a) the property is a property submitted by the Commonwealth to the World Heritage Committee under Article 11 of the World Heritage Convention as suitable for inclusion in the World Heritage List; or
 - (b) the Minister is satisfied that:

Section 14

- (i) the property has, or is likely to have, world heritage values; and
- (ii) some or all of the world heritage values of the property are under threat.

Note 1: The Minister may make more than one declaration relating to the same property. See subsection 33(1) of the *Acts Interpretation Act 1901*.

Note 2: The Minister may make an extra declaration to cover property that is an extension of a property previously submitted to the World Heritage Committee.

Consulting State or Territory before making declaration

- (2) Before the Minister makes a declaration relating to property wholly or partly within a State or self-governing Territory, the Minister must inform the appropriate Minister of the State or Territory of the proposal to make the declaration, and give him or her a reasonable opportunity to comment on the proposal.

Consultation not required if threat is imminent

- (3) However, the Minister need not comply with subsection (2) if:
 - (a) he or she proposes to make a declaration in the circumstances described in paragraph (1)(b); and
 - (b) he or she is satisfied that the threat mentioned in subparagraph (1)(b)(ii) is imminent.

Failure to comply with subsection (2)

- (4) The validity of a declaration is not affected by a failure to comply with subsection (2) in relation to the making of the declaration.

When a declaration is in force

- (5) A declaration:
 - (a) comes into force when it is published in the *Gazette*; and
 - (b) remains in force (whether amended under section 15 or not) until the earliest of the following events:

Section 14

- (i) the end of the period specified in the declaration as the period for which the declaration is in force;
- (ii) the revocation of the declaration;
- (iii) if the declaration specifies a property submitted to the World Heritage Committee for inclusion in the World Heritage List—the Committee either includes the property in the List or decides the property should not be included in the List.

Specified period for which declaration is in force

- (6) The Minister must specify in a declaration the period for which it is to be in force. The period must not be longer than the period the Minister believes:
 - (a) the World Heritage Committee needs to decide whether or not to include the property in the World Heritage List, in the case of a declaration specifying a property that has been submitted to the Committee for inclusion in the List; or
 - (b) the Commonwealth needs to decide whether the property has world heritage values and to submit the property to the World Heritage Committee for inclusion in the World Heritage List, in the case of a declaration specifying a property not yet submitted to the Committee for inclusion in the List.

Declarations because of threat in force for a year or less

- (7) The Minister must not specify that a declaration of a property is to be in force for more than 12 months if:
 - (a) the declaration is made in the circumstances described in paragraph (1)(b); and
 - (b) the property is not a property submitted by the Commonwealth to the World Heritage Committee under Article 11 of the World Heritage Convention as suitable for inclusion in the World Heritage List.

15 Amending or revoking a declaration of a declared World Heritage property

Revoking declarations specifying nominated property

- (1) The Minister must, by notice in the *Gazette*, revoke a declaration made under section 14 specifying a property that has been submitted to the World Heritage Committee for inclusion in the World Heritage List if the Commonwealth decides to withdraw the submission of the property for inclusion in the List.

Amending declarations specifying nominated property

- (2) The Minister must, by notice in the *Gazette*, amend a declaration made under section 14 specifying a property that has been submitted to the World Heritage Committee for inclusion in the World Heritage List so as to remove from the specification any part of the property that the Commonwealth decides to withdraw from the submission.

Revoking declarations specifying property not yet nominated

- (3) The Minister must, by notice in the *Gazette*, revoke a declaration made under section 14 specifying a property that is not submitted to the World Heritage Committee for inclusion in the World Heritage List if:
 - (a) the Minister is satisfied that the property does not have world heritage values; or
 - (b) the Commonwealth decides not to submit the property to the Committee for inclusion in the List; or
 - (c) the Minister is satisfied that none of the world heritage values of the property are under threat.

15A Offences relating to declared World Heritage properties

- (1) A person commits an offence if:
 - (a) the person takes an action; and

Section 15A

- (b) the action results or will result in a significant impact on the world heritage values of a property; and
- (c) the property is a declared World Heritage property.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

- (1A) Strict liability applies to paragraph (1)(c).

Note: For strict liability, see section 6.1 of the *Criminal Code*.

- (2) A person commits an offence if:

- (a) the person takes an action; and
- (b) the action is likely to have a significant impact on the world heritage values of a property; and
- (c) the property is a declared World Heritage property.

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

- (2A) Strict liability applies to paragraph (2)(c).

Note: For strict liability, see section 6.1 of the *Criminal Code*.

- (3) An offence against subsection (1) or (2) is punishable on conviction by imprisonment for a term not more than 7 years, a fine not more than 420 penalty units, or both.

Note 1: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

Note 2: An executive officer of a body corporate convicted of an offence against this section may also commit an offence against section 495.

Note 3: If a person takes an action on land that contravenes this section, a landholder may commit an offence against section 496C.

- (4) Subsections (1) and (2) do not apply to an action if:

- (a) an approval of the taking of the action by the person is in operation under Part 9 for the purposes of this section; or
- (b) Part 4 lets the person take the action without an approval under Part 9 for the purposes of this section; or

Section 15B

Section 43A

Division 6—Actions with prior authorisation

43A Actions with prior authorisation

- (1) A person may take an action described in a provision of Part 3 without an approval under Part 9 for the purposes of the provision if:
- (a) the action consists of a use of land, sea or seabed; and
 - (b) before the commencement of this Act, the action was authorised by a specific environmental authorisation; and
 - (c) immediately before the commencement of this Act, no further specific environmental authorisation was necessary to allow the action to be taken lawfully; and
 - (d) at the time the action is taken, the specific environmental authorisation continues to be in force.
- (1A) For the purposes of paragraphs (1)(c) and (d), a renewal or extension of a specific environmental authorisation is taken to be a new specific environmental authorisation unless:
- (a) the action that is authorised by the authorisation following the renewal or extension is the same as the action that was authorised by the authorisation before the commencement of this Act; and
 - (b) the renewal or extension could properly be made or given without any further consideration of the environmental impacts of the action.

Note: If a renewal or extension of a specific environmental authorisation is taken to be a new specific environmental authorisation, the condition in paragraph (1)(c) or (d) would not be met.

- (2) In this Act:

environmental authorisation means an authorisation under a law of the Commonwealth, a State or a self-governing Territory that has either or both of the following objects (whether express or implied):

- (a) to protect the environment;

Section 43B

43B Actions which are lawful continuations of use of land etc.

- (1) A person may take an action described in a provision of Part 3 without an approval under Part 9 for the purposes of the provision if the action is a lawful continuation of a use of land, sea or seabed that was occurring immediately before the commencement of this Act.
 - (2) However, subsection (1) does not apply to an action if:
 - (a) before the commencement of this Act, the action was authorised by a specific environmental authorisation; and
 - (b) at the time the action is taken, the specific environmental authorisation continues to be in force.
- Note: In that case, section 43A applies instead.
- (3) For the purposes of this section, neither of the following is a ***continuation*** of a use of land, sea or seabed:
 - (a) an enlargement, expansion or intensification of use;
 - (b) either:
 - (i) any change in the location of where the use of the land, sea or seabed is occurring; or
 - (ii) any change in the nature of the activities comprising the use;that results in a substantial increase in the impact of the use on the land, sea or seabed.

Chapter 3—Bilateral agreements

Part 5—Bilateral agreements

Division 1—Object of Part

Division 2—Making bilateral agreements

Subdivision A—Power to make bilateral agreements

45 Minister may make agreement

Making bilateral agreement

- (1) On behalf of the Commonwealth, the Minister may enter into a bilateral agreement.

Note 1: A bilateral agreement can detail the level of Commonwealth accreditation of State practices, procedures, processes, systems, management plans and other approaches to environmental protection.

Note 2: Subdivision B sets out some prerequisites for entering into bilateral agreements.

*What is a **bilateral agreement**?*

- (2) A **bilateral agreement** is a written agreement between the Commonwealth and a State or a self-governing Territory that:
- (a) provides for one or more of the following:
 - (i) protecting the environment;
 - (ii) promoting the conservation and ecologically sustainable use of natural resources;
 - (iii) ensuring an efficient, timely and effective process for environmental assessment and approval of actions;
 - (iv) minimising duplication in the environmental assessment and approval process through Commonwealth accreditation of the processes of the State or Territory (or vice versa); and
 - (b) is expressed to be a bilateral agreement.

Publishing notice of intention to enter into agreement

- (3) As soon as practicable after starting the process of developing a draft bilateral agreement with a State or self-governing Territory, the Minister must publish, in accordance with the regulations (if

Section 46

any), notice of his or her intention to develop a draft bilateral agreement with the State or Territory.

Publishing bilateral agreements and related material

- (4) As soon as practicable after entering into a bilateral agreement, the Minister must publish in accordance with the regulations:
- (a) the agreement; and
 - (b) a statement of the Minister's reasons for entering into the agreement; and
 - (c) a report on the comments (if any) received on the draft of the agreement published under Subdivision B.

46 Agreement may declare actions do not need approval under Part 9

Declaration of actions not needing approval

- (1) A bilateral agreement may declare that actions in a class of actions specified in the agreement wholly or partly by reference to the fact that their taking has been approved by:
- (a) the State or self-governing Territory that is party to the agreement; or
 - (b) an agency of the State or Territory;
- in accordance with a management arrangement or authorisation process that is a bilaterally accredited management arrangement or a bilaterally accredited authorisation process for the purposes of the agreement do not require approval under Part 9 for the purposes of a specified provision of Part 3, other than section 24D or 24E.

*What is a **bilaterally accredited management arrangement**?*

- (2) A management arrangement is a **bilaterally accredited management arrangement** for the purposes of a bilateral agreement declaring that certain actions do not require approval under Part 9 for the purposes of a specified provision of Part 3, other than section 24D or 24E, if and only if:

- (a) the management arrangement is in force under a law of the State or Territory that is a party to the agreement and the law is identified in or under the agreement; and
- (b) the management arrangement has been accredited in writing by the Minister in accordance with this section for the purposes of the agreement.

*What is a **bilaterally accredited authorisation process**?*

- (2A) An authorisation process is a **bilaterally accredited authorisation process** for the purposes of a bilateral agreement declaring that certain actions do not require approval under Part 9 for the purposes of a specified provision of Part 3, other than section 24D or 24E, if and only if:
- (a) the authorisation process is set out in a law of the State or Territory that is a party to the agreement, and the law and the process are identified in or under the agreement; and
 - (b) the authorisation process has been accredited in writing by the Minister in accordance with this section for the purposes of the agreement.

Accrediting management arrangement or authorisation process

- (3) For the purposes of subsection (2) or (2A), the Minister may accredit in writing a management arrangement or an authorisation process for the purposes of a bilateral agreement with a State or self-governing Territory. However, the Minister may do so only if the Minister is satisfied that:
- (a) the management arrangement or authorisation process and the law under which it is in force, or in which it is set out, meet the criteria prescribed by the regulations; and
 - (b) there has been or will be adequate assessment of the impacts that actions approved in accordance with the management arrangement or authorisation process:
 - (i) have or will have; or
 - (ii) are likely to have;

Section 46

on each matter protected by a provision of Part 3 in relation to which the agreement makes a declaration under subsection (1); and

- (c) actions approved in accordance with the management arrangement or authorisation process will not have unacceptable or unsustainable impacts on a matter protected by a provision of Part 3 in relation to which the agreement makes a declaration under subsection (1).

The Minister must publish in accordance with the regulations (if any) the instrument accrediting the management arrangement or authorisation process.

Note: Subdivision B sets out more prerequisites for accrediting a management arrangement or an authorisation process.

Tabling of management arrangement or authorisation process before accreditation

- (4) The Minister must cause to be laid before each House of the Parliament a copy of:
 - (a) in the case of a management arrangement—the management arrangement; or
 - (b) in the case of an authorisation process—the relevant part of the law in which the authorisation process is set out;that the Minister is considering accrediting for the purposes of subsection (2) or (2A).

Limitations on accreditation during period for disallowance

- (5) The Minister must not accredit a management arrangement or authorisation process for the purposes of subsection (2) or (2A) under a bilateral agreement:
 - (a) before, or within 15 sitting days after, a copy of the management arrangement or authorisation process is laid before each House of the Parliament; or
 - (b) if, within those 15 sitting days of a House, notice of a motion to disallow the management arrangement or authorisation

process is given in that House—subject to subsection (5A), within 15 sitting days of that House after the notice is given.

(5A) If:

- (a) notice of a motion to disallow accreditation of the management arrangement or authorisation process is given in a House of the Parliament within 15 sitting days after the management arrangement or authorisation process is laid before the House under this section; and
- (b) the notice is withdrawn or otherwise disposed of within 15 sitting days of that House after the notice is given;

then, subject to paragraph (5)(a), the Minister may accredit the management arrangement or authorisation process after the motion is withdrawn or otherwise disposed of.

Disallowance motion passed

- (6) The Minister must not accredit the management arrangement or authorisation process if either House of the Parliament passes a resolution disallowing the accreditation of the management arrangement or authorisation process following a motion of which notice has been given within 15 sitting days after the management arrangement or relevant part of the law has been laid before the House.

Disallowance motion not defeated in time

- (7) The Minister must not accredit the management arrangement or authorisation process if, at the end of 15 sitting days after notice of a motion to disallow the management arrangement or authorisation process that was given in a House of the Parliament within 15 sitting days after the management arrangement or relevant part of the law was laid before the House:
 - (a) the notice has not been withdrawn and the motion has not been called on; or
 - (b) the motion has been called on, moved and seconded and has not been withdrawn or otherwise disposed of.

Section 46

No preference

- (9) In accrediting a management arrangement or authorisation process for the purposes of a bilateral agreement making a declaration relating to an action:
- (a) by a person for the purposes of trade between Australia and another country or between 2 States; or
 - (b) by a constitutional corporation;
- the Minister must not give preference (within the meaning of section 99 of the Constitution) to one State or part of a State over another State or part of a State.

Requirements for bilateral agreement making declaration

- (10) If the declaration is for actions approved in accordance with a bilaterally accredited management arrangement, the declaration

does not have effect for the purposes of this Act unless the bilateral agreement requires the State or self-governing Territory that is party to the agreement and agencies of the State or Territory:

- (a) to act in accordance with the management arrangement; and
- (b) not to approve the taking of actions that would be inconsistent with the management arrangement.

47 Agreement may declare classes of actions do not need assessment

Declaration of actions that do not need further assessment

- (1) A bilateral agreement may declare that actions in a class of actions identified wholly or partly by reference to the fact that they have been assessed in a specified manner need not be assessed under Part 8.

Note: A declaration described in subsection (1) can accredit practices, procedures, systems of the State or self-governing Territory for environmental assessment.

This does not limit subsection (1).

Report on actions that do not need further assessment

- (4) If a bilateral agreement has (or could have) the effect that an action need not be assessed under Part 8 but the action must still be approved under Part 9, the agreement must provide for the Minister to receive a report including, or accompanied by, enough information about the relevant impacts of the action to let the Minister make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action.

of this Act to the extent that it is inconsistent with this Act or the
regulations. A provision of a bilateral agreement is not inconsistent
with this Act or the regulations if it is possible to comply with both
the provision on the one hand and the Act or regulations on the

Actions approved in specified manner may be taken

- (2) If the action was able to be taken without approval under Part 9 because its taking had already been approved in accordance with a management arrangement or an authorisation process that is a bilaterally accredited management arrangement or a bilaterally accredited authorisation process for the purposes of the agreement,

Section 65

this Act continues to operate in relation to the action as if the suspension or cancellation had not occurred.

Subdivision B—Expiry of bilateral agreements

Section 66

Chapter 4—Environmental assessments and approvals

Part 6—Simplified outline of this Chapter

66 Simplified outline of this Chapter

The following is a simplified outline of this Chapter:

This Chapter deals with assessment and approval of actions that Part 3 prohibits without approval (***controlled actions***). (It does not deal with actions that a bilateral agreement declares not to need approval.)

A person proposing to take an action, or a government body aware of the proposal, may refer the proposal to the Minister so he or she can decide:

- (a) whether his or her approval is needed to take the action; and
- (b) how to assess the impacts of the action to be able to make an informed decision whether or not to approve the action.

An assessment may be done using:

- (a) a process laid down under a bilateral agreement; or
- (b) a process specified in a declaration by the Minister; or
- (c) a process accredited by the Minister; or
- (ca) information included in the referral; or
- (d) preliminary documentation provided by the proponent; or
- (e) a public environment report; or
- (f) an environmental impact statement; or
- (g) a public inquiry.

Section 66

Once the report of the assessment is given to the Minister, he or she must decide whether or not to approve the action, and what conditions to attach to any approval.

Part 7—Deciding whether approval of actions is needed

Division 1—Referral of proposals to take action

67 What is a *controlled action*?

An action that a person proposes to take is a *controlled action* if the taking of the action by the person without approval under Part 9 for the purposes of a provision of Part 3 would be (or would, but for section 25AA or 28AB, be) prohibited by the provision. The provision is a *controlling provision* for the action.

67A Prohibition on taking controlled action without approval

A person must not take a controlled action unless an approval of the taking of the action by the person is in operation under Part 9 for the purposes of the relevant provision of Part 3.

Note: A person can be restrained from contravening this section by an injunction under section 475.

Section 68A

- (4) If the person states that the person thinks the action is a controlled action, the person must identify in the statement each provision that the person thinks is a controlling provision.
- (5) Subsections (1) and (2) do not apply in relation to a person proposing to take an action if the person has been informed by the Minister under section 73 that the proposal has been referred to the Minister.

Section 74D

- (b) for the purposes of the application of those provisions, a day is not to be counted as a business day if it is:
 - (i) on or after the day the Minister received the referral;
and
 - (ii) on or before the day the Minister makes the decision under paragraph (4)(b).

Note: If the Minister had already complied with section 74 in relation to the referral before the Minister made the decision under paragraph 74B(1)(b) in relation to the referral, the Minister is not required to comply with section 74 again.

Division 2—Ministerial decision whether action needs approval

75 Does the proposed action need approval?

Is the action a controlled action?

- (1) The Minister must decide:
- (a) whether the action that is the subject of a proposal referred to the Minister is a controlled action; and
 - (b) which provisions of Part 3 (if any) are controlling provisions for the action.

Note: The Minister may revoke a decision made under subsection (1) about an action and substitute a new decision. See section 78.

- (1AA) To avoid doubt, the Minister is not permitted to make a decision under subsection (1) in relation to an action that was the subject of a referral that was not accepted under subsection 74A(1).

Minister must consider public comment

- (1A) In making a decision under subsection (1) about the action, the Minister must consider the comments (if any) received:
- (a) in response to the invitation under subsection 74(3) for anyone to give the Minister comments on whether the action is a controlled action; and
 - (b) within the period specified in the invitation.

Considerations in decision

- (2) If, when the Minister makes a decision under subsection (1), it is relevant for the Minister to consider the impacts of an action:
- (a) the Minister must consider all adverse impacts (if any) the action:
 - (i) has or will have; or
 - (ii) is likely to have;

Section 75

- on the matter protected by each provision of Part 3; and
- (b) must not consider any beneficial impacts the action:
- (i) has or will have; or
 - (ii) is likely to have;
- on the matter protected by each provision of Part 3.

Note: **Impact** is defined in section 527E.

- (2A) For the purposes of subsection (2), if the provision of Part 3 is subsection 15B(3), 15C(5), 15C(6), 23(1), 24A(1), 24D(3), 24E(3), 26(1) or 27A(1), then the impacts of the action on the matter protected by that provision are only those impacts that the part of the action that is taken in or on a Commonwealth area, a Territory, a Commonwealth marine area or Commonwealth land:
- (a) has or will have; or
 - (b) is likely to have;
- on the matter.
- (2AA) For the purposes of subsection (2), if the provision of Part 3 is subsection 24B(1) or 24C(1) or (3), then the impacts of the action on the matter protected by that provision are only those impacts that the part of the action that is taken in the Great Barrier Reef Marine Park:
- (a) has or will have; or
 - (b) is likely to have;
- on the matter.
- (2B) Without otherwise limiting any adverse impacts that the Minister must consider under paragraph (2)(a), the Minister must not consider any adverse impacts of:
- (a) any RFA forestry operation to which, under Division 4 of Part 4, Part 3 does not apply; or
 - (b) any forestry operations in an RFA region that may, under Division 4 of Part 4, be undertaken without approval under Part 9.

Designating a proponent of the action

- (3) If the Minister decides that the action is a controlled action, the Minister must designate a person as proponent of the action.

Consent to designation

- (4) The Minister may designate a person who does not propose to take the action only if:
- (a) the person agrees to being designated; and
 - (b) the person proposing to take the action agrees to the designation.

Timing of decision and designation

- (5) The Minister must make the decisions under subsection (1) and, if applicable, the designation under subsection (3), within 20 business days after the Minister receives the referral of the proposal to take the action.

Note: If the Minister decides, under subsection 75(1), that the action is a controlled action, the Minister must, unless the Minister has requested more information under subsection 76(3) or section 89, decide on the approach to be used for assessment of the relevant impacts of the action on the same day as the Minister makes the decision under subsection 75(1)—see subsection 88(2).

Time does not run while further information being sought

- (6) If the Minister has requested more information under subsection 76(1) or (2) for the purposes of making a decision, a day is not to be counted as a business day for the purposes of subsection (5) if it is:
- (a) on or after the day the Minister requested the information; and
 - (b) on or before the day on which the Minister receives the last of the information requested.

Section 76

Running of time may be suspended by agreement

- (7) The Minister and the person proposing to take the action may agree in writing that days within a period worked out in accordance with the agreement are not to be counted as business days for the purposes of subsection (5). If the agreement is made, those days are not to be counted for the purposes of that subsection.

76 Minister may request more information for making decisions

- (1) If the Minister believes on reasonable grounds that the referral of a proposal to take an action does not include enough information for the Minister to decide:
- (a) whether the action is a controlled action; or
 - (b) which provisions of Part 3 (if any) are controlling provisions for the action;
- the Minister may request the person proposing to take the action to provide specified information relevant to making the decision.
- (2) Before the Minister makes the decisions under subsection 75(1) in relation to the action, the Minister may request the person proposing to take the action to provide information about whether or not the action is a component of a larger action that is proposed to be taken by the person.
- (3) If the Minister believes on reasonable grounds that the information given to the Minister in relation to the action is not enough to allow the Minister to make an informed decision on the approach to be used for assessment of the relevant impacts of the action, the Minister may request the person proposing to take the action to provide specified information relevant to making the decision.
- (4) Without limiting subsection (3), if the action is to be taken in a State or self-governing Territory, the Minister may request the person proposing to take the action to provide information about:
- (a) whether the relevant impacts of the action have been, or are being, assessed by the State or Territory; and

- (b) if so, the method of assessment that was, or is being, used and what stage the assessment has reached.
- (5) The Minister may make a request under subsection (3) even if the Minister has not yet made the decisions under subsection 75(1) in relation to the action.

77 Notice and reasons for decision

Giving notice

- (1) Within 10 business days after deciding whether an action that is the subject of a proposal referred to the Minister is a controlled action or not, the Minister must:
 - (a) give written notice of the decision to:
 - (i) the person proposing to take the action; and
 - (ii) if the Minister has designated as proponent of the action a person who does not propose to take the action—that person; and
 - (iii) if the Minister decided that the action is a controlled action because of Division 1 of Part 3 (which deals with matters of national environmental significance)—the appropriate Minister of each State or self-governing Territory in which the action is to be taken; and
 - (b) publish notice of the decision in accordance with the regulations.

Note 1: Section 156 sets out rules about time limits.

Note 2: Subparagraph (1)(a)(iii) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Notice must identify any applicable controlling provisions

- (2) If the decision is that the action is a controlled action, the notice must identify each of the controlling provisions.

Reasons for decision

- (4) The Minister must give reasons for the decision to a person who:

Section 77A

- (a) has been given the notice; and
- (b) within 28 days of being given the notice, has requested the Minister to provide reasons.

The Minister must do so as soon as practicable, and in any case within 28 days of receiving the request.

77A Action to be taken in a particular manner

- (1) If, in deciding whether the action is a controlled action or not, the Minister has made a decision (the *component decision*) that a particular provision of Part 3 is not a controlling provision for the action because the Minister believes it will be taken in a particular manner, the notice, to be provided under section 77, must set out the component decision, identifying the provision and the manner.

Note: The Minister may decide that a provision of Part 3 is not a controlling provision for an action because he or she believes that the action will be taken in a manner that will ensure the action will not have (and is not likely to have) an adverse impact on the matter protected by the provision.

- (1A) For the purposes of subsection (1), it does not matter whether or not the Minister believes that the action will be taken in accordance with:
- (a) an accredited management arrangement or an accredited authorisation process for the purposes of a declaration under section 33; or
 - (b) a bioregional plan to which a declaration made under section 37A relates; or
 - (c) a bilaterally accredited management arrangement or a bilaterally accredited authorisation process for the purposes of a bilateral agreement.
- (2) A person must not take an action, that is the subject of a notice that includes a particular manner under subsection (1), in a way that is inconsistent with the manner specified in the notice.

Civil penalty:

Section 77A

- (a) for an individual—1,000 penalty units, or such lower amount as is prescribed by the regulations;
- (b) for a body corporate—10,000 penalty units, or such lower amount as is prescribed by the regulations.

Division 3—Reconsideration of decisions

78 Reconsideration of decision

Limited power to vary or substitute decisions

- (1) The Minister may revoke a decision (the ***first decision***) made under subsection 75(1) about an action and substitute a new decision under that subsection for the first decision, but only if:
- (a) the Minister is satisfied that the revocation and substitution is warranted by the availability of substantial new information about the impacts that the action:
 - (i) has or will have; or
 - (ii) is likely to have;on a matter protected by a provision of Part 3; or
 - (aa) the Minister is satisfied that the revocation and substitution is warranted by a substantial change in circumstances that was not foreseen at the time of the first decision and relates to the impacts that the action:
 - (i) has or will have; or
 - (ii) is likely to have;on a matter protected by a provision of Part 3; or
 - (b) the following requirements are met:
 - (i) the first decision was that the action was not a controlled action because the Minister believed the action would be taken in the manner identified under subsection 77A(1) in the notice given under section 77;
 - (ii) the Minister is satisfied that the action is not being, or will not be, taken in the manner identified; or
 - (ba) the following requirements are met:
 - (i) the first decision was that the action was not a controlled action because of a provision of a bilateral agreement and a management arrangement or an authorisation process that is a bilaterally accredited

Section 78

- management arrangement or a bilaterally accredited authorisation process for the purposes of the agreement;
- (ii) the provision of the agreement no longer operates in relation to the action, or the management arrangement or authorisation process is no longer in force under, or set out in, a law of a State or a self-governing Territory identified in or under the agreement; or
- (c) the following requirements are met:
- (i) the first decision was that the action was not a controlled action because of a declaration under section 33 and a management arrangement or an authorisation process that is an accredited management arrangement or an accredited authorisation process for the purposes of the declaration;
- (ii) the declaration no longer operates in relation to the action, or the management arrangement or authorisation process is no longer in operation under, or set out in, a law of the Commonwealth identified in or under the declaration; or
- (ca) the following requirements are met:
- (i) the first decision was that the action was not a controlled action because of a declaration under section 37A and a bioregional plan to which the declaration relates;
- (ii) the declaration no longer operates in relation to the action, or the bioregional plan is no longer in force; or
- (d) the Minister is requested under section 79 to reconsider the decision.

Note 1: Subsection 75(1) provides for decisions about whether an action is a controlled action and what the controlling provisions for the action are.

Note 2: A person (other than a Minister of a State or self-governing Territory) may request the Minister to reconsider a decision made under subsection 75(1) about an action on the basis of a matter referred to in any of paragraphs 78(1)(a) to (ca). See section 78A.

Note 3: If the Minister decides to revoke a decision under subsection (1) and substitute a new decision for it, the Minister is not required to carry

Section 78

out the processes referred to in sections 73 and 74 again before making the new decision.

Reversing decision that provision of Part 3 is not controlling provision

- (2) A provision of Part 3 letting an action be taken if the Minister has decided that a particular provision (the **prohibiting provision**) of that Part is not a controlling provision for the action does not prevent the Minister from acting under subsection (1) to revoke a decision that the prohibiting provision is not a controlling provision for an action and substitute a decision that the prohibiting provision is a controlling provision for the action.

Decision not to be revoked after approval granted or refused or action taken

- (3) The Minister must not revoke the first decision after:
- (a) the Minister has granted or refused an approval of the taking of the action; or
 - (b) the action is taken.

General effect of change of decision

- (4) When the first decision is revoked and a new decision is substituted for it:
- (a) any provisions of this Chapter that applied in relation to the action because of the first decision cease to apply in relation to the action; and
 - (b) any provisions of this Chapter that are relevant because of the new decision apply in relation to the action.

Change of designation of proponent

- (5) If the Minister believes a person (the **first proponent**) designated under section 75 as proponent of an action is no longer an appropriate person to be the designated proponent of the action, the Minister may revoke the designation and designate another person (the **later proponent**) as proponent of the action.

Section 78A

Consent to designation

- (6) The Minister may designate the other person as proponent of the action only if:
- (a) he or she consents to it and the person proposing to take the action agrees to it; or
 - (b) the other person is the person proposing to take the action.

Effect of change of designated proponent

- (7) If the Minister revokes the designation of the first proponent and designates the later proponent:
- (a) the provisions of this Chapter that applied to the first proponent cease to apply to the first proponent in relation to the action but apply to the later proponent; and
 - (b) for the purposes of those provisions the later proponent is taken to have done anything the first proponent did in relation to the action; and
 - (c) for the purposes of those provisions anything done in relation to the first proponent in relation to the action is taken to have been done in relation to the later proponent.

78A Request for reconsideration of decision by person other than State or Territory Minister

- (1) A person (other than a Minister of a State or self-governing Territory) may request the Minister to reconsider a decision made under subsection 75(1) about an action on the basis of a matter referred to in any of paragraphs 78(1)(a) to (ca).

Note: Section 79 deals with requests for reconsideration by a Minister of a State or self-governing Territory.

- (2) A request under subsection (1) must:
- (a) be in writing; and
 - (b) set out the basis on which the person thinks the decision should be reconsidered; and
 - (c) if the regulations specify other requirements for requests under subsection (1)—comply with those requirements.

Section 78B

- (3) If a request is made under subsection (1) in relation to a decision that an action is a controlled action, or that particular provisions are controlling provisions for an action, then:
 - (a) if the request is made by the designated proponent of the action—Part 8 ceases to apply in relation to the action until the Minister makes a decision in relation to the request; but
 - (b) if the request is made by another person—the application of Part 8 in relation to the action is not affected by the making of the request (subject to the outcome of the reconsideration).
- (4) If:
 - (a) because of paragraph (3)(a), Part 8 has ceased to apply in relation to an action; and
 - (b) the Minister confirms the decision that is the subject of the request under subsection (1);then:
 - (c) the application of Part 8 in relation to the action resumes (as does any assessment process under that Part that had previously commenced in relation to the action); and
 - (d) for the purposes of the resumed application of Part 8, a day is not to be counted as a business day if it is:
 - (i) on or after the day the Minister received the request; and
 - (ii) on or before the day the Minister confirms the decision.

78B Minister must inform interested persons of request and invite comments

- (1) The Minister (the *Environment Minister*) must comply with this section if he or she receives a request under section 78A to reconsider a decision made under subsection 75(1) about an action.

Informing designated proponent of request and inviting comments

- (2) If the request is made by a person other than the designated proponent of the action, the Environment Minister must:
 - (a) inform the designated proponent of the request in accordance with subsection (3); and

Section 78B

- (b) invite the designated proponent to give the Environment Minister, within 10 business days, comments on the request.
- (3) For the purpose of paragraph (2)(a), the Environment Minister must inform the designated proponent of the request by giving the designated proponent such information relating to the request as the Minister considers appropriate. The Minister need not (for example) reveal the identity of the person who made the request.

Inviting other Commonwealth Ministers to provide information

- (4) The Environment Minister must:
 - (a) inform any other Minister who the Environment Minister believes has administrative responsibilities relating to the action of the request; and
 - (b) invite each Minister informed to give the Environment Minister, within 10 business days, information about whether a matter referred to in any of paragraphs 78(1)(a) to (ca) is applicable in relation to the action.

Inviting comments from appropriate State or Territory Minister

- (5) If the request relates to an action proposed to be taken in a State or self-governing Territory and the Environment Minister thinks the action may have an impact on a matter protected by a provision of Division 1 of Part 3 (about matters of national environmental significance), the Environment Minister must:
 - (a) inform the appropriate Minister of the State or Territory of the request; and
 - (b) invite that Minister to give the Environment Minister, within 10 business days:
 - (i) comments on whether a matter referred to in any of paragraphs 78(1)(a) to (ca) is applicable in relation to the action; and
 - (ii) any other information that the Minister of the State or Territory considers relevant to the reconsideration.

Section 78C

Note: Subsection (5) also applies in relation to a request that relates to an action that is to be taken in an area offshore from a State or the Northern Territory. See section 157.

Inviting public comment

- (6) The Environment Minister must publish on the internet:
- (a) the request; and
 - (b) an invitation for anyone to give the Environment Minister, within 10 business days (measured in Canberra), comments in writing on whether a matter referred to in any of paragraphs 78(1)(a) to (ca) is applicable in relation to the action.

78C Minister must reconsider decision and give notice of outcome

Reconsideration of decision

- (1) As soon as practicable after the end of the time within which information or comments may be given under section 78B in relation to a request under section 78A to reconsider a decision about an action, the Minister must:
- (a) reconsider the decision; and
 - (b) either:
 - (i) confirm the decision; or
 - (ii) revoke the decision in accordance with subsection 78(1), and substitute a new decision for it.

Notice of outcome of reconsideration

- (2) The Minister must give written notice of the outcome of the reconsideration to:
- (a) the person who requested the reconsideration; and
 - (b) the person proposing to take the action (if that person is not the person referred to in paragraph (a)); and
 - (c) the designated proponent of the action (if the designated proponent is not the person referred to in paragraph (a) or (b)); and

- (d) if the reconsideration relates to an action referred to in subsection 78B(5)—the appropriate Minister of the State or Territory.
- (3) After giving notice as described in subsection (2), the Minister must publish notice of the outcome of the reconsideration. The regulations may specify how the publication is to be made. Subject to any such regulations, the publication must be made in a way the Minister considers appropriate.

Reasons for outcome of reconsideration

- (4) The Minister must give reasons for the outcome of the reconsideration to a person who:
 - (a) has been given notice of the outcome of the reconsideration under paragraph (2)(a), (b) or (c); and
 - (b) within 28 days after being given the notice, has requested the Minister to provide reasons.

The Minister must do so as soon as practicable, and in any case within 28 days after receiving the request.

79 Reconsideration of decision on request by a State or Territory

- (1) This section applies if the Minister (the *Environment Minister*) has made a decision under subsection 75(1) about whether a provision of Division 1 of Part 3 is a controlling provision for an action proposed to be taken in a State or a self-governing Territory.

Note 1: Division 1 of Part 3 deals with requirements for approvals for actions involving matters of national environmental significance.

Note 2: This section also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (2) Within 10 business days after the appropriate Minister of the State or Territory is notified of the decision under subparagraph 77(1)(a)(iii), that Minister may request the Environment Minister to reconsider the Environment Minister's decisions made under subsection 75(1).

Section 79

- (3) Within 20 business days after receiving a request to reconsider a decision, the Environment Minister must:
- (a) reconsider the decision; and
 - (b) either confirm it or revoke it and substitute a new decision for it; and
 - (c) give written notice of the outcome of the reconsideration and reasons for the outcome to:
 - (i) the Minister who requested the reconsideration; and
 - (ii) the person proposing to take the action; and
 - (iii) the designated proponent of the action; and
 - (d) after giving notice as described in paragraph (c), publish notice of the outcome and the reasons for it in accordance with the regulations.

Note: Section 156 sets out rules about time limits.

Part 8—Assessing impacts of controlled actions

Division 1—Simplified outline of this Part

80 Simplified outline of this Part

The following is a simplified outline of this Part:

This Part provides for the assessment of impacts of controlled actions, to provide information for decisions whether or not to approve the taking of the actions. However, this Part does not apply to actions that a bilateral agreement or Ministerial declaration says are to be assessed in another way.

For actions that are to be assessed under this Part, the Minister must choose one of the following methods of assessment:

- (a) an accredited assessment process;
- (aa) an assessment on referral information (see Division 3A);
- (b) an assessment on preliminary documentation (see Division 4);
- (c) a public environment report (see Division 5);
- (d) an environmental impact statement (see Division 6);
- (e) a public inquiry (see Division 7).

Section 81

Division 2—Application of this Part

81 Application

- (1) This Part applies to the assessment of the relevant impacts of an action that the Minister has decided under Division 2 of Part 7 is a controlled action.
- (2) This section has effect subject to sections 83 and 84.
- (3) This section does not limit section 82.

82 What are the *relevant impacts* of an action?

If the Minister has decided the action is a controlled action

- (1) If the Minister has decided under Division 2 of Part 7 that an action is a controlled action, the **relevant impacts** of the action are the impacts that the action:
 - (a) has or will have; or
 - (b) is likely to have;on the matter protected by each provision of Part 3 that the Minister has decided under that Division is a controlling provision for the action.

If the Minister has not decided whether the action is controlled

- (2) If an action is a controlled action or would be apart from Division 1, 2, 3 or 3A of Part 4 (which provide that approval under Part 9 is not needed for an action covered by a bilateral agreement or declaration)—the **relevant impacts** of the action are impacts that the action:
 - (a) has or will have; or
 - (b) is likely to have;on the matter protected by each provision of Part 3 that is a controlling provision for the action or would be apart from whichever of those Divisions is relevant.

Section 83*Relationship between subsections (1) and (2)*

- (3) Subsection (1) has effect despite subsection (2).
- (4) For the purposes of subsections (1) and (2), if subsection 15B(3), 15C(5), 15C(6), 23(1), 24A(1), 24D(3), 24E(3), 26(1) or 27A(1) is, or would be, a controlling provision for the action, then the impacts of the action on the matter protected by that provision are only those impacts that the part of the action that is taken in or on a Commonwealth area, a Territory, a Commonwealth marine area or Commonwealth land:
 - (a) has or will have; or
 - (b) is likely to have;on the matter.
- (5) For the purposes of subsections (1) and (2), if subsection 24B(1) or 24C(1) or (3) is or would be a controlling provision for the action, then the impacts of the action on the matter protected by that provision are only those impacts that the part of the action that is taken in the Great Barrier Reef Marine Park:
 - (a) has or will have; or
 - (b) is likely to have;on the matter.

83 This Part does not apply if action covered by bilateral agreement

- (1) This Part does not apply in relation to an action if:
 - (a) the action is to be taken in a State or self-governing Territory; and
 - (b) a bilateral agreement between the Commonwealth and the State or Territory declares that actions in a class that includes the action need not be assessed under this Part; and
 - (c) the provision of the bilateral agreement making the declaration is in operation in relation to the action.

Note 1: Subsection (1) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

Section 84

Note 2: Section 47 deals with bilateral agreements making declarations described in paragraph (1)(b).

Note 2A: An action will be in a class of actions declared not to need assessment under this Part only if the action has been assessed in a manner specified in the bilateral agreement.

Note 3: Division 3 of Part 5 explains how the operation of a bilateral agreement may be ended or suspended. Also, under section 49, bilateral agreements do not operate in relation to actions in Commonwealth areas or in the Great Barrier Reef Marine Park, or actions taken by the Commonwealth or a Commonwealth agency, unless they expressly provide that they do.

- (2) If the action is to be taken in 2 or more States or self-governing Territories, this section does not operate unless it operates in relation to each of those States or Territories.

84 This Part does not apply if action covered by declaration

When this Part does not apply

- (1) This Part does not apply in relation to an action if:
- (a) the Minister has declared in writing that actions in a class that includes the action need not be assessed under this Part; and
 - (b) the declaration is in operation.

Note: An action will be in a class of actions declared not to need assessment under this Part only if the action has been assessed in a manner specified in the declaration.

Declaration

- (2) The Minister may declare in writing that actions in a specified class of actions assessed by the Commonwealth or a Commonwealth agency in a specified manner do not require assessment under this Part.

Prerequisites for making a declaration

- (3) The Minister may make a declaration only if he or she is satisfied that:

Section 84

- (a) assessment of an action in the specified manner will include assessment of the impacts the action:
 - (i) has or will have; or
 - (ii) is likely to have;on each matter protected by a provision of Part 3; and
- (b) the specified manner of assessment meets the standards (if any) prescribed by the regulations; and
- (c) if the taking of an action assessed in the specified manner must be approved under Part 9, he or she will receive a report including, or accompanied by, enough information about the relevant impacts of the action to let him or her make an informed decision whether or not to approve under Part 9 (for the purpose of each controlling provision) the taking of the action.

Further requirements for making a declaration

- (3A) Sections 34A, 34B, 34BA, 34C, 34D, 34E and 34F apply in relation to the making of a declaration under this section in the same way that they apply to the making of a declaration under section 33.

Specified manner of assessment

- (4) The manner of assessment that may be specified in a declaration includes assessment by a Commonwealth agency under a law of the Commonwealth. This does not limit subsection (2).

Publishing declaration

- (5) The Minister must publish a declaration in accordance with the regulations.

Revoking declaration

- (6) The Minister may, by instrument in writing published in accordance with the regulations, revoke a declaration.

Section 84

Minister must not give preference

- (7) In making or revoking a declaration relating to an action taken:
- (a) by a person for the purposes of trade between Australia and another country or between 2 States; or
 - (b) by a constitutional corporation;
- the Minister must not give preference (within the meaning of section 99 of the Constitution) to one State or part of a State over another State or part of a State.

Division 3—Decision on assessment approach

Subdivision A—Simplified outline of this Division

85 Simplified outline of this Division

The following is a simplified outline of this Division:

The Minister must choose one of the following ways of assessing the relevant impacts of an action the Minister has decided is a controlled action:

- (a) an accredited assessment process;
- (aa) an assessment on referral information;
- (b) an assessment on preliminary documentation;
- (c) a public environment report;
- (d) an environmental impact statement;
- (e) a public inquiry.

Subdivision B—Deciding on approach for assessment

87 Minister must decide on approach for assessment

Minister must choose one assessment approach

- (1) The Minister must decide which one of the following approaches must be used for assessment of the relevant impacts of an action that the Minister has decided is a controlled action:
 - (a) assessment by an accredited assessment process;
 - (aa) assessment on referral information under Division 3A;
 - (b) assessment on preliminary documentation under Division 4;
 - (c) assessment by public environment report under Division 5;
 - (d) assessment by environmental impact statement under Division 6;
 - (e) assessment by inquiry under Division 7.

Section 87

Considerations in making choice

- (3) In making the decision, the Minister must consider:
- (a) information relating to the action given to the Minister in the referral of the proposal to take the action; and
 - (b) any other information available to the Minister about the relevant impacts of the action that the Minister considers relevant (including information in a report on the impacts of actions under a policy, plan or program under which the action is to be taken that was given to the Minister under an agreement under Part 10 (about strategic assessments)); and
 - (c) any relevant information received in response to an invitation under subparagraph 74(2)(b)(ii); and
 - (d) the matters (if any) prescribed by the regulations; and
 - (e) the guidelines (if any) published under subsection (6).

Accredited assessment process

- (4) The Minister may decide on an assessment by an accredited assessment process only if the Minister is satisfied that:
- (a) the process is to be carried out under a law of the Commonwealth, a State or a self-governing Territory; and
 - (b) the process and the law meet the standards (if any) prescribed by the regulations; and
 - (c) the process will ensure that the relevant impacts of the action are adequately assessed; and
 - (d) he or she will receive a report of the outcome of the process that will provide enough information on the relevant impacts of the action to let him or her make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action.

Assessment on referral information

- (4A) The Minister may decide on an assessment on referral information under Division 3A only if the Minister is satisfied (after considering the matters in subsection (3)) that the action meets the

Section 88

criteria prescribed in the regulations for the purposes of this subsection.

Assessment on preliminary documentation

- (5) The Minister may decide on an assessment on preliminary documentation under Division 4 only if the Minister is satisfied (after considering the matters in subsection (3)) that that approach will allow the Minister to make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action.

Guidelines for choosing assessment approach

- (6) The Minister may publish in the *Gazette* guidelines setting out criteria for deciding which approach must be used for assessing the relevant impacts of an action.

88 Timing of decision on assessment approach

Initial decision

- (1) The Minister must decide on the approach to be used for assessment of the relevant impacts of the action within 20 business days after the Minister receives the referral of the proposal to take the action.

Note: Section 156 sets out rules about time limits.

When initial decision must be made

- (2) The Minister must make the decision under subsection (1) on the same day as the Minister has decided, under subsection 75(1), that the action is a controlled action, unless the Minister has requested more information under subsection 76(3) or section 89 for the purposes of deciding on the approach to be used for assessment of the relevant impacts of the action.

Section 89

Time does not run while further information sought

- (4) If the Minister has requested more information in relation to the action under subsection 76(1), (2) or (3) or section 89, a day is not to be counted as a business day for the purposes of subsection (1) if it is:
- (a) on or after the day the Minister requested the information; and
 - (b) on or before the day on which the Minister receives the last of the information requested.

Running of time may be suspended by agreement

- (5) The Minister and the designated proponent of the action may agree in writing that days within a period worked out in accordance with the agreement are not to be counted as business days for the purposes of subsection (1). If the agreement is made, those days are not to be counted for the purposes of that subsection.

89 Minister may request more information for making decision

- (1) If the Minister believes on reasonable grounds that the information given to the Minister in relation to an action is not enough to allow the Minister to make an informed decision on the approach to be used for assessment of the relevant impacts of the action, the Minister may request the designated proponent to provide specified information relevant to making the decision.
- (2) Without limiting subsection (1), if the action is to be taken in a State or self-governing Territory, the Minister may request the designated proponent of the action to provide information about:
- (a) whether the relevant impacts of the action have been, or are being, assessed by the State or Territory; and
 - (b) if so, the method of assessment that was, or is being, used and what stage the assessment has reached.
- (3) The Minister may make a request in relation to an action under this section even if the Minister has made a request under subsection 76(3) in relation to the action.

90 Directing an inquiry after starting an assessment

Application

- (1) This section applies if:
- (a) the Minister has made a decision (the ***first decision***) under section 87 that the relevant impacts of an action must be assessed by:
 - (i) assessment by public environment report under Division 5; or
 - (ii) assessment by environmental impact statement under Division 6; and
 - (b) the designated proponent publishes:
 - (i) a draft report under section 98 (about public environment reports); or
 - (ii) a draft statement under section 103 (about environmental impact statements).

Revoking and substituting decision

- (2) The Minister may revoke the first decision and make another decision (the ***new decision***) under section 87 (in substitution for the first decision) that the relevant impacts of the action must be assessed by an inquiry under Division 7.

Effect of revocation and substitution

- (3) When the first decision is revoked and the new decision is substituted for it:
- (a) whichever of Divisions 5 and 6 applied in relation to the action because of the first decision ceases to apply in relation to the action; and
 - (b) Division 7 applies in relation to the action.

Section 91

91 Notice of decision on assessment approach

- (1) Within 10 business days after making a decision on the approach to be used for assessment of the relevant impacts of an action, the Minister must:
- (a) give written notice of the decision to:
 - (i) the person proposing to take the action; and
 - (ia) the designated proponent of the action (if the designated proponent is not the person proposing to take the action); and
 - (ii) if the action is to be taken in a State or self-governing Territory and a controlling provision for the action is in Division 1 of Part 3 (which deals with matters of national environmental significance)—the appropriate Minister of the State or Territory; and
 - (b) publish notice of the decision in accordance with the regulations.

Note 1: Section 156 sets out rules about time limits.

Note 2: Subparagraph (1)(a)(ii) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (1A) In the written notice of the decision, the Minister must also advise the person proposing to take the action that the person may elect under section 132B to submit an action management plan for approval.

Note: An action management plan is approved after a decision is made approving the taking of the action.

- (2) If the Minister decided that the relevant impacts of the action are to be assessed by an accredited assessment process, the written notice and the published notice must specify the process.

Division 3A—Assessment on referral information

92 Application of this Division

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by assessment on referral information under this Division.

93 Recommendation report

- (1) The Secretary must comply with this section within 30 business days after the Minister makes the decision under section 87.
- (2) The Secretary must prepare a draft recommendation report that includes recommendations on:
 - (a) whether the taking of the action should be approved under Part 9; and

 - (a) the draft recommendation report; and
 - (b) an invitation for anyone to give the Secretary, within 10 business days (measured in Canberra), comments in writing relating to the draft recommendation report or the action.
- (3A) The Secretary may refuse to publish on the internet, under subsection (3), so much of the draft recommendation report as:
 - (a) is:
 - (i) an exempt document under subparagraph 33(a)(i) of the *Freedom of Information Act 1982* (documents affecting national security, defence or international relations); or
 - (ii) a conditionally exempt document under section 47C of that Act (deliberative processes) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or

Section 93

- (b) the Secretary is satisfied is commercial-in-confidence.
- (3B) The Secretary must not be satisfied that a part of the draft recommendation report is commercial-in-confidence unless a person demonstrates to the Secretary that:
 - (a) release of the information in that part would cause competitive detriment to the person; and
 - (b) the information in that part is not in the public domain; and
 - (c) the information in that part is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and
 - (d) the information in that part is not readily discoverable.
- (4) After the end of the period for comment, the Secretary must finalise the draft recommendation report, taking account of any comments received within that period.
- (5) As soon as practicable after finalising the draft recommendation report, the Secretary must give the Minister:
 - (a) the finalised recommendation report; and
 - (b) either:
 - (i) a copy of any comments received within the period for comment; or
 - (ii) if no comments were received within that period—a written statement to that effect.

Division 4—Assessment on preliminary documentation

94 Application of this Division

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by assessment on preliminary documentation under this Division.

95 Direction to publish referral information and invitation to comment—no further information required

- (1) This section applies if the Minister was satisfied, at the time of making the decision (the *assessment approach decision*) under section 87, that the Minister had enough information in relation to the action to allow the Minister to assess the relevant impacts of the action.
- (2) At the same time as the Minister gives notice of the assessment approach decision to the designated proponent of the action under paragraph 91(1)(a), the Minister must give the designated proponent a written direction to publish, within the period specified in the direction (not being less than 10 business days), in accordance with the regulations:
 - (a) specified information included in the referral to the Minister of the proposal to take the action; and
 - (b) specified information relating to the action that was given to the Minister after the referral but before the Minister made the assessment approach decision; and
 - (c) an invitation for anyone to give the designated proponent, within the period specified in the direction, comments in writing relating to the information or the action.
- (3) The designated proponent must comply with the direction.

Note: If the designated proponent does not comply with the direction, the Minister may take action under section 155.

Section 95A

- (4) A direction given under subsection (2) is not a legislative instrument.

95A Direction to publish referral information and invitation to comment—further information required

- (1) This section applies if the Minister was not satisfied, at the time of making the decision (the *assessment approach decision*) under section 87, that the Minister had enough information in relation to the action to allow the Minister to assess the relevant impacts of the action.
- (2) Within 10 business days after the Minister gives notice of the assessment approach decision to the designated proponent of the action under paragraph 91(1)(a), the Minister must request the designated proponent to give the Minister specified information relevant to assessing the relevant impacts of the action, including information about strategies for mitigating any adverse impacts.
- (3) Within 10 business days after receiving the information requested under subsection (2), the Minister must give the designated proponent a written direction to publish, within the period specified in the direction (not being less than 10 business days), in accordance with the regulations:
- (a) specified information included in the referral to the Minister of the proposal to take the action; and

Section 95B

Note: If the designated proponent does not comply with the direction, the Minister may take action under section 155.

- (5) A direction given under subsection (3) is not a legislative instrument.

95B Procedure after end of period for comment

Procedure if comments are received

- (1) If comments are received by the designated proponent within the period for comment, the designated proponent must, as soon as practicable after the end of that period:
- (a) prepare a document that:
 - (i) sets out the information given to the Minister previously in relation to the action, with any changes or additions needed to take account of the comments; and

Section 95C

practicable after the end of that period, give the Minister a written statement to that effect.

- (3A) The designated proponent is taken not to have given the Minister the statement referred to in subsection (3) if the required fee has not been paid.

- (2) The recommendation report must be given to the Minister after the Minister receives the documents under subsection 95B(1) or the statement under subsection 95B(3), as the case requires, and before the end of the period applicable under paragraph 130(1B)(c) in relation to the action.

Note: This is the period within which the Minister must decide whether or not to approve the taking of the action.

Division 5—Public environment reports

96 Application

This Division applies in relation to an action if the Minister has decided under section 87 that the relevant impacts of the action must be assessed by a public environment report under this Division.

96A Minister must give designated proponent written guidelines for preparation of draft public environment report

- (1) The Minister must give the designated proponent of the action written guidelines for the preparation of a draft public environment report about the relevant impacts of the action. The guidelines so given are referred to as the **PER guidelines**.
- (2) The PER guidelines must be:
 - (a) one or more sets of standard guidelines prepared under section 96B that the Minister decides are appropriate for the preparation of the draft report in relation to the action; or
 - (b) if the Minister decides that standard guidelines are not appropriate for the preparation of the draft report in relation to the action—tailored guidelines prepared under section 97.
- (3) In deciding whether one or more sets of standard guidelines are appropriate for the preparation of the draft report in relation to the action, the Minister must seek to ensure that the draft report, if prepared in accordance with those guidelines, will:
 - (a) contain enough information about the action and its relevant impacts to allow the Minister to make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action; and
 - (b) address the matters (if any) prescribed by the regulations.

Note: Similar considerations apply in relation to tailored guidelines: see subsection 97(2).

Section 96B

- (4) The Minister must give the PER guidelines to the designated proponent:
 - (a) within 20 business days after the assessment approach decision was made under section 87; or
 - (b) if the Minister, under section 97, invites a person to comment on a draft of tailored guidelines for the preparation of the draft report within a specified period—within 20 business days after:
 - (i) the end of that period; or
 - (ii) if there is more than one such period, the end of the later or latest of those periods.

96B Standard guidelines

- (1) The Minister may prepare one or more sets of standard guidelines, in writing, for the preparation of draft public environment reports about the relevant impacts of actions.

Note: See also subsection 96A(3).

- (2) A set of standard guidelines must set out requirements for the content and presentation of draft public environment reports about the relevant impacts of actions.
- (3) Without limiting subsections (1) and (2), a set of standard guidelines may relate to:
 - (a) actions that are proposed to be taken by a specified industry sector; or
 - (b) actions for which a specified provision of Part 3 is a controlling provision.
- (4) A set of standard guidelines made under this section is not a legislative instrument.

97 Tailored guidelines

- (1) The Minister must prepare tailored guidelines, in writing, for the preparation of a draft public environment report about the relevant impacts of an action if the Minister decides that standard guidelines

Section 97

are not appropriate for the preparation of the draft report in relation to that action.

- (1A) Tailored guidelines must set out requirements for the content and presentation of the draft report in relation to the action.
- (2) In preparing tailored guidelines, the Minister must seek to ensure that the draft report will:
 - (a) contain enough information about the action and its relevant impacts to allow the Minister to make an informed decision whether or not to approve under Part 9 (for the purposes of each controlling provision) the taking of the action; and
 - (b) address the matters (if any) prescribed by the regulations.
- (3) Tailored guidelines may also provide for the draft report to include information about other certain and likely impacts of the action if:
 - (a) the action is to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the draft report includes information about those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the action; and
 - (c) the action:
 - (i) is to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
 - (ii) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.

Note: Paragraph (3)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (3A) Tailored guidelines may also provide for the draft report to include information about other certain and likely impacts of the action if:

Section 98

- (a) the referral of the proposal to take the action is, because of section 37AB of the *Great Barrier Reef Marine Park Act 1975*, taken to be an application for a permission for the purposes of that Act; and
 - (b) the Great Barrier Reef Marine Park Authority has asked the Minister to ensure that the draft report includes information about those other impacts for the purposes of deciding whether to grant the permission.
- (4) Division 2 does not limit:
 - (a) subsection (3) or (3A); or
 - (b) section 98 so far as it relates to tailored guidelines prepared in reliance on that subsection.
- (5) In preparing tailored guidelines, the Minister may:
 - (a) invite anyone to comment on a draft of tailored guidelines within a period specified by the Minister; and
 - (b) take account of the comments received (if any).
- (6) Tailored guidelines made under this section are not a legislative instrument.

98 Designated proponent must invite comment on draft public environment report

Designated proponent's obligations

- (1) The designated proponent of the action must:
 - (a) prepare a draft public environment report in accordance with the PER guidelines about:
 - (i) the relevant impacts of the action; and
 - (ii) if the PER guidelines are tailored guidelines that require the draft report to include information about other impacts—those other impacts; and
 - (ab) give the draft report to the Minister; and
 - (b) obtain the Minister's approval for publication of the draft report; and

- (c) publish in accordance with the regulations:
 - (i) the draft report; and
 - (ii) an invitation for anyone to give the designated proponent comments in writing relating to the draft report or the action within the period specified in the invitation.

Approval of publication of draft report

Period for comment

- (3) The period specified in the invitation to comment must be the period specified in writing given by the Minister to the designated proponent. The Minister must not specify a period of less than 20 business days.

99 Finalising public environment report

- (1) After the end of the period specified in the invitation to comment under section 98, the designated proponent must finalise the draft public environment report.
- (2) The finalised report must:
 - (a) take account of any comments received within the period for comment; and
 - (b) contain a summary of any such comments and how those comments have been addressed.
- (3) As soon as practicable after finalising the draft report, the designated proponent must give the Minister:
 - (a) the finalised report; and
 - (b) either:
 - (i) a copy of any comments received within the period for comment; or

Division 7—Inquiries

Subdivision A—Preliminary

106 Simplified outline

The following is a simplified outline of this Division:

This Division provides for the Minister to appoint commissions to carry out inquiries in a flexible way into the impacts of actions.

Commissioners have powers to call witnesses, obtain documents and inspect places for the purposes of their inquiries.

Commissioners must report to the Minister and publish their reports.

Subdivision B—Establishment of inquiries

107 Appointing commissioners and setting terms of reference

- (1) If the Minister decides that the relevant impacts of an action must be assessed by inquiry under this Division, the Minister must:
 - (a) appoint in writing one or more persons (the **commissioners**) as a commission to conduct the inquiry and report to the Minister in relation to the action; and
 - (b) specify in writing (the **terms of reference**):
 - (i) the matters relating to the action that are to be the subject of the inquiry and report; and
 - (ii) the period within which the commission must report to the Minister.

Note 1: The Minister may revoke an appointment and amend terms of reference. See subsection 33(3) of the *Acts Interpretation Act 1901*.

Note 2: Subdivision E contains more provisions about the basis on which a commissioner holds office.

Section 107

- (2) If the Minister appoints 2 or more commissioners for an inquiry, the Minister must appoint one of them to preside at the inquiry.
- (3) In specifying in the terms of reference the matters relating to the action that are to be the subject of the inquiry and report, the Minister:
 - (a) must specify the relevant impacts of the action; and
 - (b) if subsection (4) or (4A) applies—may specify other certain or likely impacts of the action.
- (4) For the purposes of paragraph (3)(b), the Minister may specify other certain or likely impacts of the action if:
 - (a) the action is to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the inquiry reports on those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the action; and
 - (c) the action:
 - (i) is to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
 - (ii) is an action whose regulation is appropriate and adapted to give effect to Australia's obligations under an agreement with one or more other countries.

Note: Paragraph (4)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (4A) For the purposes of paragraph (3)(b), the Minister may specify other certain or likely impacts of the action if:
 - (a) the referral of the proposal to take the action is, because of section 37AB of the *Great Barrier Reef Marine Park Act 1975*, taken to be an application for a permission for the purposes of that Act; and

Section 108

- (b) the Great Barrier Reef Marine Park Authority has asked the Minister to ensure that the report includes information about those other impacts for the purposes of deciding whether to grant the permission.
- (5) The Minister may also specify in the terms of reference the manner in which the commission is to carry out the inquiry.

108 Publicising inquiry

- (1) As soon as practicable, the commission must publish in accordance with the regulations and in any other way it thinks fit:
 - (a) the terms of reference; and
 - (b) the information relating to the action given to the Minister under this Chapter before the Minister made the decision under Division 3 to use an inquiry to assess the relevant impacts of the action.
- (2) The commission need not publish the information described in paragraph (1)(b) if, before the Minister appointed the commission, the designated proponent of the action published:
 - (a) a draft report under section 98 (which deals with draft public environment reports); or
 - (b) a draft statement under section 103 (which deals with draft environmental impact statements).

However, in this case the commission must publish as described in subsection (1) notice of the fact that the draft report or draft statement has already been published.

Subdivision C—Conduct of inquiries

109 Procedure of inquiries

- (1) A commission must comply with the terms of reference in conducting its inquiry.
- (2) Subject to this Division, a commission:

Section 110

- (a) may determine the procedure to be followed in its inquiry;
and
- (b) is not subject to any directions by an employee of the Commonwealth or by a Commonwealth agency; and
- (c) is not bound by the rules of evidence.

110 Inquiry to be public

- (1) A hearing held as part of an inquiry must be conducted in public, except so far as the commission directs otherwise.
- (2) The commission must make publicly available (in any way the commission thinks fit) the content of any submission or evidence given to the commission in writing, except so far as the commission directs otherwise.
- (3) If the commission believes that it is desirable in the public interest, the commission may:
 - (a) give directions that all or part of the inquiry be held in private, specifying the persons who may be present; and
 - (b) give directions prohibiting or restricting the publication of all or specified passages of submissions or evidence given to the commission orally or in writing.

Failure of witness to attend

- (2) A person served with a summons to appear as a witness at an inquiry by a commission must not:
 - (a) fail to attend as required by the summons; or

Section 112

- (b) fail to appear and report from day to day unless excused or released from further attendance by or on behalf of the commission.

Note: A defendant bears an evidential burden in relation to the excuse or release from further attendance mentioned in paragraph (2)(b). See subsection 13.3(3) of the *Criminal Code*.

Offence

- (3) A person who contravenes subsection (2) commits an offence punishable on conviction by imprisonment for not more than 6 months, a fine of not more than 30 penalty units, or both.

Allowances for witnesses

- (4) A person summoned by a commission to appear as a witness at an inquiry is entitled to be paid by the Commonwealth such allowances for travelling and other expenses as are prescribed by the regulations.

112 Dealing with witnesses

Power to administer oath or affirmation

- (1) A commissioner may administer an oath or affirmation to a person appearing as a witness before the commission.

Note: This means that proceedings before the commission are **judicial proceedings** for the purposes of Part III of the *Crimes Act 1914*, which creates various offences relating to judicial proceedings.

Refusal to be sworn or to answer questions

- (2) A person appearing as a witness at an inquiry by a commission must not:
- (a) refuse or fail to be sworn or to make an affirmation; or
 - (b) refuse or fail to answer a question that the person is required to answer by the commissioner (or the commissioner presiding at the inquiry if there is more than one commissioner for the inquiry); or

Section 112

- (c) refuse or fail to produce a document that the person was required to produce by a summons served on the person.

Offence

- (3) A person who contravenes subsection (2) commits an offence punishable on conviction by imprisonment for not more than 6 months, a fine of not more than 30 penalty units, or both.

Note: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

No privilege against self-incrimination

- (4) An individual is not excused from answering a question or producing a document on the ground that answering the question or producing the document would tend to incriminate the individual or to expose the individual to a penalty.

Answers and documents cannot be used in criminal proceedings

- (5) However, none of the following is admissible in evidence in criminal proceedings against the individual (except proceedings under section 491):
 - (a) the answer to the question;
 - (b) the production of the document;
 - (c) any information, document or thing obtained as a direct or indirect consequence of answering the question or producing the document.

Sworn witnesses may also give written evidence on oath

- (1) A commissioner, or a person assisting a commission and authorised by a commissioner to do so, may:
 - (a) inspect a document produced or given to the commission; and

 - (a) inspect the land, building or place; and
 - (b) inspect any material on the land, or on or in the building or place.
- (2) However, the commissioner or authorised person may not make the inspection if:
 - (a) the person occupying or in charge of the land, building or place asks the commissioner or authorised person to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the commissioner or person does not produce it.
- (3) A person (the *offender*) commits an offence punishable on conviction by imprisonment for not more than 6 months if:
 - (a) the offender obstructs or hinders another person; and

Section 115

- (b) the offender knows the other person is a commissioner, or a person authorised by a commissioner, acting under subsection (1) or a warrant issued under section 116.

Note 1: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibility.

Note 2: Subsection 4B(2) of the *Crimes Act 1914* lets a court that convicts an individual of an offence impose a fine instead of, or as well as, imprisonment. The maximum fine (in penalty units) the court can impose is 5 times the maximum term of imprisonment (in months).

115 Entering premises by consent

- (1) A commissioner, or a person authorised by a commissioner, may enter land, a building or a place at any reasonable time for any reasonable purpose of an inquiry, if the person (the *occupant*) occupying or in charge of the land, building or place consents.
- (2) Before obtaining the consent, the commissioner or authorised person must inform the occupant that the occupant may refuse to give consent.
- (3) The commissioner or authorised person may not enter the land, building or place if:
 - (a) the occupant asks the commissioner or authorised person to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the commissioner or authorised person does not produce it.
- (4) An entry by a commissioner or authorised person with the occupant's consent is not lawful if the occupant's consent was not voluntary.

116 Entering premises under warrant

- (1) A commissioner may apply to a magistrate for a warrant authorising the commissioner or a person authorised by the commissioner to enter any land, building or place if the commissioner has reason to believe that it is necessary or desirable

Section 117

for the purposes of an inquiry for the commissioner or person to enter the land, building or place for the purposes of the inquiry.

Note: Section 117 allows applications for warrants to be made by telephone.

- (2) If the magistrate is satisfied by information on oath or affirmation that the issue of the warrant is reasonably required for the purposes of the inquiry, he or she may grant a warrant authorising the person named in the warrant to enter the land, building or place for the purposes specified in the warrant.
- (3) The magistrate must specify in the warrant the date after which the warrant ceases to have effect.
- (4) The person named in a warrant may not enter the land, building or place if:
 - (a) the person occupying or in charge of the land, building or place asks the person named in the warrant to produce his or her identity card or other written evidence of his or her identity; and
 - (b) the person named in the warrant does not produce it.

117 Warrants by telephone or other electronic means

Application

- (1) A commissioner may apply to a magistrate for a warrant by telephone, telex, fax or other electronic means:

 - (b) if the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

Voice communication

- (2) The magistrate may require communication by voice to the extent that is practicable in the circumstances.

Section 117

Information

- (3) An application under this section must include all information required to be provided in an ordinary application for a warrant, but the application may, if necessary, be made before the information is sworn or affirmed.

Issue of warrant

- (4) The magistrate may complete and sign the same form of warrant that would be issued under section 116 if, after considering the information and having received and considered any further information he or she required, the magistrate is satisfied that:
- (a) a warrant in the terms of the application should be issued urgently; or
 - (b) the delay that would occur if an application were made in person would frustrate the effective execution of the warrant.

Notification

- (5) If the magistrate decides to issue the warrant, the magistrate must inform the applicant, by telephone, telex, fax or other electronic means, of the terms of the warrant and the day on which and the time at which it was signed.

Form of warrant

- (6) The applicant must then complete a form of warrant in terms substantially corresponding to those given by the magistrate, stating on the form the name of the magistrate and the day on which and the time at which the warrant was signed.

Completed form of warrant to be given to magistrate

- (7) The applicant must, not later than the day after the day of expiry of the warrant or the day after the day on which the warrant was executed, whichever is the earlier, give or transmit to the magistrate:
- (a) the form of warrant completed by the applicant; and

Section 118

- (b) if the information referred to in subsection (3) was not sworn or affirmed—that information duly sworn or affirmed.

Attachment

- (8) The magistrate must attach to the documents provided under subsection (7) the form of warrant completed by the magistrate.

Presumption

- (9) If:
- (a) it is material, in any proceedings, for a court to be satisfied that the exercise of a power under a warrant issued under this section was duly authorised; and
 - (b) the form of warrant signed by the magistrate is not produced in evidence;
- the court is to assume, unless the contrary is proved, that the exercise of the power was not duly authorised.

118 Identity cards

- (1) The Minister may cause to be issued to a commissioner or a person authorised by a commissioner an identity card:
- (a) in a form approved by the Minister; and
 - (b) containing a recent photograph of the person to whom it is issued.
- (2) As soon as practicable after the commission to which the commissioner was appointed has reported to the Minister on its inquiry, the commissioner or authorised person must return his or her identity card to the Minister.
- (3) A person must not contravene subsection (2).

Penalty: 1 penalty unit.

Section 119

119 Contempt

- (1) A person commits an offence punishable on conviction by a fine of not more than 30 penalty units if:

 - (b) the person knows the other person is a commissioner exercising the powers or performing the functions or duties of a commissioner.
- (2) A person commits an offence punishable on conviction by a fine of not more than 30 penalty units if:
 - (a) the person creates a disturbance, or takes part in creating or continuing a disturbance, in or near a place; and
 - (b) the person knows the place is a place where a commission is holding an inquiry.
- (3) A person must not:
 - (a) interrupt an inquiry by a commission; or
 - (b) do any other act or thing that would, if a commission were a court of record, constitute a contempt of that court.

Penalty: 30 penalty units.

Note: Subsection 4B(3) of the *Crimes Act 1914* lets a court fine a body corporate up to 5 times the maximum amount the court could fine a person under this subsection.

Section 121

Burden of proof in proceedings relating to witness

- (7) In proceedings arising out of subsection (4), the employer has the burden of proving that the employee was not dismissed or prejudiced because the employee appeared as a witness or gave a submission or evidence at an inquiry by a commission, if it is established that:

Section 132

what conditions (if any) to attach to an approval, he or she may publish on the internet:

- (a) the proposed decision and, if the proposed decision is to approve the taking of the action, any conditions that the Minister proposes to attach to the approval; and
- (b) an invitation for anyone to give the Minister, within 10 business days (measured in Canberra), comments in writing on the proposed decision and any conditions.

132 Requesting further information for approval decision

If the Minister believes on reasonable grounds that he or she does not have enough information to make an informed decision whether or not to approve for the purposes of a controlling provision the taking of an action, the Minister may request any of the following to provide specified information relevant to making the decision:

- (a) the person proposing to take the action;
- (b) the designated proponent of the action;

Section 132A

132A Requesting notice from appropriate State or Territory Minister about certain actions

Note: This section also applies in relation to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (2) However, this section does not apply to an action if:
- (a) the action:
 - (i) is a nuclear action; or
 - (ii) is to be taken entirely in a Commonwealth marine area; or
 - (iii) is to be taken entirely on Commonwealth land; or
 - (iv) is to be taken by the Commonwealth or a Commonwealth agency; and
 - (b) the relevant impacts of the action have been assessed under Part 8.
- (3) Before the Minister (the *Environment Minister*) decides whether or not to approve for the purposes of a controlling provision the taking of the action, and what conditions (if any) to attach to an approval, the Environment Minister may request the appropriate Minister of the State or Territory to give the Environment Minister a notice stating the method that has been used to assess the certain and likely impacts of the action on things other than matters protected by the controlling provisions for the action.

Section 132B

132B Election to have an action management plan approved after approval of the taking of an action granted

- (1) A person proposing to take an action may, at any time before an approval of the taking of the action is granted under section 133, elect to submit an action management plan for approval.
- (2) An election must:

- (3) If, after making an election, the person (the *first person*) notifies the Minister under section 156F that another person (the *second person*) proposes to take the action instead, the second person may revoke the election made by the first person under this section.
- (4) An election cannot be revoked once the Minister has granted an approval under section 133.

133 Grant of approval

Approval

- (1) After receiving the assessment documentation relating to a controlled action, or the report of a commission that has conducted an inquiry relating to a controlled action, the Minister may approve for the purposes of a controlling provision the taking of the action by a person.
- (1A) If the referral of the proposal to take the action included alternative proposals relating to any of the matters referred to in subsection 72(3), the Minister may approve, for the purposes of subsection (1), one or more of the alternative proposals in relation to the taking of the action.

Content of approval

- (2) An approval must:

Section 133

- (d) specify each provision of Part 3 for which the approval has effect; and
- (e) specify the period for which the approval has effect; and

Limit on publication of approval

- (4) However, the Minister must not provide under subsection (3) a copy of so much of the approval as:
- (a) is:
 - (i) an exempt document under section 47 of the *Freedom of Information Act 1982* (trade secrets etc.); or

Section 133

- (ii) a conditionally exempt document under section 47G of that Act (business documents) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
- (b) the Minister believes it is in the national interest not to provide.

The Minister may consider the defence or security of the Commonwealth when determining what is in the national interest. This does not limit the matters the Minister may consider.

Notice of refusal of approval

- (7) If the Minister refuses to approve for the purposes of a controlling provision the taking of an action by the person who proposed to take the action, the Minister must give the person notice of the refusal.

Note: Under section 13 of the *Administrative Decisions (Judicial Review) Act 1977*, the person may request reasons for the refusal, and the Minister must give them.

134 Conditions of approval

Condition to inform persons taking action of conditions attached to approval

- (1A) An approval of the taking of an action by a person (the **first person**) is subject to the condition that, if the first person authorises, permits or requests another person to undertake any part of the action, the first person must take all reasonable steps to ensure:
- (a) that the other person is informed of any condition attached to the approval that restricts or regulates the way in which that part of the action may be taken; and
 - (b) that the other person complies with any such condition.

For the purposes of this Chapter, the condition imposed by this subsection is attached to the approval.

Section 134

Generally

- (1) The Minister may attach a condition to the approval of the action if he or she is satisfied that the condition is necessary or convenient for:
- (a) protecting a matter protected by a provision of Part 3 for which the approval has effect (whether or not the protection is protection from the action); or
 - (b) repairing or mitigating damage to a matter protected by a provision of Part 3 for which the approval has effect (whether or not the damage has been, will be or is likely to be caused by the action).

Conditions to protect matters from the approved action

- (2) The Minister may attach a condition to the approval of the action if he or she is satisfied that the condition is necessary or convenient for:
- (a) protecting from the action any matter protected by a provision of Part 3 for which the approval has effect; or
 - (b) repairing or mitigating damage that may or will be, or has been, caused by the action to any matter protected by a provision of Part 3 for which the approval has effect.

This subsection does not limit subsection (1).

Examples of kinds of conditions that may be attached

- (3) The conditions that may be attached to an approval include:
- (aa) conditions requiring specified activities to be undertaken for:
 - (i) protecting a matter protected by a provision of Part 3 for which the approval has effect (whether or not the protection is protection from the action); or
 - (ii) repairing or mitigating damage to a matter protected by a provision of Part 3 for which the approval has effect (whether or not the damage may or will be, or has been, caused by the action); and

Section 134

- (ab) conditions requiring a specified financial contribution to be made to a person for the purpose of supporting activities of a kind mentioned in paragraph (aa); and
- (a) conditions relating to any security to be given by the holder of the approval by bond, guarantee or cash deposit:
 - (i) to comply with this Act and the regulations; and
 - (ii) not to contravene a condition attached to the approval; and
 - (iii) to meet any liability of a person whose taking of the action is approved to the Commonwealth for measures taken by the Commonwealth under section 499 (which lets the Commonwealth repair and mitigate damage caused by a contravention of this Act) in relation to the action; and
- (b) conditions requiring the holder of the approval to insure against any specified liability of the holder to the Commonwealth for measures taken by the Commonwealth under section 499 in relation to the approved action; and
- (c) conditions requiring a person taking the action to comply with conditions specified in an instrument (including any kind of authorisation) made or granted under a law of a State or self-governing Territory or another law of the Commonwealth; and
- (d) conditions requiring an environmental audit of the action to be carried out periodically by a person who can be regarded as being independent from any person whose taking of the action is approved; and
- (e) if an election has been made, or is taken to have been made, under section 132B in respect of the approval—conditions requiring:
 - (i) an action management plan to be submitted to the Minister for approval, accompanied by the fee (if any) prescribed by the regulations; and
 - (ii) implementation of the plan so approved; and
- (f) conditions requiring specified environmental monitoring or testing to be carried out; and

Section 134

- (g) conditions requiring compliance with a specified industry standard or code of practice; and
- (h) conditions relating to any alternative proposals in relation to the taking of the action covered by the approval (as permitted by subsection 133(1A)).

This subsection does not limit the kinds of conditions that may be attached to an approval.

Note: Paragraph (e)—an election is taken to have been made if an approval is varied to add a condition requiring an action management plan, see subsection 143(1A).

Certain conditions require consent of holder of approval

- (3A) The following kinds of condition cannot be attached to the approval of an action unless the holder of the approval has consented to the attachment of the condition:
 - (a) a condition referred to in paragraph (3)(aa), if the activities specified in the condition are not reasonably related to the action;
 - (b) a condition referred to in paragraph (3)(ab).
- (3B) If the holder of the approval has given consent, for the purposes of subsection (3A), to the attachment of a condition:
 - (a) the holder cannot withdraw that consent after the condition has been attached to the approval; and
 - (b) any person to whom the approval is later transferred under section 145B is taken to have consented to the attachment of the condition, and cannot withdraw that consent.

Conditions attached under paragraph (3)(c)

- (3C) A condition attached to an approval under paragraph (3)(c) may require a person taking the action to comply with conditions specified in an instrument of a kind referred to in that paragraph:
 - (a) as in force at a particular time; or
 - (b) as is in force or existing from time to time;even if the instrument does not yet exist at the time the approval takes effect.

Section 134

Conditions attached under paragraph (3)(e)

- (3D) When making a decision whether to approve an action management plan, if the Minister believes on reasonable grounds that the Minister does not have enough information to make a decision, the Minister may request the holder of the approval to provide specified information relevant to making the decision.

Considerations in deciding on condition

- (4) In deciding whether to attach a condition to an approval, the Minister must consider:
- (a) any relevant conditions that have been imposed, or the Minister considers are likely to be imposed, under a law of a State or self-governing Territory or another law of the Commonwealth on the taking of the action; and
 - (aa) information provided by the person proposing to take the action or by the designated proponent of the action; and
 - (b) the desirability of ensuring as far as practicable that the condition is a cost-effective means for the Commonwealth and a person taking the action to achieve the object of the condition.

Effect of conditions requiring compliance with conditions specified in another instrument

- (4A) If:
- (a) a condition (the **principal condition**) attached to an approval under paragraph (3)(c) requires a person taking the action to comply with conditions (the **other conditions**) specified in an instrument of a kind referred to in that paragraph; and
 - (b) the other conditions are in excess of the power conferred by subsection (1);
- the principal condition is taken to require the person to comply with the other conditions only to the extent that they are not in excess of that power.

Section 134A

Validity of decision

- (5) A failure to consider information as required by paragraph (4)(aa) does not invalidate a decision about attaching a condition to the approval.

134A Inviting public comment before approving action management plan

- (1) Before approving an action management plan, the Minister may publish:
- (a) the plan; and
 - (b) an invitation for anyone to give the Minister, within 11 business days, written comments on the plan.
- (2) The regulations may provide for requirements relating to the way the Minister must publish the plan and invitation to comment.

135 Certain approvals and conditions must not give preference

- (1) This section deals with the approval:
- (a) for the purposes of section 21 or 22A of a nuclear action:
 - (i) by a person for the purposes of trade or commerce between Australia and another country or between 2 States; or
 - (ii) by a constitutional corporation; or
 - (b) for the purposes of section 25 of an action that is prescribed for the purposes of subsection 25(1) and is taken:
 - (i) by a person for the purposes of trade or commerce between Australia and another country or between 2 States; or
 - (ii) by a constitutional corporation.
- (2) The Minister must not grant the approval, or attach a condition to the approval, that has the effect of giving preference (within the meaning of section 99 of the Constitution) to one State or part of a State over another State or part of a State.

Section 135A

135A Publication of recommendation reports

- (1) This section applies in relation to the following reports:

 - (ii) a conditionally exempt document under section 47C of that Act (deliberative processes) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
 - (b) the Secretary is satisfied is commercial-in-confidence.
- (5) The Secretary must not be satisfied that a part of the report is commercial-in-confidence unless a person demonstrates to the Secretary that:
 - (a) release of the information in that part would cause competitive detriment to the person; and
 - (b) the information in that part is not in the public domain; and

Section 136

- (c) the information in that part is not required to be disclosed under another law of the Commonwealth, a State or a Territory; and

- (1A) If, under paragraph (1)(c), the holder of an approval agrees to conditions mentioned in paragraph 134(3)(e) (about an action management plan) being added and attached to the approval, the holder is taken to have made an election under section 132B before the approval was granted.
- (1B) The holder of an approval may request the Minister, in writing, to vary a condition attached to an approval of an action.
- (2) The Minister may, by written instrument, revoke any condition (other than the condition referred to in subsection 134(1A)) attached to an approval under this Part of an action if the Minister is satisfied that the condition is not needed to protect any matter protected by a provision of Part 3 for which the approval has effect.
- (3) In deciding whether or not to revoke, vary or add to any conditions attached to the approval of the taking of an action by a person, the Minister may have regard to:
 - (a) the person's history in relation to environmental matters; and
 - (b) if the person is a body corporate—the history of its executive officers in relation to environmental matters; and
 - (c) if the person is a body corporate that is a subsidiary of another body or company (the *parent body*)—the history in relation to environmental matters of the parent body and its executive officers.
- (4) The revocation, variation or addition takes effect on the day specified in the instrument. The Minister must not specify a day earlier than the day the instrument is made.
- (5) As soon as possible after making the instrument, the Minister must:

Section 143A

- (a) give a copy of it to the holder of the approval; and
- (b) publish the instrument in accordance with the regulations.

Note: If the holder is not satisfied with changed conditions attached to the approval of the holder's action, he or she can ask the Minister to reverse the change by making another change to the conditions under this section.

- (6) However, the Minister must not publish so much of the instrument as:

- (a) is:
 - (i) an exempt document under section 47 of the *Freedom of Information Act 1982* (trade secrets etc.); or
 - (ii) a conditionally exempt document under section 47G of that Act (business documents) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
- (b) the Minister believes it is in the national interest not to publish.

The Minister may consider the defence or security of the Commonwealth when determining what is in the national interest. This does not limit the matters the Minister may consider.

143A Variation of action management plan

Written application required

- (1) If an action management plan is a condition of an approval of an action, the holder of the approval may, at any time, apply to the Minister for a variation of the action management plan.
- (2) An application for a variation must be:
 - (a) in writing; and
 - (b) accompanied by:
 - (i) any information or documents required by the regulations; and
 - (ii) the application fee (if any) prescribed by the regulations.

Section 144

Minister may approve a variation of action management plan

- (3) The Minister may approve a variation to an action management plan if requested to do so.
- (4) When making a decision whether to vary an action management plan, if the Minister believes on reasonable grounds that the application does not include enough information, the Minister may request the applicant to provide specified information relevant to making the decision.
- (5) If the holder of an approval applies for a variation of an action management plan, the Minister must notify the person, in writing, of the Minister's decision.

144 Suspension of approval

- (1) The Minister may, by written instrument, suspend the effect of an approval under this Part for the purposes of a specified provision of Part 3 for a specified period (which must not start before the day on which the instrument is made) if the Minister believes on reasonable grounds that:
 - (a) a significant impact on the matter protected by the provision has occurred because of the contravention of a condition attached to the approval; or
 - (b) the conditions specified in subsection (2) are satisfied.
- (2) The conditions are that:
 - (a) the action has had, or the Minister believes that the action will have, a significant impact that was not identified in assessing the action on a matter protected by a provision of Part 3 for which the approval has effect; and
 - (b) the approval would not have been granted if information that the Minister has about that impact had been available when the decision to approve the action was made.
- (2A) The Minister may, by written instrument, suspend the effect of an approval under this Part for the purposes of a specified provision of

Part 3 for a specified period (which must not start before the day on which the instrument is made) if:

- (a) either:
 - (i) the Minister believes on reasonable grounds that there has been a contravention of a condition attached to the approval; or
 - (ii) if a condition attached to the approval is to the effect that the approval is subject to a thing being done within a particular time—the Minister believes on reasonable grounds that the thing has not been done within that time; and
 - (b) the Minister is satisfied that:
 - (i) the approval would not have been granted without that condition being attached; or
 - (ii) because of the failure to comply with the requirement, the suspension is reasonably necessary to protect a matter protected by a provision of Part 3 for which the approval has effect.
- (3) In deciding whether or not to suspend an approval of the taking of an action by a person, the Minister may have regard to:
- (a) the person's history in relation to environmental matters; and
 - (b) if the person is a body corporate—the history of its executive officers in relation to environmental matters; and
 - (c) if the person is a body corporate that is a subsidiary of another body or company (the *parent body*)—the history in relation to environmental matters of the parent body and its executive officers.
- (4) During the specified period, the specified provision of Part 3 applies as if the Minister had not given the approval.
- (5) As soon as possible after making the instrument, the Minister must:
- (a) give a copy of it to the holder of the approval; and
 - (b) publish the instrument in accordance with the regulations.

Section 145

145 Revocation of approval

- (1) The Minister may, by written instrument, revoke an approval under this Part for the purposes of a specified provision of Part 3 if:
 - (a) a significant impact on the matter protected by the provision has occurred because of the contravention of a condition attached to the approval; or
 - (b) the conditions specified in subsection (2) are satisfied.
- (2) The conditions are that:
 - (a) the action has had, or the Minister believes that the action will have, a significant impact that was not identified in assessing the action on a matter protected by a provision of Part 3 for which the approval has effect; and
 - (b) the approval would not have been granted if information that the Minister has about that impact had been available when the decision to approve the action was made.
- (2A) The Minister may, by written instrument, revoke an approval under this Part of an action for the purposes of a specified provision of Part 3 if he or she believes that:
 - (a) the impacts that the action has had, will have or is likely to have were not accurately identified in information available to the Minister when the approval was given; and
 - (b) the information did not accurately identify those impacts because of negligence or a deliberate act or omission by the person proposing to take the action or the designated proponent of the action.
- (2B) The Minister may, by written instrument, revoke an approval under this Part for the purposes of a specified provision of Part 3 if:
 - (a) either:
 - (i) the Minister believes on reasonable grounds that there has been a contravention of a condition attached to the approval; or
 - (ii) if a condition attached to the approval is to the effect that the approval is subject to a thing being done within a particular time—the Minister believes on reasonable

Section 145A

grounds that the thing has not been done within that time; and

- (b) the Minister is satisfied that:
 - (i) the approval would not have been granted without that condition being attached; or
 - (ii) because of the failure to comply with the requirement, the revocation is reasonably necessary to protect a matter protected by a provision of Part 3 for which the approval has effect.
- (3) In deciding whether or not to revoke an approval of the taking of an action by a person, the Minister may have regard to:
 - (a) the person's history in relation to environmental matters; and
 - (b) if the person is a body corporate—the history of its executive officers in relation to environmental matters; and
 - (c) if the person is a body corporate that is a subsidiary of another body or company (the *parent body*)—the history in relation to environmental matters of the parent body and its executive officers.
- (4) The revocation takes effect on the day specified in the instrument. The Minister must not specify a day earlier than the day the instrument is made.
- (5) As soon as possible after making the instrument, the Minister must:
 - (a) give a copy of it to the person who was the holder of the approval; and
 - (b) publish the instrument in accordance with the regulations.

145A Reinstating suspended or revoked approval

Application

- (1) This section applies if the Minister has, by written instrument:
 - (a) suspended an approval under this Part of the taking of an action by a person; or

Section 145A

- (b) revoked an approval under this Part of the taking of an action by a person.

Requesting reinstatement of approval

- (2) Within 2 months after receiving a copy of the instrument under this Division, the person who was the holder of the approval may request the Minister to reinstate the approval.

Deciding whether to reinstate approval

- (3) Within 20 business days of receiving the request, the Minister must decide whether or not to reinstate the approval.

Considerations for decision

- (4) Subdivision B of Division 1 applies to the decision whether or not to reinstate the approval in the same way as it applies to a decision whether or not to approve the taking of an action.

Extra time for decision

- (5) A day is not to be counted for the purposes of subsection (3) if:
 - (a) the Minister and the person who was the holder of the approval agree in writing that it should not be counted; or
 - (b) the Minister has requested the person to provide information under subsection (6) and the day is on or before the day on which the Minister receives the last of the information requested.

Requesting information for decision

- (6) If the Minister believes on reasonable grounds that he or she does not have enough information to make an informed decision whether or not to reinstate the approval, the Minister may request the person who was the holder of the approval to provide specified information relevant to making the decision.

Section 145A

Reversal of decision to suspend or revoke approval

- (7) If the Minister decides to reinstate the approval, it and any conditions attached to it immediately before the suspension or revocation have effect on and after the day of the decision (subject to any future suspension or revocation under this Division).

Notice of decision about reversal

- (8) The Minister must:
- (a) give the person who was the holder of the approval written notice of the Minister's decision; and
 - (b) publish notice of the decision in accordance with the regulations.

Division 4—Transfer of approvals

145B Transfer with Minister's consent

Transfer by written agreement

- (1) A person (the **transferor**) who is the holder of an approval under this Part for the purposes of a provision of Part 3 may transfer the approval to another person (the **transferee**) by written agreement, subject to the Minister's consent.

Transfer ineffective until Minister consents

- (2) The transfer does not have effect for the purposes of this Act until the Minister consents in writing to the transfer. To avoid doubt, the Minister's consent to a transfer cannot take effect before the Minister gives the consent.

Effect of consent

- (3) If the Minister consents to the transfer:
 - (a) this Act (except Division 3) operates in relation to the transferor as if the Minister had revoked the approval when the Minister's consent took effect; and
 - (b) this Act operates in relation to the transferee as if, when the Minister's consent to the transfer took effect, he or she:
 - (i) had approved under this Part for the purposes of the provision of Part 3 the taking of the action by the transferee; and
 - (ii) had attached to the approval the conditions that were attached to the approval of the taking of the action by the transferor.

Considerations in deciding whether to consent

- (4) In deciding whether or not to consent to the transfer, the Minister may consider:

Section 145B

- (a) whether the transferee would be a suitable person to be granted the approval, having regard to:
 - (i) the transferee's history in relation to environmental matters; and
 - (ii) if the transferee is a body corporate—the history of its executive officers in relation to environmental matters; and
 - (iii) if the transferee is a body corporate that is a subsidiary of another body or company (the *parent body*)—the history in relation to environmental matters of the parent body and its executive officers; and
- (b) whether the transferee can comply with the conditions attached to the approval.

Giving copies of consents to transferor and transferee

- (5) The Minister must give the transferor and the transferee a copy of the consent each.

Section 145C

Division 5—Extension of period of effect of approval

145C Application to Minister to extend period of effect of approval

- (1) Subject to subsection (2), the holder of an approval under this Part may apply, in writing, to the Minister to extend the period (the *approval period*) for which the approval has effect.
- (2) Subsection (1) does not apply if:
 - (a) the approval has been suspended or revoked under this Part and has not been reinstated; or
 - (b) the approval has otherwise ceased to have effect.
- (3) An application under subsection (1) must include the information (if any) prescribed by the regulations.

145D Minister must decide whether or not to extend approval period

- (1) Within 20 business days after receiving an application under subsection 145C(1), the Minister must decide, in writing, whether or not to extend the approval period.

Note: The Minister may request further information for the purpose of making a decision under this subsection. See section 145E.
- (2) The Minister may decide to extend the approval period only if the Minister is satisfied that the extension will not result in a substantial increase in, or substantial change in the nature of, the adverse impacts (if any) the action:
 - (a) has or will have; or
 - (b) is likely to have;on the matter protected by each provision of Part 3 for which the approval has effect.
- (3) In considering the matter referred to in subsection (2), the Minister must consider the following, so far as they are not inconsistent with any other requirement of this Division:

Section 145E

- (a) matters relevant to any matter protected by a provision of Part 3 for which the approval has effect;
 - (b) economic and social matters.
- (4) As soon as possible after deciding whether or not to extend the approval period, the Minister must:
 - (a) give a copy of the decision to the holder of the approval; and
 - (b) if the decision is to extend the approval period—publish the decision in accordance with the regulations.

145E Minister may request further information for making decision

- (1) If the Minister believes on reasonable grounds that he or she does not have enough information to decide whether or not to extend the approval period, the Minister may request the holder of the approval to provide specified information relevant to making the decision.
- (2) If the Minister has requested more information under subsection (1), a day is not to be counted as a business day for the purposes of subsection 145D(1) if it is:
 - (a) on or after the day the Minister requested the information; and
 - (b) on or before the day on which the Minister receives the last of the information requested.

Part 10—Strategic assessments

Division 1—Strategic assessments generally

Subdivision A—Assessment of actions to be taken in accordance with policy, plan or program

146 Minister may agree on strategic assessment

- (1) The Minister may agree in writing with a person responsible for the adoption or implementation of a policy, plan or program that an assessment be made of the impacts of actions under the policy, plan or program on a matter protected by a provision of Part 3.
- (1A) The agreement may also provide for the assessment of other certain and likely impacts of actions under the policy, plan or program if:
 - (a) the actions are to be taken in a State or self-governing Territory; and
 - (b) the appropriate Minister of the State or Territory has asked the Minister administering this section to ensure that the assessment deal with those other impacts to help the State or Territory, or an agency of the State or Territory, make decisions about the actions; and
 - (c) the actions:
 - (i) are to be taken by any person for the purposes of trade or commerce between Australia and another country, between 2 States, between a State and a Territory or between 2 Territories or by a constitutional corporation; or
 - (ii) are actions whose regulation is appropriate and adapted to give effect to Australia's obligation under an agreement with one or more other countries.

Note: Paragraph (1A)(a) also applies to actions to be taken in an area offshore from a State or the Northern Territory. See section 157.

- (1B) The agreement must provide for:

Section 146

- (a) the preparation of terms of reference for a report on the impacts to which the agreement relates; or
 - (b) all of the following:
 - (i) the preparation of draft terms of reference for a report on the impacts to which the agreement relates;
 - (ii) the publication of the draft terms of reference for public comment for a period of at least 28 days that is specified by the Minister;
 - (iii) the finalisation of the terms of reference, to the Minister's satisfaction, taking into account the comments (if any) received on the draft terms of reference.
- (2) The agreement must provide for:
- (a) the preparation of a draft of a report on the impacts to which the agreement relates; and
 - (b) the publication of the draft report for public comment for a period of at least 28 days that is specified by the Minister; and
 - (c) the finalisation of the report, taking into account the comments (if any) received after publication of the draft report; and
 - (d) the provision of the report to the Minister; and
 - (e) the making of recommendations by the Minister to the person about the policy, plan or program (including recommendations for modification of the policy, plan or program); and
 - (f) the endorsement of the policy, plan or program by the Minister if he or she is satisfied that:
 - (i) the report adequately addresses the impacts to which the agreement relates; and
 - (ii) either the recommended modifications of the policy, plan or program (if any) have been made or any modifications having the same effect have been made; and
 - (g) any other matter prescribed by the regulations.

Section 146A

Note 1: If the impacts of actions under a policy, plan or program are assessed under an agreement under this Part, the Minister may decide on a less onerous approach for an assessment relating to an individual action under the policy, plan or program. See section 87.

Note 2: If the Minister endorses a policy, plan or program embodied in a management arrangement or an authorisation process, the Minister may declare under section 33, or make a bilateral agreement declaring, that actions approved in accordance with the management arrangement or authorisation process do not need approval for the purposes of a specified provision of Part 3.

- (3) If the agreement relates to actions to be taken in a State or self-governing Territory, the Minister must tell the appropriate Minister of the State or Territory:
- (a) that the agreement has been made; and
 - (b) what those actions are (in general terms).

Subdivision B—Approval of taking of actions in accordance with endorsed policy, plan or program

146A Definition

In this Subdivision and Subdivision C:

endorsed policy, plan or program means a policy, plan or program that has been endorsed by the Minister in accordance with an agreement as mentioned in paragraph 146(2)(f).

146B Minister may approve taking of actions in accordance with endorsed policy, plan or program

- (1) Subject to Subdivision C, the Minister may approve the taking of an action or a class of actions in accordance with an endorsed policy, plan or program.

Note: Subdivision C sets out matters that the Minister must take into account in deciding whether or not to approve the taking of an action or a class of actions in accordance with an endorsed policy, plan or program.

- (2) An approval of the taking of an action or a class of actions in accordance with an endorsed policy, plan or program must:

Section 146B

- (a) be in writing; and
 - (b) specify the action or class of actions that may be taken in accordance with the endorsed policy, plan or program; and
 - (c) specify each provision of Part 3 for which the approval has effect; and
 - (d) specify the period for which the approval has effect; and
 - (e) set out the conditions attached to the approval.
- (2A) An approval of the taking of an action or a class of actions in accordance with an endorsed policy, plan or program may specify the person or persons who may take the action or an action in the class of actions.
- (3) The Minister must:
 - (a) give a copy of the approval to the person responsible for the adoption or implementation of the endorsed policy, plan or program; and
 - (b) provide a copy of the approval to a person who asks for it (either at no charge or for a reasonable charge determined by the Minister).
- (4) However, the Minister must not provide under subsection (3) a copy of so much of the approval as:
 - (a) is:
 - (i) an exempt document under section 47 of the *Freedom of Information Act 1982* (trade secrets); or
 - (ii) a conditionally exempt document under section 47G of that Act (business documents) to which access would, on balance, be contrary to the public interest for the purposes of subsection 11A(5) of that Act; or
 - (b) the Minister believes it is in the national interest not to provide.

The Minister may consider the defence or security of the Commonwealth when determining what is in the national interest. This does not limit the matters the Minister may consider.

Section 146C

- (5) An approval given under subsection (1) is not a legislative instrument.

146C Inviting comments from other Ministers before deciding whether or not to approve taking of actions in accordance with endorsed policy, plan or program

- (1) Before the Minister (the *Environment Minister*) decides whether or not to approve the taking of an action or a class of actions in accordance with an endorsed policy, plan or program, he or she must:
- (a) inform any other Minister whom the Environment Minister believes has administrative responsibilities relating to the action or class of actions of the decision the Environment Minister proposes to make; and
 - (b) invite each Minister informed to give the Environment Minister, within 10 business days, comments on the proposed decision.
- (2) A Minister who is invited to comment may make comments:
- (a) that relate to economic and social matters relating to the action or class of actions to which the proposed decision relates; and
 - (b) that may be considered by the Environment Minister consistently with the principles of ecologically sustainable development.

This does not limit the comments such a Minister may give.

146D Effect of approval of taking of actions in accordance with endorsed policy, plan or program

- (1) If an approval under section 146B is in force, the following provisions have effect:
- (a) the Minister is taken to have decided under Division 2 of Part 7 that:
 - (i) each action specified in the approval under paragraph 146B(2)(b), or each action in a class of

Section 146D

actions specified in the approval under that paragraph, is a controlled action; and

- (ii) each provision of Part 3 specified in the approval under paragraph 146B(2)(c) is a controlling provision for each such controlled action;
- (b) the Minister is taken to have approved under Part 9, for the purposes of each controlling provision for each controlled action, the taking of the action by any of the following:
 - (i) the person or persons (if any) specified in the approval under subsection 146B(2A) as the person or persons who may take the action;
 - (ii) any other person who may take the action in accordance with the endorsed policy, plan or program.
- (2) Parts 7 and 8 and paragraph 170A(c) do not apply in relation to an action if an approval of the taking of the action, or an approval of the taking of a class of actions that includes the action, in accordance with an endorsed policy, plan or program is in force under section 146B.
- (3) Subject to subsection (4), section 134 and Divisions 2, 3 and 4 of Part 9 apply in relation to an approval of the taking of an action that is taken to have been given under Part 9 because of paragraph (1)(b).

Note: Section 134 deals with conditions of approvals, Division 2 of Part 9 deals with compliance with conditions, Division 3 of Part 9 deals with variation of conditions and suspension and revocation of approvals and Division 4 of Part 9 deals with transfer of approvals.
- (4) Subsection 145A(4) applies in relation to a decision whether or not to reinstate an approval of the taking of an action that is taken to have been given under Part 9 because of paragraph (1)(b), as if:
 - (a) the reference to Subdivision B of Division 1 of Part 9 were a reference to Subdivision C of this Division; and
 - (b) the reference to a decision whether or not to approve the taking of an action were a reference to a decision whether or not to approve, under this Subdivision, the taking of an action in accordance with an endorsed policy, plan or program.

If the approval relates to a declared Ramsar wetland, the Minister must not act inconsistently with Australia's obligations under the Ramsar Convention.

146K Approvals relating to listed threatened species and ecological communities

- (1) This section applies if the approval relates to a listed threatened species or a listed threatened ecological community.
- (2) The Minister must not act inconsistently with:

- (2) Paragraph (1)(b) does not apply to a naval nuclear propulsion plant related to use in a conventionally-armed, nuclear-powered submarine.

Division 2—Assessment of Commonwealth-managed fisheries

147 Simplified outline of this Division

The following is a simplified outline of this Division:

The Australian Fisheries Management Authority must make agreements under Division 1 for the assessment of actions in fisheries managed under the *Fisheries Management Act 1991*. An agreement must be made whenever it is proposed to make a management plan or a determination not to have a plan. An agreement must be made within 5 years of the commencement of this Act for all fisheries that did not have plans at that commencement.

The Minister administering the *Torres Strait Fisheries Act 1984* must make agreements under Division 1 for the assessment of actions permitted by policies or plans for managing fishing in Torres Strait. All policies or plans must be covered by an agreement within 5 years after the commencement of this Act.

A further agreement for assessment must be made if the impact of the actions is significantly greater than assessed under an earlier agreement.

If the Minister endorses a policy or plan assessed under an agreement under Division 1, the Minister must make a declaration that actions under the policy or plan do not need approval under Part 9 for the purposes of section 23 or 24A (which protect the marine environment).

Section 148

148 Assessment before management plan is determined

Plans under the Fisheries Management Act 1991

- (1) Before the Australian Fisheries Management Authority determines a plan of management for a fishery under section 17 of the *Fisheries Management Act 1991*, the Authority must:
 - (a) make an agreement with the Minister under section 146 for assessment of the impacts of actions under the plan on each matter protected by a provision of Part 3; and
 - (b) consider any recommendations made by the Minister under the agreement.

Plans under the Torres Strait Fisheries Act 1984

- (2) Before the Minister administering the *Torres Strait Fisheries Act 1984* determines a plan of management for a fishery under section 15A of that Act, he or she must:
 - (a) make an agreement under section 146 with the Minister (the **Environment Minister**) administering this section for assessment of the impacts of actions under the plan on each matter protected by a provision of Part 3; and
 - (b) consider any recommendations made by the Environment Minister under the agreement.

149 Assessment before determination that no plan required

Before the Australian Fisheries Management Authority determines under subsection 17(1A) of the *Fisheries Management Act 1991* that a plan of management is not warranted for a fishery, the Authority must:

- (a) make an agreement with the Minister under section 146 for assessment of the impacts of actions on each matter protected by a provision of Part 3, being actions permitted under the Authority's policy for managing the fishery; and
- (b) consider any recommendations made by the Minister under the agreement.

150 Assessment of all fisheries without plans must be started within 5 years

Fisheries managed under the Fisheries Management Act 1991

- (1) This section applies to fisheries (as defined in the *Fisheries Management Act 1991*):
 - (a) that are managed under that Act (whether as a result of arrangements under section 71 or 72 of that Act or not); and
 - (b) for which there were not plans of management in force under that Act when this Act commenced.

Two-thirds of fisheries to be covered by agreements in 3 years

- (2) Before the day that is the third anniversary of this Act commencing, the Australian Fisheries Management Authority must make agreements with the Minister under section 146 for assessment of the impacts of actions on each matter protected by a provision of Part 3, being actions that are permitted under the Authority's policies for managing at least $\frac{2}{3}$ of the fisheries.

All fisheries to be covered by agreements in 5 years

- (3) Before the day that is the fifth anniversary of this Act commencing, the Australian Fisheries Management Authority must make agreements with the Minister under section 146 for assessment of the impacts of actions on each matter protected by a provision of Part 3, being actions that are permitted under the Authority's policies for managing the fisheries.

Agreement not needed if fishery already subject to agreement

- (4) However, subsection (3) does not require another agreement to be made in relation to a fishery if an agreement relating to the fishery has been made, before the day mentioned in that subsection, by the Authority and the Minister under section 146 because of subsection 148(1) or section 149.

Section 151

Policies for all actions to be covered by agreements in 5 years

- (2) Before the day that is the fifth anniversary of this Act commencing, the Minister administering the *Torres Strait Fisheries Act 1984* must make agreements under section 146 with the Minister administering this section for assessment of the impacts of the actions on each matter protected by a provision of Part 3, being actions that are permitted by policies under that Act.

Agreement not needed if fishery already subject to agreement

- (3) However, subsection (2) does not require another agreement to be made in relation to actions if an agreement covering them has been made under section 146, before the day mentioned in that subsection, by the Ministers mentioned in that subsection because of subsection 148(2).

152 Further assessment if impacts greater than previously assessed

Application

- (1) This section applies if the Minister (the *Environment Minister*) and the Minister administering the *Fisheries Management Act 1991* agree that the impacts that actions:
- (a) included in a fishery managed under that Act; or

(b) permitted under a policy or plan for managing fishing (as defined in the *Torres Strait Fisheries Act 1984*) in an area of Australian jurisdiction (as defined in that Act);
have, will have or are likely to have on a matter protected by a provision of Part 3 are significantly greater than the impacts identified in the most recent report provided to the Environment Minister under an agreement made under section 146 relating to the fishery, policy or plan.

Further assessment for management arrangements under the Fisheries Management Act 1991

- (2) The Australian Fisheries Management Authority must make another agreement with the Minister under section 146 in relation to the Authority's policy for managing the fishery.

Further assessment for policy or plan for Torres Strait fishing

 - (i) a plan of management under the *Fisheries Management Act 1991* for a fishery; or
 - (ii) policies of the Australian Fisheries Management Authority for managing a fishery for which there is not a plan of management under the *Fisheries Management Act 1991*; or
 - (iii) a plan of management under the *Torres Strait Fisheries Act 1984* for a fishery; or

Section 154

- (iv) policies for managing fishing under the *Torres Strait Fisheries Act 1984*; and
 - (b) the Minister accredits, under subsection 33(3) of this Act, as an accredited arrangement a management plan or regime consisting of the endorsed plan or policies.
- (2) The Minister must make a declaration under section 33 that actions approved in accordance with the accredited arrangement do not require an approval under Part 9 for the purposes of subsection 23(1), (2) or (3) or subsection 24A(1), (2), (3), (4), (5) or (6).

Note: The declaration and accreditation will allow actions that would otherwise be prohibited by sections 23 and 24A to be taken without approval if they are taken in accordance with the accredited arrangement. See section 32.

154 This Division does not limit Division 1

This Division does not limit Division 1.

Part 11—Miscellaneous rules about assessments and approvals

Division 1—Rules about timing

155 This Chapter ceases to apply to lapsed proposals

- (1) If:
- (a) a person who proposes to take a controlled action or is the designated proponent of an action is required or requested under this Chapter to do something; and
 - (b) the person does not do the thing within a period that the Minister believes is a reasonable period;
- the Minister may give the person a written notice inviting the person to satisfy the Minister within a specified reasonable period that assessment of the action should continue or that the Minister should make a decision about approving the action.
- Note: Sections 28A and 29 of the *Acts Interpretation Act 1901* explain how documents may be served and when they are taken to be served.
- (2) If, by the end of the specified period, the person fails to satisfy the Minister that assessment of the action should continue or that the Minister should make a decision about approving the action, the Minister may declare in writing that this Chapter no longer applies to the action.
- (3) This Chapter (apart from this section) ceases to apply in relation to the action on the date specified in the declaration. The Minister must not specify a date earlier than the date of making of the declaration.
- (4) The Minister must:
- (a) give a copy of the declaration to the person and to the Secretary; and
 - (b) publish the declaration in accordance with the regulations.

Section 156

156 General rules about time limits

- (1) If this Chapter specifies a time limit in business days in relation to a controlled action (or an action that the Minister believes may be or is a controlled action), the limit is to be worked out by reference to what is a business day in the place where the action is to be taken.
- (2) A day is not to be counted as a business day for the purposes of subsection (1) if it is not a business day in all the places in which the action is to be taken.
- (3) Failure to comply with a time limit set in this Chapter does not affect the validity of:
 - (a) a decision under this Chapter; or
 - (b) an assessment or approval under this Chapter.

Note: The Minister must make a statement to Parliament about some failures to comply with time limits. See section 518.

Division 1A—Variation of proposals to take actions

156A Request to vary proposal to take an action

- (1) If:
- (a) a proposal (the *original proposal*) by a person to take an action has been referred to the Minister under Division 1 of Part 7; and
 - (b) after the referral is made, the person wishes to change the original proposal;
- the person may, subject to subsection (2), request the Minister to accept a variation (a *varied proposal*) of the original proposal.
- (2) Subsection (1) does not apply if:
- (a) the Minister has made a decision under section 74A to not accept the referral of the original proposal; or
 - (b) the Minister has made a decision under section 75 that the proposed action is not a controlled action; or
 - (c) a particular manner for taking the proposed action is identified under subsection 77A(1) in the notice given under section 77 in relation to the action; or
 - (d) the Minister has made a decision under section 133 approving or refusing to approve the taking of the proposed action; or
 - (e) the referral of the original proposal has been withdrawn under section 170C.
- (3) A request under subsection (1) must:
- (a) be made in a way prescribed by the regulations; and
 - (b) include the information prescribed by the regulations.
- (4) If a request is made under subsection (1), any provisions of this Chapter that would, apart from this subsection, have applied in relation to the original proposal cease to apply to that proposal.

Note: Provisions that have ceased to apply in relation to the original proposal under subsection (4) will start to apply to that proposal, or to

Section 156B

the varied proposal, after the Minister has decided whether or not to accept the varied proposal. See section 156D.

156B Minister must decide whether or not to accept a varied proposal

- (1) Within 20 business days after receiving a request under subsection 156A(1) to accept a varied proposal to take an action, the Minister must decide whether or not to accept the varied proposal.

Note: The Minister may request further information for the purpose of making a decision under this subsection. See section 156C.
- (2) The Minister must not decide to accept the varied proposal unless the Minister is satisfied that the character of the varied proposal is substantially the same as the character of the original proposal. This subsection does not limit the matters the Minister may consider in deciding whether or not to accept the varied proposal.
- (3) In considering, for the purposes of subsection (2), whether or not the character of the varied proposal is substantially the same as the character of the original proposal, the Minister must have regard to the change (if any) in:
 - (a) the nature of the activities proposed to be carried out in taking the action; and
 - (b) the nature and extent of the impacts (if any) the action:
 - (i) has or will have; or
 - (ii) is likely to have;on the matter protected by each provision of Part 3.

156C Minister may request further information in relation to a varied proposal

- (1) If the Minister believes on reasonable grounds that a request under subsection 156A(1) to accept a varied proposal to take an action does not include enough information for the Minister to decide whether or not to accept the varied proposal, the Minister may

Section 156D

request the person proposing to take the action to provide specified information relevant to making the decision.

- (2) If the Minister has requested more information under subsection (1), a day is not to be counted as a business day for the purposes of subsection 156B(1) if it is:
- (a) on or after the day the Minister requested the information; and
 - (b) on or before the day on which the Minister receives the last of the information requested.

156D Effect of Minister's decision to accept or not accept a varied proposal

- (1) If the Minister decides to accept a varied proposal to take an action:
- (a) any provisions of this Chapter that, because of subsection 156A(4), have ceased to apply in relation to the original proposal start to apply in relation to the varied proposal; and
 - (b) for the purpose of the application of those provisions, anything done in relation to the original proposal is taken to have been done in relation to the varied proposal.
- (2) If the Minister decides not to accept a varied proposal to take an action, any provisions of this Chapter that, because of subsection 156A(4), have ceased to apply in relation to the original proposal start to apply in relation to that proposal.
- (3) For the purpose of the application of the provisions of this Chapter in relation to the varied proposal under subsection (1), or in relation to the original proposal under subsection (2), a day is not to be counted as a business day if it is:
- (a) on or after the day the Minister received the request under subsection 156A(1) to accept the varied proposal; and
 - (b) on or before the day the Minister made the decision under subsection 156B(1).

Section 156E

156E Notice of decision

- (1) Within 10 business days after deciding under subsection 156B(1) whether or not to accept a varied proposal to take an action, the Minister must give written notice of the decision to:
 - (a) the person proposing to take the action; and
 - (b) the designated proponent of the action (if the designated proponent of the action is not the person proposing to take the action).
- (2) If:
 - (a) the request to accept the varied proposal related to an action that is to be taken in a State or self-governing Territory; and
 - (b) a controlling provision for the action is in Division 1 of Part 3 (which deals with matters of national environmental significance); and
 - (c) the Minister decided to accept the varied proposal;the Minister must also, within the period referred to in subsection (1), give written notice of the decision to the appropriate Minister of the State or Territory.
- (3) If the Minister decided to accept the varied proposal, the Minister must, within the period referred to in subsection (1), publish the request to accept the varied proposal and notice of the decision in accordance with the regulations.

Division 1B—Change of person proposing to take action

156F Change of person proposing to take action

Notice of change of person proposing to take action

 - (b) before the Minister has approved, or refused to approve, the taking of the action under section 133;
- the person (the **first person**) proposing to take the action and another person (the **second person**) may notify the Minister, in writing, that:
- (c) the first person no longer proposes to take the action; and
 - (d) the second person proposes to take the action instead.

Note: A person who is the holder of an approval under Part 9 may transfer the approval to another person under section 145B.

Section 156F

- (b) be accompanied by the fee (if any) prescribed by the regulations.

Effect of notice

- (4) If a notice is given to the Minister under subsection (1):
 - (a) any provisions of this Chapter that, apart from this paragraph, would have applied to the first person in relation to the action cease to apply to that person and start to apply to the second person; and
 - (b) for the purposes of the application of those provisions:
 - (i) the second person is taken to be named in the referral of the proposal to take the action as the person proposing to take the action; and
 - (ii) the second person is taken to have done anything the first person did in relation to the action; and
 - (iii) anything done in relation to the first person in relation to the action is taken to have been done in relation to the second person.

Publication of notice

- (5) Within 10 business days after receiving a notice under subsection (1), the Minister must publish a copy of the notice in accordance with the regulations.

Division 2—Actions in area offshore from a State or the Northern Territory

157 Actions treated as though they were in a State or the Northern Territory

- (1) A provision of this Chapter that is expressed to apply in relation to actions taken or to be taken in a State also applies in the same way to actions taken or to be taken on, under or over the seabed vested in the State by section 4 of the *Coastal Waters (State Title) Act 1980*.
- (2) So far as a provision of this Chapter that is expressed to apply in relation to actions taken or to be taken in a self-governing Territory relates to the Northern Territory, the provision also applies in the same way to actions taken or to be taken on, under or over the seabed vested in the Northern Territory by section 4 of the *Coastal Waters (Northern Territory Title) Act 1980*.

Division 3—Exemptions

158 Exemptions from Part 3 and this Chapter

- (1) A person proposing to take a controlled action, or the designated proponent of an action, may apply in writing to the Minister for an exemption from a specified provision of Part 3 or of this Chapter.
- (2) The Minister must decide within 20 business days of receiving the application whether or not to grant the exemption.
- (3) The Minister may, by written notice, exempt a specified person from the application of a specified provision of Part 3 or of this Chapter in relation to a specified action.
- (4) The Minister may do so only if he or she is satisfied that it is in the national interest that the provision not apply in relation to the person or the action.
- (5) In determining the national interest, the Minister may consider Australia's defence or security or a national emergency, including an emergency to which a national emergency declaration (within the meaning of the *National Emergency Declaration Act 2020*) relates. This does not limit the matters the Minister may consider.
- (6) A provision specified in the notice does not apply in relation to the specified person or action on or after the day specified in the notice. The Minister must not specify a day earlier than the day the notice is made.
- (7) Within 10 business days after making the notice, the Minister must:

Section 158A

- (5) This section has effect despite any other provision of this Act and despite any other law.

Division 4—Application of Chapter to actions that are not controlled actions

Subdivision A—Minister’s advice on authorising actions

159 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

A Commonwealth agency or employee must consider advice from the Minister before authorising one of the following actions with a significant impact on the environment:

- (a) providing foreign aid;
- (b) managing aircraft operations in airspace;
- (c) adopting or implementing a major development plan for an airport;
- (d) an action prescribed by the regulations.

The agency or employee must inform the Minister of the proposal to authorise the action.

The environmental impacts of the action must be assessed in accordance with a declaration made by the Minister accrediting a Commonwealth assessment process, or by one of the following methods chosen by the Minister:

- (a) a specially accredited process;
- (aa) an assessment on referral information under Division 3A;
- (b) an assessment on preliminary documentation under Division 4 of Part 8;
- (c) a public environment report under Division 5 of Part 8;
- (d) an environmental impact statement under Division 6 of Part 8;
- (e) an inquiry under Division 7 of Part 8.

The Minister must give the agency or employee advice on protecting the environment from the action, within 30 days of receiving the report of the assessment.

160 Requirement to take account of Minister's advice

Requirement

- (1) Before a Commonwealth agency or employee of the Commonwealth gives an authorisation (however described) of an action described in subsection (2), the agency or employee must obtain and consider advice from the Minister in accordance with this Subdivision.

Note: The giving of an authorisation for an action may be constituted by the renewal of an authorisation of the action or the variation of an authorisation for a different action.

Minister may decide advice is not required

- (1A) Subsection (1) does not apply in relation to an authorisation of an action if:
- (a) the agency or employee has referred a proposal to give the authorisation to the Minister under subsection 161(1); and
 - (b) the Minister has decided under subsection 161A(1) that this Subdivision does not apply in relation to the referral or the action.

Relevant actions

- (2) Subsection (1) applies in relation to:
- (a) the entry by the Commonwealth, under Australia's foreign aid program, into a contract, agreement or arrangement for the implementation of a project that has, will have or is likely to have a significant impact on the environment anywhere in the world; and
 - (b) the adoption or implementation of a plan for aviation airspace management involving aircraft operations that have,

Section 160

will have or are likely to have a significant impact on the environment; and

- (c) the adoption or implementation of a major development plan (as defined in the *Airports Act 1996*); and
- (d) any other action prescribed by the regulations for the purposes of this paragraph.

(2A) Regulations may prescribe an action for the purposes of paragraph (2)(d):

- (a) partly by reference to the action's having, or being likely to have, a significant impact on the environment; or
- (b) partly by reference to a specified person believing that the action has, will have or is likely to have a significant impact on the environment; or
- (c) wholly or partly by reference to legislation under which the authorisation of the action is to be granted.

This does not limit the ways in which regulations may prescribe an action.

This section does not apply to actions like those already assessed

- (3) Subsection (1) does not apply in relation to a particular authorisation (the **later authorisation**) if the agency or employee has complied with, or is complying with, this Subdivision in relation to another authorisation or proposed authorisation and is satisfied of one or both of the matters in subsection (4).

Which actions are like actions?

- (4) For the purposes of subsection (3), the agency or employee must be satisfied that:
 - (a) the Minister's advice relating to the other authorisation deals or will deal with all the impacts that the action to which the later authorisation relates has, will have or is likely to have on the environment; or
 - (b) the impacts that the action to which the later authorisation relates has, will have or is likely to have on the environment:

- (i) are an extension of the corresponding impacts of the action to which the other authorisation relates; and
- (ii) are not significantly different in nature from those corresponding impacts; and
- (iii) do not significantly add to those corresponding impacts.

State law excluded in relation to aviation

- (5) A law of a State or Territory does not apply in relation to the assessment of the certain or likely environmental impacts of an action described in paragraph (2)(b) if subsection (1) applies in relation to authorisation of the action, or would apply apart from subsection (3).

161 Seeking the Minister's advice

Requirement for referral

- (1) If a Commonwealth agency or employee of the Commonwealth proposing to give an authorisation (however described) of an action thinks the agency or employee is required by section 160 (disregarding subsection 160(1A)) to obtain and consider the Minister's advice before giving the authorisation, the agency or employee must:
 - (a) refer the proposal to the Minister; and
 - (b) nominate a person to act as designated proponent of the action.

Minister may request referral

- (2) The Minister may request a Commonwealth agency or employee of the Commonwealth to:
 - (a) refer to the Minister a proposal to give an authorisation (however described) of an action; and
 - (b) nominate a person to act as designated proponent of the action;

Section 161A

if the Minister thinks the agency or employee is required by section 160 (disregarding subsection 160(1A)) to obtain and consider the Minister's advice before giving the authorisation.

Complying with Minister's request

- (3) The Commonwealth agency or employee must comply with the Minister's request.

Content of referral

- (4) A referral must include the information prescribed by the regulations.

161A Minister may decide that advice is not required

- (1) If:
- (a) the Minister receives a referral under subsection 161(1) of a proposal by a Commonwealth agency or employee of the Commonwealth to give an authorisation of an action; and
 - (b) the Minister is satisfied, on the basis of the information in the referral, that the action does not have, will not have or is not likely to have a significant impact on the environment;
- the Minister may decide, in writing, that this Subdivision does not apply in relation to the referral or the action.
- (2) If the Minister decides that this Subdivision does not apply in relation to the referral or the action, this Act (other than Divisions 2 and 3 of Part 7) applies as if the Minister had decided under Division 2 of Part 7 that the action is not a controlled action.
- (3) If the Minister decides that this Subdivision does not apply in relation to the referral or the action, the Minister must:
- (a) give written notice of the decision to the agency or employee who referred the proposal to give an authorisation of the action; and
 - (b) publish notice of the decision in accordance with the regulations.

161B Certain provisions of other Acts not to apply if Minister decides that advice is not required

- (1) This section applies in relation to a provision of another Act that is expressed to apply if:
 - (a) the advice of the Minister is sought under this Subdivision in relation to a proposal to give an authorisation (however described) of an action; or
 - (b) a proposal to give an authorisation (however described) of an action is referred to the Minister under this Subdivision.
- (2) The provision does not apply in relation to an action if:
 - (a) a proposal to give an authorisation (however described) of the action has been referred to the Minister under section 161; and
 - (b) the Minister has decided under section 161A that this Subdivision does not apply in relation to the referral or the action.

Note: See, for example, subsections 94(6A) and 95(3A) of the *Airports Act 1996*.

162 Assessment of the action

Part 8 (except sections 82, 83 and 84) and the other provisions of this Act (so far as they relate to that Part) apply in relation to the action proposed to be authorised as if:

- (a) the referral of the proposal to give the authorisation were a referral of a proposal to take the action; and
- (b) the Minister had decided under Division 2 of Part 7 that the action was a controlled action when the proposal to give the authorisation was referred to the Minister; and
- (c) the person nominated to act as the designated proponent had been designated as the proponent of the action by the Minister under section 75; and
- (d) a reference in Part 8 or those provisions to the relevant impacts of the action were a reference to the impact that the

Section 163

action has, will have or is likely to have on the environment;
and

- (e) a reference in Part 8 or those provisions to making an informed decision on approving under Part 9 (for the purposes of each controlling provision) the taking of the action were a reference to giving informed advice about the proposal to give an authorisation of the action.

163 Providing advice

- (1) The Minister must give advice on the following matters to the Commonwealth agency or employee of the Commonwealth who referred the proposal to give an authorisation of the action:
 - (a) whether the agency or employee should give the authorisation;
 - (b) what conditions (if any) should be attached to the authorisation (if possible) to protect the environment;
 - (c) any other matter relating to protection of the environment from the action.
- (2) The Minister must give the advice within 30 business days of receiving:
 - (a) a report mentioned in subsection 84(3) relating to the action;
or
 - (aa) a finalised recommendation report under Division 3A of Part 8 (as applied by section 162) relating to the action; or
 - (ab) the documents given to the Minister under subsection 95B(1) (as applied by section 162), or the statement given to the Minister under subsection 95B(3) (as applied by section 162), as the case requires, relating to the action; or
 - (ac) a finalised public environment report under Division 5 of Part 8 (as applied by section 162) relating to the action; or
 - (ad) a finalised environmental impact statement under Division 6 of Part 8 (as applied by section 162) relating to the action; or
 - (b) a report of an inquiry under Division 7 of Part 8 (as applied by section 162) relating to the action.

164 Reporting on response to advice

As soon as practicable after considering the Minister's advice, the Commonwealth agency or employee of the Commonwealth must give the Minister a report stating:

- (a) what action has been taken in relation to the Minister's advice; and
- (b) if the agency or employee did not give effect to some or all of the Minister's advice—why the agency or employee did not do so.

Subdivision C—Assessment under agreement with State or Territory

166 This Subdivision applies if Ministers agree it should

- (1) This Subdivision applies if the Minister and a Minister of a State or self-governing Territory agree that it should apply in relation to an action that:
 - (a) is to be taken in the State or Territory by a constitutional corporation; or
 - (b) if the agreement is with a Minister of a Territory—is to be taken in the Territory; or
 - (c) is to be taken in the State or Territory by a person for the purposes of trade or commerce:
 - (i) between Australia and another country; or
 - (ii) between 2 States; or

188 Amending list of key threatening processes

- (1) The Minister must not add a threatening process to the list unless satisfied that it is eligible to be treated as a key threatening process.
- (2) The Minister must not delete a threatening process from the list unless satisfied that it is no longer eligible to be treated as a key threatening process.
- (3) A process is a *threatening process* if it threatens, or may threaten, the survival, abundance or evolutionary development of a native species or ecological community.
- (4) A threatening process is eligible to be treated as a key threatening process if:
 - (a) it could cause a native species or an ecological community to become eligible for listing in any category, other than conservation dependent; or
 - (b) it could cause a listed threatened species or a listed threatened ecological community to become eligible to be listed in another category representing a higher degree of endangerment; or
 - (c) it adversely affects 2 or more listed threatened species (other than conservation dependent species) or 2 or more listed threatened ecological communities.

Section 189

189 Minister must consider advice from Scientific Committee

- (1) In deciding whether to make an amendment covered by paragraph 184(1)(aa), (b) or (d), the Minister must, in accordance with the regulations (if any), obtain and consider advice from the Scientific Committee on the proposed amendment.
- (1A) Subsection (1) has effect subject to section 192.
- (1B) If advice from the Scientific Committee for the purposes of subsection (1) is to the effect that a particular native species, or a particular ecological community, is eligible to be included in the relevant list in a particular category, the advice must also contain:
 - (a) a statement that sets out:
 - (i) the grounds on which the species or community is eligible to be included in the category; and
 - (ii) the main factors that are the cause of it being so eligible; and
 - (b) either:
 - (i) information about what could appropriately be done to stop the decline of, or support the recovery of, the species or community; or
 - (ii) a statement to the effect that there is nothing that could appropriately be done to stop the decline of, or support the recovery of, the species or community; and
 - (c) a recommendation on the question whether there should be a recovery plan for the species or community.
- (2) In preparing advice under subsection (1), the Scientific Committee may obtain advice from a person with expertise relevant to the subject matter of the proposed amendment.
- (3) In preparing advice for a proposed amendment to delete an item:
 - (a) included in a category of a list referred to in section 178 or 181; and
 - (b) that had not been included in that category in accordance with subsection 186(3), (4) or (5);

Section 189A

the only matters the Scientific Committee may consider are matters relating to:

- (c) the survival of the native species or ecological community concerned; or
- (d) the effect that the inclusion in the list of the native species or ecological community concerned is having, or could have, on the survival of that native species or ecological community.

(3A) In preparing advice for a proposed amendment to:

- (a) include a native species in a category of the list referred to in section 178 in accordance with subsection 186(3), (4) or (5) because of the species' resemblance to another species; or
- (b) delete a native species from a category of the list referred to in section 178 that had been included in that category in accordance with subsection 186(3), (4) or (5) because of the species' resemblance to another species;

the only matters the Scientific Committee may consider are matters relating to:

- (c) the survival of either species; or
- (d) the effect that the inclusion in the list of the first-mentioned species is having, or could have, on the survival of either species.

189A Certain information may be kept confidential

- (1) This section applies if the Minister considers that the survival of a native species or ecological community could be threatened by the disclosure of some or all of the following information, or by the presence or actions of persons if some or all of the following information were disclosed publicly:
 - (a) the precise location of the species in the wild, or of the community;
 - (b) any other information about the species or community.
- (2) It is sufficient compliance with this Act if only a general description of the location of the species or community is included

Section 189B

in an instrument or other document created for the purposes of this Act.

189B Disclosure of Scientific Committee's assessments and advice

- (1) A member of the Scientific Committee has a duty not to disclose the following to a person other than the Minister, an employee in the Department whose duties relate to the Committee or another member of the Committee:
 - (a) an assessment under section 194N in relation to whether an item is eligible for inclusion (whether as a result of a transfer or otherwise) in a list referred to in section 178, 181 or 183, any information relating to the assessment or any information about the nomination (if any) that led to the making of the assessment;
 - (b) advice under section 189 concerning an amendment covered by subsection 189(1) or any information relating to the advice.
- (2) However:
 - (a) the duty not to disclose a thing described in paragraph (1)(a) in relation to an item does not exist after:
 - (i) registration under Division 3 of Part 4 of the *Legislative Instruments Act 2003* of an instrument made under section 189 in relation to the item; or
 - (ii) the Minister decides under paragraph 194Q(1)(b) not to include the item in a list referred to in section 178, 181 or 183; and
 - (b) the duty not to disclose a thing described in paragraph (1)(b) in relation to an amendment does not exist after:
 - (i) registration under Division 3 of Part 4 of the *Legislative Instruments Act 2003* of an instrument made under section 189 relating to the amendment; or
 - (ii) the Minister decides under this Subdivision not to remove the item from a list referred to in section 178, 181 or 183.

Section 189B

- (3) Subsection (1) does not apply to a disclosure of particular information if:
- (a) the Chair of the Scientific Committee requests the Minister to give permission to disclose that information to a particular person (or persons within a particular group of persons); and
 - (b) the Minister gives that permission; and
 - (c) the disclosure is made to that person (or a person within that group).
- (4) After a member of the Scientific Committee has ceased under subsection (2) to have a duty not to disclose:
- (a) an assessment under section 194N in relation to whether an item is eligible for inclusion (whether as a result of a transfer or otherwise) in a list referred to in section 178, 181 or 183; or
 - (b) advice under section 189 concerning an amendment covered by subsection 189(1);
- the member must give a copy of the assessment or advice to anyone who asks for it.
- (5) If:
- (a) a member of the Scientific Committee proposes to give a person under subsection (4):
 - (i) a copy of an assessment relating to an item concerning a native species or ecological community; or
 - (ii) a copy of advice relating to an amendment concerning a native species or ecological community; and
 - (b) the member is aware that, under section 189A, it would be sufficient compliance with this Act if the copy included only a general location of the species or community;
- the member must take reasonable steps to ensure that the copy given to the person does not include a more detailed description than is necessary for sufficient compliance with this Act under that section.

Section 190

190 Scientific Committee may provide advice about species or communities becoming threatened

- (1) If the Scientific Committee is of the opinion that a native species or ecological community is not eligible to be included in any category of the list mentioned in section 178 or 181, the Committee may give advice to the Minister concerning any action that is necessary to prevent the species or community becoming threatened.
- (2) The Minister is to have regard to any advice given under subsection (1) in performing any function, or exercising any power, under this Act relevant to the species or community.

192 Rediscovery of threatened species that were extinct

- (1) If the Minister is satisfied that a native species that is listed in the extinct category has been definitely located in nature since it was last listed as extinct, the Minister may, under section 184, transfer the species from the extinct category to another category without considering advice from the Scientific Committee.
- (2) Subsection (1) does not prevent the Minister from making such an amendment after having considered advice from the Scientific Committee.

193 Species posing a serious threat to human health

- (1) If the Minister is satisfied that a native species poses a serious threat to human health, the Minister may, by legislative instrument, determine that the species is not appropriate for inclusion in any of the categories of the list referred to in section 178.
- (2) While the determination is in force, the species is not to be added to that list.
- (4) The Minister must cause a notice summarising the information contained in an instrument to be published in accordance with the regulations (if any).

194 Lists must be publicly available

The Minister must ensure that:

- (a) up-to-date copies of the lists referred to in sections 178, 181 and 183 are available for free to the public on request; and
- (b) up-to-date copies of the lists are available on the internet.

Note: The copies of the lists made publicly available may not contain certain information kept confidential under section 189A.

Subdivision AA—The nomination and listing process

194A Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for including an item in a list referred to in section 178, 181 or 183, or transferring an item from one category in one of those lists to another category in the list.

The usual process involves an annual cycle that revolves around 12-month periods known as assessment periods. The Minister determines the start of the first assessment period (see section 194C).

The usual process involves the following steps for each assessment period for a list:

- (a) the Minister may determine conservation themes (this step is optional) (see section 194D);
- (b) the Minister invites people to nominate items for inclusion in the list referred to in section 178, 181 or 183, and gives the nominations to the Scientific Committee (see sections 194E and 194F);
- (c) the Scientific Committee prepares, and gives to the Minister, a list of items (which will mostly be

Section 194B

	items that have been nominated) that it thinks should be assessed (see sections 194G to 194J);
(d)	the Minister finalises the list of items that are to be assessed (see sections 194K and 194L);
(e)	the Scientific Committee invites people to make comments about the item in the finalised list (see section 194M);
(f)	the Scientific Committee assesses the item in the finalised list, and gives the assessments to the Minister (see sections 194N and 194P);
(g)	the Minister decides whether an item that has been assessed should be included in the list referred to in section 178, 181 or 183 (see section 194Q).
The steps mentioned in paragraphs (a) to (d) will generally be completed before the start of the assessment period.	

194B Definitions

(1) In this Subdivision:

assessment period has the meaning given by subsection 194C(1).

eligible for assessment consideration, in relation to an assessment period, has the meaning given by subsection 194G(3).

finalised priority assessment list for an assessment period has the meaning given by subsection 194K(4).

includes has a meaning affected by subsection (2).

proposed priority assessment list for an assessment period has the meaning given by subsection 194G(1).

Subdivision A List means a list referred to in section 178, 181 or 183.

Section 194C

- (2) A reference in this Subdivision to including an item in a list referred to in section 178 or 181 includes a reference to transferring the item from one category in the list to another category in the list.

194C Meaning of *assessment period*

- (1) For the purposes of this Subdivision, each of the following is an ***assessment period*** for a Subdivision A List:
- (a) the period of 12 months starting on the day determined in writing by the Minister for the purposes of this paragraph in relation to the Subdivision A List;
 - (b) each period of 12 months starting on an anniversary of the day so determined.
- (2) The Minister must make a determination under paragraph (1)(a) within 3 months after the commencement of this section. The day so determined must not be more than 12 months after that commencement.
- (3) A determination under paragraph (1)(a) is a legislative instrument, but section 42 (disallowance) of the *Legislation Act 2003* does not apply to the determination.

Note: Part 4 of Chapter 3 (sunsetting) of the *Legislation Act 2003* does not apply to the determination. See regulations made for the purposes of paragraph 54(2)(b) of that Act.

194D Minister may determine conservation themes for an *assessment period*

- (1) Before the Minister invites nominations for an assessment period for a Subdivision A List under section 194E, the Minister may determine one or more conservation themes that the Minister considers should be given priority in relation to the assessment period for the Subdivision A List.
- (2) Without limiting subsection (1), the Minister may determine as a conservation theme that priority should be given to the conservation of:

Section 194E

- (a) particular groups of species; or
 - (b) particular species; or
 - (c) particular regions of Australia.
- (3) The Minister may request advice from the Scientific Committee for the purpose of making a determination under subsection (1), and may have regard to any advice the Committee provides in response to the request.
- (4) A determination under subsection (1) is a legislative instrument, but section 42 (disallowance) of the *Legislation Act 2003* does not apply to the determination.

194E Minister to invite nominations for each assessment period

- (1) Before the start of each assessment period for a Subdivision A List, the Minister must publish a notice inviting people to nominate items for inclusion in the Subdivision A List.

Note: Nominations can be for the transfer of an item already on a list covered by section 178 or 181 from one category in the list to another category in the list (see subsection 194B(2)).

- (2) A notice under subsection (1):
- (a) must be published in accordance with the regulations referred to in paragraph (3)(a); and
 - (b) must invite people to nominate, to the Minister, items for inclusion in the Subdivision A List; and
 - (c) must identify the assessment period to which the notice relates; and
 - (d) must specify a date (the *cut-off date*) by which nominations must be received, which must be at least 40 business days after the notice has been published as required by paragraph (a); and
 - (e) must specify, or refer to, the information requirements, and the manner and form requirements, that, under regulations referred to in paragraphs (3)(b) and (c), apply to making nominations; and
 - (f) may also include:

 - (a) how a notice under subsection (1) is to be published;
 - (b) the manner and form for making nominations;
 - (c) what information is to be included in a nomination.

194F Minister to give nominations to Scientific Committee

Nominations in relation to first assessment period

- (1) Within 30 business days after the cut-off date specified in the notice under subsection 194E(1) for the first assessment period, the Minister must give the Scientific Committee the nominations that the Minister:
 - (a) had received before the end of that cut-off date; and
 - (b) had not already forwarded to the Scientific Committee, under section 191 (as in force before the commencement of this section), to assess; and
 - (c) had not already rejected under section 191 (as in force before the commencement of this section); and
 - (d) does not reject under subsection (3).

Nominations in relation to later assessment periods

- (2) Within 30 business days after the cut-off date (the **current cut-off date**) specified in the notice under subsection 194E(1) for an assessment period (other than the first) for a Subdivision A List, the Minister must give the Scientific Committee the nominations that were received by the Minister in the period:
 - (a) starting immediately after the end of the cut-off date specified in the notice under subsection 194E(1) for the

Section 194G

immediately preceding assessment period for the
Subdivision A List; and

- (b) ending at the end of the current cut-off date for the
Subdivision A List;

other than any such nominations that the Minister has rejected
under subsection (3).

Minister may reject nominations

- (3) The Minister may, in writing, reject a nomination if the Minister
considers that:
- (a) the nomination is vexatious, frivolous or not made in good
faith; or

paragraph 194E(3)(b) or (c) have not been complied with in
relation to the nomination.
- (4) If a nomination is rejected under paragraph (3)(b), the Minister
must, if practicable, notify the person who made the nomination of
the rejection of the nomination and the reason for the rejection.

Definition

- (5) In this section:

nomination means a nomination of an item for inclusion in a
Subdivision A List.

**194G Scientific Committee to prepare proposed priority assessment
list**

- (1) Within 40 business days after the Scientific Committee receives
the nominations as required by subsection 194F(1) in relation to an
assessment period for a Subdivision A List, the Committee must
prepare and give to the Minister a list (the ***proposed priority
assessment list***) for the assessment period for the Subdivision A
List.

- (2) The proposed priority assessment list for the Subdivision A List is to consist of such of the items that are eligible for assessment consideration in relation to the assessment period for the Subdivision A List as the Scientific Committee considers it appropriate to include in the proposed priority assessment list, having regard to:
- (a) any conservation themes determined by the Minister under section 194D in relation to the assessment period for the Subdivision A List; and
 - (b) the Committee's own views about what should be given priority in relation to the assessment period for the Subdivision A List; and
 - (c) the Committee's capacity to make assessments under this Division while still performing its other functions; and
 - (d) any other matters that the Committee considers appropriate.
- (3) An item is ***eligible for assessment consideration*** in relation to the assessment period for a Subdivision A List if:
- (a) the item has been nominated by a nomination referred to in subsection (1); or
 - (b) the Committee itself wishes to nominate the item for inclusion in the Subdivision A List; or
 - (c) the item was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) for the Subdivision A List but was not included in the finalised priority assessment list for that assessment period for the Subdivision A List.
- (4) Without limiting the generality of the Scientific Committee's discretion under subsection (2), the Committee does not have to include in the proposed priority assessment list an item that has been nominated if the Committee considers that:
- (a) if the item is not on the Subdivision A List concerned—it is unlikely that the item is eligible to be included in the Subdivision A List; or
 - (b) if the nomination is for the transfer of the item to another category in the Subdivision A List concerned—it is unlikely

Section 194H

that the item is eligible to be included in that other category of the Subdivision A List.

- (5) For the purposes of subsection (4), the Committee is not required to have regard to any information beyond the information that was included in the nomination.
- (6) The proposed priority assessment list is not a legislative instrument.

194H Matters to be included in proposed priority assessment list

- (1) The proposed priority assessment list for an assessment period for a Subdivision A List is to include, for each item in the proposed priority assessment list:
 - (a) a description of the item; and
 - (b) an assessment completion time; and
 - (c) any other information required by the regulations.
- (2) The assessment completion time for an item must be either:
 - (a) a time that is at or before the end of the assessment period for the proposed priority assessment list; or
 - (b) if the Scientific Committee considers it likely that making an assessment in relation to the item will take a period that is longer than 12 months—the end of that longer period (calculated from the start of the assessment period for the proposed priority assessment list).

194J Statement to be given to Minister with proposed priority assessment list

- (1) When the Scientific Committee gives the Minister the proposed priority assessment list for an assessment period for a Subdivision A List, the Committee must also give the Minister a statement setting out such information as the Committee considers appropriate relating to:

Section 194K

- (a) for each item that is included in the proposed priority assessment list—why the Committee included the item in the list; and
 - (b) for each item that is not included in the proposed priority assessment list but that was eligible for assessment consideration because of paragraph 194G(3)(a) or (c)—why the Committee did not include the item in the proposed priority assessment list.
- (2) The statement must also identify, as items nominated by the Scientific Committee, any items that are included in the proposed priority assessment list because the Committee itself wishes to nominate them (see paragraph 194G(3)(b)).

194K The finalised priority assessment list

- (1) Within 20 business days after the Minister, under section 194G, receives the proposed priority assessment list for an assessment period for a Subdivision A List, the Minister may, in writing, make changes to the proposed priority assessment list as mentioned in subsection (2).
- (2) The changes the Minister may make are as follows:
 - (a) including an item in the proposed priority assessment list (and also including the matters referred to in subsection 194H(1));
 - (b) omitting an item from the proposed priority assessment list (and also omitting the matters referred to in subsection 194H(1));
 - (c) changing the assessment completion time for an item in the proposed priority assessment list;
 - (d) any other changes of a kind permitted by the regulations.
- (3) In exercising the power to make changes, the Minister may have regard to any matters that the Minister considers appropriate.
- (4) At the end of the period of 20 business days referred to in subsection (1), the proposed priority assessment list, as changed (if

Section 194L

at all) by the Minister, becomes the ***finalised priority assessment list*** for the assessment period for the Subdivision A List.

- (5) The Minister must notify the Scientific Committee of all changes that the Minister makes to the proposed priority assessment list.
- (6) The finalised priority assessment list is not a legislative instrument.

194L Publication of finalised priority assessment list

- (1) The Scientific Committee must publish the finalised priority assessment list for an assessment period for a Subdivision A List on the internet.
- (2) The Scientific Committee must also publish the finalised priority assessment list in accordance with any requirements of the regulations.

194M Scientific Committee to invite comments on items in finalised priority assessment list

- (1) In relation to each item included in the finalised priority assessment list for an assessment period for a Subdivision A List, the Scientific Committee must publish a notice inviting people to make comments on the item.
- (2) The Scientific Committee may, under subsection (1), publish a single notice relating to all of the items on the finalised priority assessment list, or may publish a number of separate notices, each of which relates to one or more of the items.
- (3) A notice under subsection (1), in relation to an item or items:
 - (a) must be published in accordance with the regulations referred to in paragraph (4)(a); and
 - (b) must identify the item or items to which the notice relates; and
 - (c) if the Subdivision A List is the list referred to in section 178 or 181—must identify the category of the Subdivision A List in which the item or items are proposed to be included; and

- (d) must invite people to make comments, to the Scientific Committee, setting out:
 - (i) if the Subdivision A List is the list referred to in section 178 or 181—views about whether the item or items are eligible for inclusion in that category of the Subdivision A List; and
 - (ii) if the Subdivision A List is the list referred to in section 183—views whether the item or items are eligible for inclusion in the Subdivision A List; and
 - (iii) reasons supporting those views; and
 - (e) must specify the date (the *cut-off date*) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
 - (f) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (4)(b), apply to making comments; and
 - (g) may also invite people to comment on other matters that the Scientific Committee considers appropriate; and
 - (h) may also include any other information that the Scientific Committee considers appropriate.
- (4) The regulations must provide for the following:
- (a) how a notice under subsection (1) is to be published;
 - (b) the manner and form for making comments.

194N Scientific Committee to assess items on finalised priority assessment list and give assessments to Minister

- (1) In relation to each item included in the finalised priority assessment list for an assessment period for a Subdivision A List, the Scientific Committee must (by the time required by section 194P):
- (a) make a written assessment of:
 - (i) whether the item is eligible for inclusion in the Subdivision A List; and

Section 194P

- (ii) if the Subdivision A List is the list referred to in section 178 or 181—the category of that List in which the item is eligible to be included; and
- (b) give to the Minister:
 - (i) the written assessment (or a copy of it); and
 - (ii) a copy of the comments referred to in paragraphs (2)(a) and (b) (whether or not they have all been taken into account under subsection (2)).
- (2) In making an assessment in relation to an item, the Scientific Committee, subject to subsections (3) and (4):
 - (a) must take into account the comments the Committee receives in response to the notice under subsection 194M(1) in relation to the item; and
 - (b) may seek, and have regard to, information or advice from any source.
- (3) The Scientific Committee is not required to take a comment referred to in paragraph (2)(a) into account if:
 - (a) the Committee does not receive the comment until after the cut-off date specified in the notice under subsection 194M(1) in relation to the item; or
 - (b) the Committee considers that regulations referred to in paragraph 194M(4)(b) have not been complied with in relation to the comment.
- (4) In making an assessment, the only matters the Scientific Committee may consider are matters relating to:
 - (a) whether the item is eligible for inclusion in the Subdivision A List; or
 - (b) the effect that including the item in that List could have on the survival of the native species or ecological community concerned.

194P Time by which assessments to be provided to Minister

- (1) Subsection 194N(1) must be complied with, in relation to an item included in the finalised priority assessment list for an assessment

Section 194Q

period for a Subdivision A List, by the assessment completion time specified in the finalised priority assessment list for the item, or by that time as extended under this section.

- (2) The Scientific Committee may request the Minister to extend the assessment completion time (or that time as previously extended) if the Committee considers that it needs more time to make the assessment.
- (3) The Minister may, in response to a request under subsection (2), extend the assessment completion time (or that time as previously extended) by such period (if any) as the Minister considers appropriate. However, the total length of all extensions of the assessment completion time must not be more than 5 years.
- (4) An extension under subsection (3) must be made in writing.
- (5) If the Minister grants an extension under this section, the Minister must publish particulars of the extension in a way that the Minister considers appropriate.

194Q Decision about inclusion of an item in the Subdivision A List

Minister to decide whether or not to include item

- (1) After receiving from the Scientific Committee an assessment under section 194N of an item, the Minister must:
 - (a) include the item in the Subdivision A List concerned; or
 - (b) in writing, decide not to include the item in the Subdivision A List concerned.

Note 1: Under this subsection the Minister can transfer an item already on a Subdivision A List to a different category in the List (see subsection 194B(1)).

Note 2: Sections 186, 187 and 188 contain rules about including items in a Subdivision A List.

- (2) If, under subsection (1), the Minister transfers an item to a category of the Subdivision A List, the Minister must at the same time

Section 194Q

delete the item from the category in which it was included before the transfer.

- (3) Subject to subsection (4), the Minister must comply with subsection (1) within 90 business days after the day on which the Minister receives the assessment.
- (4) The Minister may, in writing, extend or further extend the period for complying with subsection (1).
- (5) Particulars of an extension or further extension under subsection (4) must be published on the internet and in any other way required by regulations.
- (6) For the purpose of deciding what action to take under subsection (1) in relation to the item:
 - (a) the Minister must have regard to:
 - (i) the Scientific Committee's assessment of the item; and
 - (ii) the comments (if any), a copy of which were given to the Minister under subsection 194N(1) with the assessment; and
 - (b) the Minister may seek, and have regard to, information or advice from any source.

Additional requirements if Minister decides to include item

- (7) If the Minister includes the item in the Subdivision A List, he or she must, within a reasonable time:
 - (a) if the item was nominated by a person in response to a notice under subsection 194E(1)—advise the person that the item has been included in the Subdivision A List; and
 - (b) publish a copy of the instrument referred to in paragraph (1)(a) on the internet; and
 - (c) publish a copy or summary of that instrument in accordance with any other requirements specified in the regulations.

Section 194R

Additional requirements if Minister decides not to include item

- (8) If the Minister decides not to include the item in the Subdivision A List, the Minister must, within 10 business days after making the decision:
- (a) publish the decision on the internet; and
 - (b) if the item was nominated by a person in response to a notice under subsection 194E(1)—advise the person of the decision, and of the reasons for the decision.

194R Scientific Committee may obtain advice

In performing its functions under this Subdivision, the Scientific Committee may obtain advice from a person with expertise relevant to the inclusion of an item in a Subdivision A List.

194S Co-ordination with Australian Heritage Council—Committee undertaking assessment

- (1) This section applies if:
- (a) the Scientific Committee undertakes an assessment under this Subdivision; and
 - (b) before giving the assessment to the Minister, the Committee becomes aware that:
 - (i) the Australian Heritage Council is undertaking, or has undertaken, an assessment of a place under Subdivision BA or BB of Division 1A of Part 15 or under Subdivision BA or BB of Division 3A of Part 15; and
 - (ii) there is a matter that is relevant to both the assessment referred to in paragraph (a) and the assessment referred to in subparagraph (i).
- (2) A member of the Scientific Committee may discuss the matter with a member of the Australian Heritage Council.

Section 194S

- (3) Before the Scientific Committee gives an assessment to the Minister under this Subdivision, the Committee must comply with subsection (4) or (6).

- (3) The Minister must not issue the permit unless satisfied that:
 - (a) the specified action will significantly contribute to the conservation of the listed marine species concerned or other listed marine species; or
 - (b) the impact of the specified action on a member of the listed marine species concerned is incidental to, and not the purpose of, the taking of the action and:

Section 259

- (i) the taking of the action will not adversely affect the conservation status of that species or a population of that species; and
 - (ii) the taking of the action is not inconsistent with a wildlife conservation plan for that species that is in force; and
 - (iii) the holder of the permit will take all reasonable steps to minimise the impact of the action on that species; or
 - (c) the specified action is of particular significance to indigenous tradition and will not adversely affect the conservation status of the listed marine species concerned; or

 - (a) the permit contains a condition permitting the holder to do so; and
 - (b) the authority is given in accordance with any requirements set out in the condition.
- (3) A permit is, for the purposes of this Act, taken to authorise the taking of a particular action by a person if the taking of that action by the person is authorised by an authority given by the holder of the permit.
- (4) The giving of an authority does not prevent the taking of any action by the holder of the permit.
- (5) Except as provided in this section, a permit does not authorise the taking of any action by a person for or on behalf of the holder of the permit.
- (6) A person who gives an authority must give to the Minister written notice of it within 14 days after giving the authority.

Subdivision AA—Approved conservation advice

266B Approved conservation advice for listed threatened species and listed threatened ecological communities

Minister to ensure there is approved conservation advice

- (1) The Minister must ensure that there is approved conservation advice for each listed threatened species (except one that is extinct or that is a conservation dependent species), and each listed threatened ecological community, at all times while the species or community continues to be listed.
- (2) For this purpose, ***approved conservation advice*** is a document, approved in writing by the Minister (and as changed from time to time in accordance with subsection (3)), that contains:
 - (a) a statement that sets out:
 - (i) the grounds on which the species or community is eligible to be included in the category in which it is listed; and
 - (ii) the main factors that are the cause of it being so eligible; and
 - (b) either:
 - (i) information about what could appropriately be done to stop the decline of, or support the recovery of, the species or community; or

Section 266B

- (ii) a statement to the effect that there is nothing that could appropriately be done to stop the decline of, or support the recovery of, the species or community.

Changing approved conservation advice

- (3) The Minister may, in writing, approve changes to approved conservation advice.

Consultation with Scientific Committee

- (4) If the Minister proposes to approve a document as approved conservation advice, the Minister must consult the Scientific Committee about the document, unless its content is substantially the same as material that the Committee has previously provided to the Minister.
- (5) If the Minister proposes to approve a change to approved conservation advice, the Minister must consult the Scientific Committee about the change, unless the change is substantially the same as a change that the Scientific Committee has previously advised the Minister should be made.

Publication requirements

- (6) If the Minister approves a document as approved conservation advice, the Minister must:
 - (a) within 10 days of the approval of the document, publish the approved conservation advice on the internet; and
 - (b) comply with any other publication requirements of the regulations.
- (7) If the Minister approves a change to approved conservation advice, the Minister must:
 - (a) within 10 days of the approval of the change, publish the advice, as changed, on the internet; and
 - (b) comply with any other publication requirements of the regulations.

Instruments of approval are not legislative instruments

- (8) An instrument of approval under subsection (2) or (3) is not a legislative instrument.

Subdivision A—Recovery plans and threat abatement plans

267 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

Recovery plans for listed threatened species and ecological communities and threat abatement plans for key threatening processes bind the Commonwealth and Commonwealth agencies.

The Minister need ensure that a recovery plan is in force for a listed threatened species or ecological community only if the Minister decides to have a recovery plan. The Minister must decide whether to have a recovery plan for the species or community within 90 days after it becomes listed. The Minister may, at any other time, decide whether to have such a plan.

The Minister need ensure a threat abatement plan is in force for a key threatening process only if the Minister decides that a plan is a feasible, effective and efficient way of abating the process. The Minister must consult before making such a decision.

A recovery plan or threat abatement plan can be made by the Minister alone or jointly with relevant States and Territories, or the Minister can adopt a State or Territory plan. There must be public consultation and advice from the Scientific Committee about the plan, regardless of how it is made or adopted.

268 Compliance with recovery plans and threat abatement plans

A Commonwealth agency must not take any action that contravenes a recovery plan or a threat abatement plan.

Section 269

269 Implementing recovery and threat abatement plans

- (1) Subject to subsection (2), the Commonwealth must implement a recovery plan or threat abatement plan to the extent to which it applies in Commonwealth areas.
- (2) If a recovery plan or a threat abatement plan applies outside Commonwealth areas in a particular State or self-governing Territory, the Commonwealth must seek the co-operation of the State or Territory with a view to implementing the plan jointly with the State or Territory to the extent to which the plan applies in the State or Territory.

269AA Decision whether to have a recovery plan

Minister has an initial obligation and then a discretion

- (1) The Minister must decide whether to have a recovery plan for a listed threatened species (except one that is extinct or that is a conservation dependent species) or a listed threatened ecological community within 90 days after the species or community becomes listed. The Minister may, at any other time, decide whether to have a recovery plan for the species or community.
- (2) In this section:
 - (a) the decision that the Minister is required by subsection (1) to make in relation to the species or community within the 90 day period referred to in that subsection is the ***initial recovery plan decision***; and
 - (b) any subsequent decision that the Minister makes under subsection (1) in relation to the species or community is a ***subsequent recovery plan decision***.

Making the initial recovery plan decision

- (3) In making the initial recovery plan decision, the Minister must have regard to the recommendation (the ***initial recommendation***) made by the Scientific Committee as mentioned in paragraph 189(1B)(c) in relation to the species or community.

Section 269AA

Making a subsequent recovery plan decision (unless subsection (5) applies)

- (4) In making a subsequent recovery plan decision in relation to the species or community, other than a decision to which subsection (5) applies:
- (a) the Minister must have regard to the initial recommendation in relation to the species or community; and
 - (b) the Minister must have regard to any advice subsequently provided to the Minister by the Scientific Committee about whether there should be a recovery plan for the species or community.

Changing from a decision to have a recovery plan to a decision not to have a recovery plan—additional requirements

- (5) If, at a time when a decision to have a recovery plan for the species or community is in force (whether or not the plan has yet been made), the Minister is proposing to make a subsequent recovery plan decision that there should not be a recovery plan for the species or community:
- (a) the Minister must ask the Scientific Committee for advice relating to the proposed decision; and
 - (b) the Minister must publish a notice inviting comments on the proposed decision in accordance with subsection (7); and
 - (c) the Minister must, in deciding whether to make the proposed decision, take account of:
 - (i) any advice provided by the Scientific Committee in relation to the proposed decision; and
 - (ii) subject to subsection (6), the comments the Minister receives in response to the notice referred to in paragraph (b).
- (6) The Minister is not required to take a comment referred to in subparagraph (5)(c)(ii) into account if:
- (a) the Minister does not receive the comment until after the cut-off date specified in the notice under paragraph (5)(b); or

Section 269AA

- (b) the Minister considers that regulations referred to in paragraph (8)(b) have not been complied with in relation to the comment.
- (7) The notice referred to in paragraph (5)(b):
 - (a) must be published in accordance with the regulations referred to in paragraph (8)(a); and
 - (b) must set out the decision the Minister proposed to make; and
 - (c) must invite people to make comments, to the Minister, about the proposed decision; and
 - (d) must specify the date (the *cut-off date*) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
 - (e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (8)(b), apply to making comments; and
 - (f) may also include any other information that the Minister considers appropriate.
- (8) The regulations must provide for the following:
 - (a) how a notice referred to in paragraph (5)(b) is to be published;
 - (b) the manner and form for making comments.

General publication requirements

- (9) The Minister must publish the following:
 - (a) the Minister's initial recovery plan decision, and the reasons for it;
 - (b) each subsequent recovery plan decision (if any), and the reasons for it.

The regulations may specify how the publication is to be made. Subject to any such regulations, the publication must be made in a way that the Minister considers appropriate.

Section 269A

Note: This subsection must be complied with, even if the Minister has already published notice of the proposed decision in accordance with subsections (5) and (7).

Decisions not legislative instruments

- (10) An instrument making a decision under subsection (1) is not a legislative instrument.

269A Making or adopting a recovery plan

Application

- (1) This section applies only if the Minister's most recent decision under section 269AA in relation to a listed threatened species (except one that is extinct or that is a conservation dependent species) or a listed threatened ecological community is to have a recovery plan for the species or community.

Note: Subsection 273(1) sets a deadline of 3 years from the decision for ensuring that a recovery plan is in force for the species or community. Subsection 273(2) allows that period to be extended.

Making a plan

- (2) The Minister may make a written recovery plan for the purposes of the protection, conservation and management of:
- (a) a listed threatened species (except one that is extinct or is a conservation dependent species); or
 - (b) a listed threatened ecological community.

Making a plan jointly with a State or Territory

- (3) The Minister may make a written recovery plan for the purposes of the protection, conservation and management of a listed threatened species (except one that is extinct or is a conservation dependent species) or a listed threatened ecological community jointly with one or more of the States and self-governing Territories in which the species or community occurs, or with agencies of one or more of those States and Territories.

Section 269A

Content of a plan

- (4) The Minister must not make a recovery plan under subsection (2) or (3) unless the plan meets the requirements of section 270.

Prerequisites to making a plan

- (5) Before making a recovery plan under subsection (2) or (3) for a listed threatened species or listed threatened ecological community, the Minister must:
- (a) consult the appropriate Minister of each State and self-governing Territory in which the species or community occurs, and in which actions that the plan would provide for would occur, with a view to:
 - (i) taking the views of each of those States and Territories into account in making the plan under subsection (2); or
 - (ii) making the plan jointly under subsection (3);unless the species or community occurs only in a Commonwealth area; and
 - (b) consider the advice of the Scientific Committee given under section 274; and
 - (c) consult about the plan and consider comments in accordance with sections 275 and 276.

Limits on making a plan

- (6) The Minister must not make a recovery plan under subsection (2) for a species or ecological community that occurs wholly or partly outside a Commonwealth area unless the Minister is satisfied that it is not reasonably practicable, within the period of 3 years referred to in subsection 273(1), to make the plan under subsection (3) of this section with each State or Territory:
- (a) in which the species or community occurs; and
 - (b) in which actions that the plan would provide for would occur, if the plan were made under subsection (2) of this section.

Adopting a State or Territory plan

- (7) The Minister may, by instrument in writing, adopt as a recovery plan a plan made by a State, a self-governing Territory or an agency of a State or self-governing Territory (whether or not the plan is in force in the State or Territory). The Minister may adopt the plan with such modifications as are specified in the instrument. This subsection has effect subject to section 277.

Note: Section 277 requires that:

- (a) an adopted plan have the content required for a recovery plan by section 270; and
- (b) there has been adequate consultation in making the plan adopted; and
- (c) the Minister consult the Scientific Committee about the content of the plan.

Effect of adopting a plan

- (8) A plan adopted under subsection (7) has effect as if it had been made under subsection (2) (whether it was adopted with modifications or not).

270 Content of recovery plans

- (1) A recovery plan must provide for the research and management actions necessary to stop the decline of, and support the recovery of, the listed threatened species or listed threatened ecological community concerned so that its chances of long-term survival in nature are maximised.
- (2) In particular, a recovery plan must (subject to subsection (2A)):
- (a) state the objectives to be achieved (for example, removing a species or community from a list, or indefinite protection of existing populations of a species or community); and
 - (b) state criteria against which achievement of the objectives is to be measured (for example, a specified number and distribution of viable populations of a species or community, or the abatement of threats to a species or community); and
 - (c) specify the actions needed to achieve the objectives; and

Section 270

- (ca) identify threats to the species or community; and
 - (d) identify the habitats that are critical to the survival of the species or community concerned and the actions needed to protect those habitats; and
 - (e) identify any populations of the species or community concerned that are under particular pressure of survival and the actions needed to protect those populations; and
 - (f) state the estimated duration and cost of the recovery process; and
 - (g) identify:
 - (i) interests that will be affected by the plan's implementation; and
 - (ii) organisations or persons who will be involved in evaluating the performance of the recovery plan; and
 - (h) specify any major benefits to native species or ecological communities (other than those to which the plan relates) that will be affected by the plan's implementation; and
 - (j) meet prescribed criteria (if any) and contain provisions of a prescribed kind (if any).
- (2A) A recovery plan need only address the matters mentioned in paragraphs (2)(d), (e), (f), (g) and (h) to the extent to which it is practicable to do so.
- (3) In making a recovery plan, regard must be had to:
- (a) the objects of this Act; and
 - (b) the most efficient and effective use of the resources that are allocated for the conservation of species and ecological communities; and
 - (c) minimising any significant adverse social and economic impacts, consistently with the principles of ecologically sustainable development; and
 - (d) meeting Australia's obligations under international agreements between Australia and one or more countries relevant to the species or ecological community to which the plan relates; and

Section 270A

- (e) the role and interests of indigenous people in the conservation of Australia's biodiversity.

- (1) The Minister may at any time decide whether to have a threat abatement plan for a threatening process in the list of key threatening processes established under section 183. The Minister must do so:
 - (a) within 90 days of the threatening process being included in the list; and
 - (b) within 5 years of the last decision whether to have a threat abatement plan for the process, if that decision was not to have a threat abatement plan for the process.

Basis for decision

- (2) The Minister must decide to have a threat abatement plan for the process if he or she believes that having and implementing a threat abatement plan is a feasible, effective and efficient way to abate the process. The Minister must decide not to have a threat abatement plan if he or she does not believe that.

Consultation before making a decision

- (3) Before making a decision under this section, the Minister must:
 - (a) request the Scientific Committee to give advice within a specified period; and
 - (b) take reasonable steps to request any Commonwealth agency, any State, any self-governing Territory, and any agency of a State or self-governing Territory, that would be affected by or interested in abatement of the process to give advice within a specified period;on the feasibility, effectiveness or efficiency of having and implementing a threat abatement plan to abate the process.

Section 270A

Consulting others

- (4) Subsection (3) does not prevent the Minister from requesting any other person or body to give advice within a specified period on the feasibility, effectiveness or efficiency of having and implementing a threat abatement plan to abate the process.

Request may be made before listing

- (5) A request for advice on the feasibility, effectiveness or efficiency of having and implementing a threat abatement plan to abate the process may be made before or after the process is included in the list of key threatening processes established under section 183.

Time for giving advice

- (6) The Minister must not make a decision whether to have a threat abatement plan for the process before the end of the period within which he or she has requested a person or body to give advice on the feasibility, effectiveness or efficiency of having and implementing a threat abatement plan to abate the process.

Considering views expressed in consultation

- (7) When the Minister is making a decision under this section, he or she must consider the advice that a person or body gave on request within the period specified in the request.

Publishing decision and reasons

- (8) The Minister must publish in accordance with the regulations (if any):
- (a) a decision whether or not to have a threat abatement plan for a key threatening process; and
 - (b) the Minister's reasons for the decision.

Section 270B

Special rules for processes included in original list

- (9) Subsections (3), (4), (5), (6) and (7) do not apply in relation to a decision about a process included in the list under section 183 as first established.

270B Making or adopting a threat abatement plan

Application

- (1) This section applies only if the Minister's most recent decision under section 270A in relation to a key threatening process is to have a threat abatement plan for the process.

Note: Section 273 sets a deadline of 3 years from the decision for ensuring that a threat abatement plan is in force for the process.

Making a plan

- (2) The Minister may make a written threat abatement plan for the purposes of reducing the effect of the process.

Making a plan jointly with a State or Territory

- (3) The Minister may make a written threat abatement plan for the purposes of reducing the effect of the process, jointly with the States and self-governing Territories in which the process occurs or with agencies of those States and Territories.

Content of a plan

- (4) The Minister must not make a threat abatement plan under subsection (2) or (3) unless the plan meets the requirements of section 271.

Prerequisites to making a plan

- (5) Before making a threat abatement plan for the process under subsection (2) or (3), the Minister must:

Section 270B

- (a) consult the appropriate Minister of each State and self-governing Territory in which the process occurs, with a view to:
 - (i) taking the views of each of those States and Territories into account in making the plan under subsection (2); or
 - (ii) making the plan jointly under subsection (3);unless the process occurs only in a Commonwealth area; and
- (b) consider the advice of the Scientific Committee given under section 274; and
- (c) consult about the plan and consider comments in accordance with sections 275 and 276.

Limits on making a plan

- (6) The Minister must not make a threat abatement plan under subsection (2) for a process that occurs wholly or partly outside a Commonwealth area unless the Minister is satisfied that it is not reasonably practicable to make the plan:
 - (a) jointly with each of the States and self-governing Territories in which the process occurs; and
 - (b) within 3 years of the decision to have the plan.

Adopting a State or Territory plan

- (7) The Minister may, by instrument in writing, adopt as a threat abatement plan for the process a plan made by a State, a self-governing Territory or an agency of a State or self-governing Territory (whether or not the plan is in force in the State or Territory). The Minister may adopt the plan with such modifications as are specified in the instrument. This subsection has effect subject to section 277.

Note: Section 277 requires that:

- (a) an adopted plan have the content required for a threat abatement plan by section 271; and
- (b) there has been adequate consultation in making the plan adopted; and
- (c) the Minister consult the Scientific Committee about the content of the plan.

- (8) A plan adopted under subsection (7) has effect as if it had been made under subsection (2), whether it was adopted with modifications or not.

271 Content of threat abatement plans

- (1) A threat abatement plan must provide for the research, management and other actions necessary to reduce the key threatening process concerned to an acceptable level in order to maximise the chances of the long-term survival in nature of native species and ecological communities affected by the process.
- (2) In particular, a threat abatement plan must:
- (a) state the objectives to be achieved; and

 - (c) specify the actions needed to achieve the objectives; and
 - (g) meet prescribed criteria (if any) and contain provisions of a prescribed kind (if any).
- (3) In making a threat abatement plan, regard must be had to:
- (a) the objects of this Act; and
 - (b) the most efficient and effective use of the resources that are allocated for the conservation of species and ecological communities; and
 - (c) minimising any significant adverse social and economic impacts consistently with the principles of ecologically sustainable development; and
 - (d) meeting Australia's obligations under international agreements between Australia and one or more countries relevant to the species or ecological community threatened by the key threatening process that is the subject of the plan; and
 - (e) the role and interests of indigenous people in the conservation of Australia's biodiversity.

Section 272

- (4) A threat abatement plan may:
- (a) state the estimated duration and cost of the threat abatement process; and
 - (b) identify organisations or persons who will be involved in evaluating the performance of the threat abatement plan; and
 - (c) specify any major ecological matters (other than the species or communities threatened by the key threatening process that is the subject of the plan) that will be affected by the plan's implementation.
- (5) Subsection (4) does not limit the matters that a threat abatement plan may include.

272 Eradication of non-native species

If:

- (a) the actions specified under paragraph 270(2)(c) in a recovery plan, or under paragraph 271(2)(c) in a threat abatement plan, include the eradication of a non-native species; and
- (b) the species is threatened in a country in which its native habitat occurs;

the recovery plan, or threat abatement plan, must require the Commonwealth to offer to provide stock of the species to that country before the eradication proceeds.

273 Ensuring plans are in force

When a plan comes into force

- (1A) A recovery plan or a threat abatement plan comes into force on the day on which it is made or adopted, or on a later day specified by the Minister in writing.

Deadline for recovery plan

- (1) Subject to subsection (2), a recovery plan for a listed threatened species or a listed threatened ecological community must be made

Section 273

Note: Section 323 explains what Australian World Heritage management principles are.

Ensuring plans reflect current management principles

- (4) If the Australian World Heritage management principles change so that a plan (the **earlier plan**) is inconsistent with them, the Minister must make another plan:
- (a) amending the earlier plan so it is not inconsistent with them; or
 - (b) revoking and replacing the earlier plan.

Plan may be in same document as another plan

- (5) To avoid doubt, a plan under this section for a property may be in the same document as:
- (a) a plan under this section for another property; or
 - (b) a plan that this Act or another law of the Commonwealth requires or permits to be prepared.

Commonwealth reserves

- (6) Despite subsections (1) and (2), the Minister may not make a plan for so much of a property as is in a Commonwealth reserve.

Note: A management plan must be prepared under Division 4 for a Commonwealth reserve, taking account of Australia's obligations under the World Heritage Convention.

317 Notice of plans

The Minister must give notice of the making of a plan under section 316, in accordance with the regulations.

318 Commonwealth compliance with plans

- (1) The Commonwealth or a Commonwealth agency must not:
 - (a) contravene a plan made under section 316; or
 - (b) authorise another person to do, or omit to do, anything that, if it were done or omitted to be done by the Commonwealth or the Commonwealth agency (as appropriate), would contravene such a plan.
- (2) If there is no plan in force under section 316 for a particular property described in subsection (1) of that section, the Commonwealth and each Commonwealth agency must take all reasonable steps to ensure that its acts (if any) relating to the property are not inconsistent with the Australian World Heritage management principles.

319 Review of plans every 5 years

- (1) The Minister must cause a review of a plan made under section 316 to be carried out at least once in each period of 5 years after the plan is made.
- (2) The review must consider whether the plan is consistent with the Australian World Heritage management principles in force at the time.

Note: Section 323 explains what Australian World Heritage management principles are.

Division 1A—Managing National Heritage places

Subdivision A—Preliminary

324A Simplified outline of this Division

The following is a simplified outline of this Division:

The Minister may only include a place in the National Heritage List if the Minister is satisfied that the place has one or more National Heritage values.

The Minister must ask the Australian Heritage Council for an assessment of the place's National Heritage values and may invite public comments on the proposed inclusion of the place in the National Heritage List.

The Minister must make plans to protect and manage the National Heritage values of National Heritage places. The Commonwealth and Commonwealth agencies must not contravene those plans.

The Commonwealth must try to prepare and implement plans for managing other National Heritage places, in co-operation with the States and self-governing Territories.

The Commonwealth and Commonwealth agencies have duties relating to National Heritage places in States and Territories.

The Commonwealth can provide assistance for the identification, promotion, protection or conservation of National Heritage places.

Note: Section 15B prohibits an action that has a significant impact on the National Heritage values of a National Heritage place, unless the person taking the action has the approval of the Minister or certain other requirements are met.

Section 324C

Subdivision B—The National Heritage List

- (2) The *National Heritage values* of a National Heritage place are the National Heritage values of the place included in the National Heritage List for the place.
- (3) The regulations must prescribe criteria for the following:
 - (a) natural heritage values of places;

Subdivision BA—Inclusion of places in the National Heritage List: usual process

324E Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for the inclusion of places in the National Heritage List.

The usual process involves an annual cycle that revolves around 12-month periods known as assessment periods. The Minister determines the start of the first assessment period (see section 324G).

The usual process involves the following steps for each assessment period:

- (a) the Minister may determine heritage themes (this step is optional) (see section 324H);
- (b) the Minister invites people to nominate places for inclusion in the National Heritage List, and gives the nominations to the Australian Heritage Council (see sections 324J and 324JA);
- (c) the Australian Heritage Council prepares, and gives to the Minister, a list of places (which will mostly be places that have been nominated) that it thinks should be assessed (see sections 324JB, 324JC and 324JD);
- (d) the Minister finalises the list of places that are to be assessed (see sections 324JE and 324JF);

Section 324F

- (e) the Australian Heritage Council invites people to make comments about the places in the finalised list (see section 324JG);
- (f) the Australian Heritage Council assesses the places in the finalised list, and gives the assessments to the Minister (see sections 324JH and 324JI);
- (g) the Minister decides whether a place that has been assessed should be included in the National Heritage List (see section 324JJ).

The steps mentioned in paragraphs (a) to (d) will generally be completed before the start of the assessment period.

324F Definitions

In this Subdivision:

nomination means a nomination of a place for inclusion in the National Heritage List.

324JB Australian Heritage Council to prepare proposed priority assessment list

- (1) Within 40 business days after the Australian Heritage Council receives the nominations as required by subsection 324JA(1) in relation to an assessment period, the Council must prepare and give to the Minister a list (the ***proposed priority assessment list***) for the assessment period.
- (2) The proposed priority assessment list is to consist of such of the places that are eligible for assessment consideration in relation to the assessment period as the Australian Heritage Council considers it appropriate to include in the list, having regard to:
 - (a) any heritage themes determined by the Minister under section 324H in relation to the assessment period; and
 - (b) the Council's own views about what should be given priority in relation to the assessment period; and
 - (c) the Council's capacity to make assessments under this Division while still performing its other functions; and
 - (d) any other matters that the Council considers appropriate.
- (3) A place is ***eligible for assessment consideration*** in relation to the assessment period if:
 - (a) the place has been nominated by a nomination referred to in subsection (1); or
 - (b) the Council itself wishes to nominate the place for inclusion in the National Heritage List; or
 - (c) the place was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) but was not included in the finalised priority assessment list for that assessment period; or

Section 324JC

- (d) each part of the place is either a place to which paragraph (a) applies, a place to which paragraph (b) applies or a place to which paragraph (c) applies.
- (4) Without limiting the generality of the Australian Heritage Council's discretion under subsection (2), the Council does not have to include in the proposed priority assessment list a place that has been nominated if the Council considers that it is unlikely that the place has any National Heritage values. For this purpose, the Council is not required to have regard to any information beyond the information that was included in the nomination.
- (5) The proposed priority assessment list is not a legislative instrument.

324JC Matters to be included in proposed priority assessment list

- (1) The proposed priority assessment list for an assessment period is to include, for each place in the list:
 - (a) a description of the place; and

 - (c) any other information required by the regulations.
- (2) The assessment completion time for a place must be either:
 - (a) a time that is at or before the end of the assessment period to which the list relates; or
 - (b) if the Australian Heritage Council considers it likely that making an assessment in relation to the place will take a period that is longer than 12 months—the end of that longer period (calculated from the start of the assessment period).

324JD Statement to be given to Minister with proposed priority assessment list

- (1) When the Australian Heritage Council gives the Minister the priority assessment list for an assessment period, the Council must also give the Minister a statement setting out such information as the Council considers appropriate relating to:

Section 324JE

- (a) for each place that is included in the list—why the Council included the place in the list; and
 - (b) for each place that is not included in the list but that was eligible for assessment consideration because of paragraph 324JB(3)(a) or (c)—why the Council did not include the place in the list.
- (2) The statement must also identify, as places nominated by the Australian Heritage Council:
 - (a) any places that are included in the list because the Council itself wishes to nominate them (see paragraph 324JB(3)(b)); and
 - (b) any places that are included in the list because of paragraph 324JB(3)(d) that consist of one or more places to which paragraph 324JB(3)(b) applies.

324JE The finalised priority assessment list

- (1) Within 20 business days after the Minister, under section 324JB, receives the proposed priority assessment list for an assessment period, the Minister may, in writing, make changes to the list as mentioned in subsection (2).
- (2) The changes the Minister may make are as follows:
 - (a) including a place in the list (and also including the matters referred to in subsection 324JC(1));
 - (b) omitting a place from the list (and also omitting the matters referred to in subsection 324JC(1));
 - (c) changing the assessment completion time for a place in the list;
 - (d) any other changes of a kind permitted by the regulations.
- (3) In exercising the power to make changes, the Minister may have regard to any matters that the Minister considers appropriate.
- (4) At the end of the period of 20 business days referred to in subsection (1), the list, as changed (if at all) by the Minister,

Section 324JF

becomes the ***finalised priority assessment list*** for the assessment period.

- (5) The Minister must notify the Australian Heritage Council of all changes that the Minister makes to the list.
- (6) The finalised priority assessment list is not a legislative instrument.

- (1) In relation to each place included in the finalised priority assessment list for an assessment period, the Australian Heritage Council must publish a notice inviting people to make comments on the place.
- (2) The Australian Heritage Council may, under subsection (1), publish a single notice relating to all of the places on the finalised priority assessment list, or may publish a number of separate notices, each of which relates to one or more of the places.
- (3) A notice under subsection (1), in relation to a place or places:
 - (a) must be published in accordance with the regulations referred to in paragraph (4)(a); and
 - (b) must identify the place or places to which the notice relates; and

Section 324JH

- (ii) whether the place or places should be included in the National Heritage List; and
 - (d) must specify the date (the *cut-off date*) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
 - (e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (4)(b), apply to making comments; and
 - (f) may also invite people to comment on other matters that the Australian Heritage Council considers appropriate; and

 - (b) the Council considers that regulations referred to in paragraph 324JG(4)(b) have not been complied with in relation to the comment.
- (4) In making an assessment, the Australian Heritage Council must not consider any matter that does not relate to the question whether the place meets any of the National Heritage criteria.
- (5) If, in making an assessment, the Australian Heritage Council considers that a place might have one or more National Heritage values, the Council must:
 - (a) take all practicable steps:

Section 324JI

Council may satisfy the requirements of subsection (5) in relation to those persons by including the information referred to in paragraphs (5)(b) and (c) in one or more of the following:

Subdivision BB—Inclusion of places in the National Heritage List: emergency process

324JK Simplified outline

The following is a simplified outline of this Subdivision:

Section 324JL

This Subdivision sets out the emergency process for the inclusion of places in the National Heritage List.

The emergency process involves the following steps:

- (a) the Minister may include a place in the National Heritage List if it is under threat (see section 324JL);
- (b) the Minister asks the Australian Heritage Council to assess the place (see section 324JM);
- (c) the Australian Heritage Council publishes notice of the listing and invites comments (see section 324JN);
- (d) the Australian Heritage Council assesses the place, and gives the assessment to the Minister (see sections 324JO and 324JP);
- (e) the Minister has 12 months from the listing of the place to decide whether it should continue to be listed, and the listing will lapse if the Minister does not make a decision within that period (see section 324JQ).

324JL Minister may include place in National Heritage List if under threat

- (1) If the Minister believes that:
 - (a) a place has or may have one or more National Heritage values; and
 - (b) any of those values is under threat of a significant adverse impact; and
 - (c) that threat is both likely and imminent;the Minister may, by instrument published in the *Gazette*, include in the National Heritage List the place and the National Heritage values the Minister believes the place has or may have.

If the instrument purports to deal with both kinds, it has no effect so far as it deals with a removal for loss of value.

- (5) If the instrument deals only with removal for loss of value:

- (a) it is a legislative instrument; and
- (b) it takes effect on the first day it is no longer liable to be disallowed, or to be taken to have been disallowed, under section 42 of the *Legislation Act 2003*.

- (a) the place's precise location;
 - (b) the place's heritage values;
 - (c) any other information about the place.
- (2) It is sufficient compliance with this Act if only a general description of the place, its location or its National Heritage values is included in:

Subdivision A—Simplified outline of this Division

325 Simplified outline of this Division

The following is a simplified outline of this Division:

The Commonwealth may designate a wetland for inclusion in the List of Wetlands of International Importance kept under the Ramsar Convention only after seeking the agreement of relevant States, self-governing Territories and land-holders.

The Minister must make plans for managing wetlands listed under the Ramsar Convention that are entirely in Commonwealth areas. The Commonwealth and Commonwealth agencies must not contravene such plans.

The Commonwealth must try to prepare and implement management plans for other wetlands listed under the Ramsar Convention, in co-operation with the relevant States and self-governing Territories.

The Commonwealth and Commonwealth agencies have duties relating to declared Ramsar wetlands in States and Territories.

The Commonwealth can provide assistance for the protection or conservation of declared Ramsar wetlands.

Note: Section 16 prohibits an action that has a significant impact on an internationally important wetland, unless the person taking the action has the approval of the Minister administering that section or certain other requirements are met.

Section 326

Subdivision B—Seeking agreement on Ramsar designation

326 Commonwealth must seek agreement before designation

- (1) The Commonwealth may designate for inclusion in the List of Wetlands of International Importance kept under the Ramsar Convention a wetland containing an area owned or occupied by another person only if the Minister is satisfied that the Commonwealth has used its best endeavours to reach agreement with the other person on:
 - (a) the proposed designation of the wetland (so far as it relates to the area); and
 - (b) management arrangements for the wetland (so far as they relate to the area).
- (2) The Commonwealth may designate a wetland in a State or self-governing Territory for inclusion in the List of Wetlands of International Importance kept under the Ramsar Convention only if the Minister is satisfied that the Commonwealth has used its best endeavours to reach agreement with the State or Territory on:
 - (a) the proposed submission of the wetland; and
 - (b) management arrangements for the wetland.
- (3) A failure to comply with this section does not affect the designation of a wetland for inclusion in the List of Wetlands of International Importance kept under the Ramsar Convention or the status of a wetland as a declared Ramsar wetland.

Subdivision C—Notice of designation of wetland

327 Minister must give notice of designation of wetland etc.

- (1) The Minister must give notice in the *Gazette* and in the way (if any) prescribed by the regulations of any of the following events as soon as practicable after the event occurs:

 - (b) revoking and replacing the earlier plan.

Plan may be in same document as another plan

- (5) To avoid doubt, a plan under this section for a wetland may be in the same document as:

Commonwealth reserves

- (6) Despite subsections (1) and (2), the Minister may not make a plan for so much of a wetland as is in a Commonwealth reserve.

331 Review of plans every 5 years

- (1) The Minister must cause a review of a plan made under section 328 to be carried out at least once in each period of 5 years after the plan is made.

The Minister may only include a place in the Commonwealth Heritage List if the place is in a Commonwealth area, or is owned or leased by the Commonwealth or a Commonwealth agency outside the Australian jurisdiction, and the Minister is satisfied that the place has one or more Commonwealth Heritage values.

The Minister must ask the Australian Heritage Council for an assessment of the place's Commonwealth Heritage values and may invite public comments on the proposed inclusion of the place in the Commonwealth Heritage List.

Commonwealth agencies must make plans to protect and manage the Commonwealth Heritage values of Commonwealth Heritage places. The Commonwealth and Commonwealth agencies must not contravene those plans.

Commonwealth agencies also have other obligations.

The Commonwealth can provide assistance for the identification, promotion, protection or conservation of Commonwealth Heritage places.

Subdivision BA—Inclusion of places in the Commonwealth Heritage List: usual process

341E Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the usual process for the inclusion of places in the Commonwealth Heritage List.

The usual process involves an annual cycle that revolves around 12-month periods known as assessment periods. The Minister determines the start of the first assessment period (see section 341G).

The usual process involves the following steps for each assessment period:

- (a) the Minister invites people to nominate places for inclusion in the Commonwealth Heritage List, and gives the nominations to the Australian Heritage Council (see sections 341H and 341J);
- (b) the Australian Heritage Council prepares, and gives to the Minister, a list of places (which will mostly be places that have been nominated) that it thinks should be assessed (see sections 341JA, 341JB and 341JC);

Section 341F

- (c) the Minister finalises the list of places that are to be assessed (see sections 341JD and 341JE);
- (d) the Australian Heritage Council invites people to make comments about the places in the finalised list (see section 341JF);
- (e) the Australian Heritage Council assesses the places in the finalised list, and gives the assessments to the Minister (see sections 341JG and 341JH);
- (f) the Minister decides whether a place that has been assessed should be included in the Commonwealth Heritage List (see section 341JI).

The steps mentioned in paragraphs (a) to (c) will generally be completed before the start of the assessment period.

341F Definitions

In this Subdivision:

assessment period has the meaning given by subsection 341G(1).

eligible for assessment consideration, in relation to an assessment period, has the meaning given by subsection 341JA(3).

Note: Part 4 of Chapter 3 (sunsetting) of the *Legislation Act 2003* does not apply to the determination. See regulations made for the purposes of paragraph 54(2)(b) of that Act.

341H Minister to invite nominations for each assessment period

- (1) Before the start of each assessment period, the Minister must publish a notice inviting people to nominate places for inclusion in the Commonwealth Heritage List.

Note: For which places can be included in the Commonwealth Heritage List, see subsection 341C(2).

- (2) A notice under subsection (1):
 - (a) must be published in accordance with the regulations referred to in paragraph (3)(a); and

- (a) had received before the end of that cut-off date; and
 - (b) had not already requested the Australian Heritage Council, under section 341E (as in force before the commencement of this section), to assess; and
 - (c) had not already rejected under section 341E (as in force before the commencement of this section); and
 - (d) does not reject under subsection (4).
- (2) Subsection (1) does not apply to a nomination of a place if the Minister had, before the commencement of this section, included the place in the Commonwealth Heritage List under section 341F (as in force before the commencement of this section).

Nominations in relation to later assessment periods

- (3) Within 30 business days after the cut-off date (the **current cut-off date**) specified in the notice under subsection 341H(1) for an assessment period (other than the first), the Minister must give the Australian Heritage Council the nominations that were received by the Minister in the period:
- (a) starting immediately after the end of the cut-off date specified in the notice under subsection 341H(1) for the immediately preceding assessment period; and

 - (b) the Minister considers that regulations referred to in paragraph 341H(3)(b) or (c) have not been complied with in relation to the nomination.
- (5) If a nomination is rejected under paragraph (4)(b), the Minister must, if practicable, notify the person who made the nomination of the rejection of the nomination and the reason for the rejection.

Definition

- (6) In this section:

nomination means a nomination of a place for inclusion in the Commonwealth Heritage List.

341JA Australian Heritage Council to prepare proposed priority assessment list

- (1) Within 40 business days after the Australian Heritage Council receives the nominations as required by subsection 341J(1) in relation to an assessment period, the Council must prepare and give to the Minister a list (the ***proposed priority assessment list***) for the assessment period.
- (2) The proposed priority assessment list is to consist of such of the places that are eligible for assessment consideration in relation to the assessment period as the Australian Heritage Council considers it appropriate to include in the list, having regard to:
- (a) the Council's own views about what should be given priority in relation to the assessment period; and

Section 341JB

- (b) the Council's capacity to make assessments under this Division while still performing its other functions; and
 - (c) any other matters that the Council considers appropriate.
- (3) A place is ***eligible for assessment consideration*** in relation to the assessment period if:
 - (a) the place has been nominated by a nomination referred to in subsection (1); or
 - (b) the Council itself wishes to nominate the place for inclusion in the Commonwealth Heritage List; or
 - (c) the place was eligible for assessment consideration, otherwise than because of this paragraph, in relation to the immediately preceding assessment period (if any) but was not included in the finalised priority assessment list for that assessment period; or
 - (d) each part of the place is either a place to which paragraph (a) applies, a place to which paragraph (b) applies or a place to which paragraph (c) applies.
- (4) Without limiting the generality of the Australian Heritage Council's discretion under subsection (2), the Council does not have to include in the proposed priority assessment list a place that has been nominated if the Council considers that it is unlikely that the place has any Commonwealth Heritage values. For this purpose, the Council is not required to have regard to any information beyond the information that was included in the nomination.
- (5) The proposed priority assessment list is not a legislative instrument.

341JB Matters to be included in proposed priority assessment list

- (1) The proposed priority assessment list for an assessment period is to include, for each place in the list:
 - (a) a description of the place; and
 - (b) an assessment completion time; and
 - (c) any other information required by the regulations.

Section 341JC

- (2) The assessment completion time for a place must be either:
 - (a) a time that is at or before the end of the assessment period to which the list relates; or
 - (b) if the Australian Heritage Council considers it likely that making an assessment in relation to the place will take a period that is longer than 12 months—the end of that longer period (calculated from the start of the assessment period).

341JC Statement to be given to Minister with proposed priority assessment list

- (1) When the Australian Heritage Council gives the Minister the priority assessment list for an assessment period, the Council must also give the Minister a statement setting out such information as the Council considers appropriate relating to:
 - (a) for each place that is included in the list—why the Council included the place in the list; and
 - (b) for each place that is not included in the list but that was eligible for assessment consideration because of paragraph 341JA(3)(a) or (c)—why the Council did not include the place in the list.
- (2) The statement must also identify, as places nominated by the Australian Heritage Council:
 - (a) any places that are included in the list because the Council itself wishes to nominate them (see paragraph 341JA(3)(b)); and
 - (b) any places that are included in the list because of paragraph 341JA(3)(d) that consist of one or more places to which paragraph 341JA(3)(b) applies.

341JD The finalised priority assessment list

- (1) Within 20 business days after the Minister, under section 341JA, receives the proposed priority assessment list for an assessment period, the Minister may, in writing, make changes to the list as mentioned in subsection (2).

Section 341JE

- (2) The changes the Minister may make are as follows:
 - (a) including a place in the list (and also including the matters referred to in subsection 341JA(1));
 - (b) omitting a place from the list (and also omitting the matters referred to in subsection 341JA(1));
 - (c) changing the assessment completion time for a place in the list;
 - (d) any other changes of a kind permitted by the regulations.
- (3) In exercising the power to make changes, the Minister may have regard to any matters that the Minister considers appropriate.
- (4) At the end of the period of 20 business days referred to in subsection (1), the list, as changed (if at all) by the Minister, becomes the ***finalised priority assessment list*** for the assessment period.
- (5) The Minister must notify the Australian Heritage Council of all changes that the Minister makes to the list.
- (6) The finalised priority assessment list is not a legislative instrument.

341JE Publication of finalised priority assessment list

- (1) The Australian Heritage Council must publish the finalised priority assessment list for an assessment period on the internet.
- (2) The Australian Heritage Council must also publish the finalised priority assessment list in accordance with any requirements of the regulations.

341JF Australian Heritage Council to invite comments on places in finalised priority assessment list

- (1) In relation to each place included in the finalised priority assessment list for an assessment period, the Australian Heritage Council must publish a notice inviting people to make comments on the place.

Section 341JF

- (2) The Australian Heritage Council may, under subsection (1), publish a single notice relating to all of the places on the finalised priority assessment list, or may publish a number of separate notices, each of which relates to one or more of the places.
- (3) A notice under subsection (1), in relation to a place or places:
 - (a) must be published in accordance with the regulations referred to in paragraph (4)(a); and
 - (b) must identify the place or places to which the notice relates; and
 - (c) must invite people to make comments, to the Australian Heritage Council, about:
 - (i) whether the place or places meet any of the Commonwealth Heritage criteria; and
 - (ii) whether the place or places should be included in the Commonwealth Heritage List; and
 - (d) must specify the date (the *cut-off date*) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
 - (e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (4)(b), apply to making comments; and
 - (f) may also invite people to comment on other matters that the Australian Heritage Council considers appropriate; and
 - (g) may also include any other information that the Australian Heritage Council considers appropriate.
- (4) The regulations must provide for the following:
 - (a) how a notice under subsection (1) is to be published;
 - (b) the manner and form for making comments.

**341JG Australian Heritage Council to assess places on finalised
priority assessment list and give assessments to Minister**

 - (b) give to the Minister:
 - (i) the written assessment (or a copy of it); and
 - (ii) a copy of the comments referred to in paragraphs (2)(a) and (b) (whether or not they have all been taken into account under subsection (2)).
- (2) In making an assessment in relation to a place, the Australian Heritage Council, subject to subsections (3) and (4):
 - (a) must take into account the comments the Council receives in response to the notice under subsection 341JF(1) in relation to the place; and
 - (b) may take into account the comments the Council receives in response to the opportunity referred to in paragraph (5)(c); and
 - (c) may seek, and have regard to, information or advice from any source.
- (3) The Australian Heritage Council is not required to take a comment referred to in paragraph (2)(a) into account if:
 - (a) the Council does not receive the comment until after the cut-off date specified in the notice under subsection 341JF(1) in relation to the place; or
 - (b) the Council considers that regulations referred to in paragraph 341JF(4)(b) have not been complied with in relation to the comment.
- (4) In making an assessment, the Australian Heritage Council must not consider any matter that does not relate to the question whether the place meets any of the Commonwealth Heritage criteria.

Section 341JG

- (5) If, in making an assessment, the Australian Heritage Council considers that a place within the Australian jurisdiction might have one or more Commonwealth Heritage values, the Council must:
 - (a) take all practicable steps:
 - (i) to identify each person who is an owner or occupier of all or part of the place; and
 - (ii) if the Council considers the place might have an indigenous heritage value—to identify each Indigenous person who has rights or interests in all or part of the place; and
 - (b) take all practicable steps to advise each person identified that the Council is assessing whether the place meets any of the Commonwealth Heritage criteria; and
 - (c) give persons advised at least 20 business days to comment in writing whether the place should be included in the Commonwealth Heritage List.
- (6) If the Australian Heritage Council is satisfied that there are likely to be at least 50 persons referred to in subparagraph (5)(a)(i), the Council may satisfy the requirements of subsection (5) in relation to those persons by including the information referred to in paragraphs (5)(b) and (c) in one or more of the following:
 - (a) advertisements in a newspaper, or newspapers, circulating in the area in which the place is located;
 - (b) letters addressed to “The owner or occupier” and left at all the premises that are wholly or partly within the place;
 - (c) displays in public buildings at or near the place.
- (7) If:
 - (a) the Australian Heritage Council considers that the place might have an indigenous heritage value; and
 - (b) there are Indigenous persons who:

Subdivision BB—Inclusion of places in the Commonwealth Heritage List: emergency process

341JJ Simplified outline

The following is a simplified outline of this Subdivision:

This Subdivision sets out the emergency process for the inclusion of places in the Commonwealth Heritage List.

The emergency process involves the following steps:

- (a) the Minister may include a place in the Commonwealth Heritage List if it is under threat (see section 341JK);
- (b) the Minister asks the Australian Heritage Council to assess the place (see section 341JL);
- (c) the Australian Heritage Council publishes notice of the listing and invites comments (see section 341JM);

Section 341JK

- (d) the Australian Heritage Council assesses the place, and gives the assessment to the Minister (see sections 341JN and 341JO);
- (e) the Minister has 12 months from the listing of the place to decide whether it should continue to be listed, and the listing will lapse if the Minister does not make a decision within that period (see section 341JP).

341JK Minister may include place in Commonwealth Heritage List if under threat

(1) If the Minister believes:

- (a) a place has or may have one or more Commonwealth Heritage values; and
- (b) any of those values is under threat of a significant adverse impact; and
- (c) that threat is both likely and imminent;

the Minister may, by instrument published in the *Gazette*, include in the Commonwealth Heritage List the place and the Commonwealth Heritage values the Minister believes the place has or may have.

Note: For which places can be included in the Commonwealth Heritage List, see subsection 341C(2).

(2) If:

- (a) the place is included in the Commonwealth Heritage List under subsection (1); and
- (b) before that inclusion of the place, the place was being considered for inclusion in the List under the process set out in Subdivision BA;

that process ceases to apply to the place when it is included in the List under subsection (1).

Note: Subsection (2) does not prevent the process in Subdivision BA again starting to apply to the place if (for example) the place ceases to be listed because of subsection 341JP(1) or (4) and a person subsequently nominates the place under that Subdivision.

Section 341JL

- (3) If the place is included in the Commonwealth Heritage List under subsection (1), the Minister must:
 - (a) in any case—within 10 business days after the inclusion of the place, publish a copy of the instrument under subsection (1):
 - (i) on the internet; and
 - (ii) in accordance with any other requirements specified in the regulations; and
 - (b) if the place is within the Australian jurisdiction—take all practicable steps to:
 - (i) identify each person who is an owner or occupier of all or part of the place; and
 - (ii) advise each person identified that the place has been included in the Commonwealth Heritage List.
- (4) If the Minister is satisfied that there are likely to be at least 50 persons referred to in subparagraph (3)(b)(i), the Minister may satisfy the requirements of paragraph (3)(b) in relation to those persons by including the advice referred to in that paragraph in one or more of the following:
 - (a) advertisements in a newspaper, or newspapers, circulating in the area in which the place is located;
 - (b) letters addressed to “The owner or occupier” and left at all the premises that are wholly or partly within the place;
 - (c) displays in public buildings at or near the place.

341JL Minister to ask Australian Heritage Council for assessment

- (1) If the Minister includes a place in the Commonwealth Heritage List under section 341JK, the Minister must, in writing, request the Australian Heritage Council to give the Minister an assessment of whether the place meets any of the Commonwealth Heritage criteria.
- (2) The request must specify the assessment completion time for the assessment.

Section 341JM

Note: When specifying an assessment completion time, the 12-month period referred to in subsection 341JP(1) should be considered.

341JM Publication of listing of place and inviting comments

- (1) If the Australian Heritage Council receives a request under subsection 341JL(1) in relation to a place that has been included in the Commonwealth Heritage List, the Council must publish a notice inviting people to comment on the listing of the place.
- (2) A notice under subsection (1) in relation to a place:
 - (a) must be published in accordance with the regulations referred to in paragraph (3)(a); and
 - (b) must contain the following:
 - (i) a description of the place;
 - (ii) a statement that the place has been included in the Commonwealth Heritage List, and that specifies the Commonwealth Heritage values that have been included in the List in relation to the place;
 - (iii) the date on which the place was so included; and
 - (c) must invite people to make comments, to the Australian Heritage Council, about:
 - (i) whether the place meets any of the Commonwealth Heritage criteria; and
 - (ii) whether the place should continue to be included in the Commonwealth Heritage List; and
 - (d) must specify the date (the *cut-off date*) by which comments must be received, which must be at least 30 business days after the notice has been published as required by paragraph (a); and
 - (e) must specify, or refer to, the manner and form requirements that, under regulations referred to in paragraph (3)(b), apply to making comments.
- (3) The regulations may provide for either or both of the following:
 - (a) how a notice under subsection (1) is to be published;
 - (b) the manner and form for making comments.

Section 341JN

341JN Australian Heritage Council to assess place and give assessment to Minister

- (1) Section 341JG applies in relation to a request under subsection 341JL(1) as if:
 - (a) a reference in section 341JG to a place included in the finalised priority assessment list for an assessment period were a reference to the place to which the request relates; and
 - (b) a reference in section 341JG to the notice under subsection 341JF(1) in relation to the place were a reference to the notice under subsection 341JM(1) in relation to the place; and

(whether or not with the same or a different boundary) unless the Minister is satisfied that the place has one or more Commonwealth Heritage values.

Listing lapses automatically if action not taken within 12 months of listing

- (4) If the Minister does not take action under subsection (1) within the period referred to in that subsection, the place, and its listed Commonwealth Heritage values, are automatically removed from the Commonwealth Heritage List, by force of this subsection, at the end of that period.

Note: This subsection applies even if the Minister is prevented from taking action under subsection (1) because of subsection (2).

Matters to be considered

- (5) For the purpose of deciding what action to take under subsection (1) in relation to the place:

Section 341JQ

- (3) Before the Australian Heritage Council gives an assessment of the place to the Minister under Subdivision BA or Subdivision BB, the Council must comply with subsection (4) or (6).

- (2) It is sufficient compliance with the provision if the act is done in relation to a place whose boundary overlaps the boundary of the place identified by reference to the earlier provision.

- (3) This section does not affect the validity of the act so far as that depends on something other than the act being done in relation to the place.

341L Removal of places or Commonwealth Heritage values from the Commonwealth Heritage List

- (1) The Minister must remove all or part of a place from the Commonwealth Heritage List as soon as practicable after the Minister becomes aware that:

- (b) removal of a place, part or Commonwealth Heritage value because of subsection (1) or paragraph (2)(b) or (3)(b).

If the instrument purports to deal with both kinds, it has no effect so far as it deals with a removal for loss of value.

- (6) If the instrument deals only with removal for loss of value:

- (a) it is a legislative instrument; and
- (b) it takes effect on the first day it is no longer liable to be disallowed, or to be taken to have been disallowed, under section 42 of the *Legislation Act 2003*.

- (7) If subsection (6) does not apply to the instrument, it is a notifiable instrument.

Section 341S

Commonwealth Heritage values;

the member must take reasonable steps to ensure that the copy
given to the person does not include a more detailed description
than is necessary for sufficient compliance with this Act under that
section.

Commonwealth reserves can be declared over areas of land or sea:

- (a) that the Commonwealth owns or leases; or
- (b) that are in a Commonwealth marine area; or
- (c) outside Australia that the Commonwealth has international obligations to protect.

A Proclamation must assign the reserve to a particular category, that affects how the reserve is managed and used.

Some activities can be undertaken in a reserve only if a management plan provides for them. Commonwealth agencies must comply with a management plan. Regulations can be made to control a wide range of activities in reserves.

The Minister may approve a management plan prepared by the Director and any Board for a reserve.

In agreement with indigenous people, the Minister can set up a Board for a reserve including land leased from indigenous people.

Subdivision B—Declaring and revoking Commonwealth reserves

343 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

Section 344

The Governor-General can proclaim Commonwealth reserves over areas of land or sea:

- (a) that the Commonwealth owns; or

- (c) an area of land described in paragraph (a) and sea described in paragraph (b).

Note 1: Section 351 sets out some prerequisites for making Proclamations.

Note 2: A reference to Australia generally includes its coastal sea. See section 15B of the *Acts Interpretation Act 1901*.

Limits on acquiring land for reservation

- (2) If land:
 - (a) is in:
 - (i) a State or self-governing Territory (except the Northern Territory); or
 - (ii) the Northern Territory outside both Uluru-Kata Tjuta National Park and the Alligator Rivers Region (as defined by the *Environment Protection (Alligator Rivers Region) Act 1978*); and
 - (b) is dedicated or reserved under a law of the State or Territory for purposes related to nature conservation or the protection of areas of historical, archaeological or geological importance or of areas having special significance in relation to indigenous persons;

the Commonwealth must not acquire the land for the purposes of declaring it a Commonwealth reserve, without the consent of the State or Territory.

Uluru-Kata Tjuta National Park

- (3) **Uluru-Kata Tjuta National Park** is the Commonwealth reserve (as it exists from time to time) to which the name Uluru-Kata Tjuta

Section 345

National Park was given by Proclamation continued in force by the *Environmental Reform (Consequential Provisions) Act 1999*.

345 Extent of Commonwealth reserve

- (1) A Commonwealth reserve includes:

- (1) When a Commonwealth reserve is declared, a usage right that relates to land or seabed in the reserve and is held by the Commonwealth vests in the Director, by force of this subsection.
- (2A) However, subsection (2) does not apply to:
- (a) a usage right acquired by the Commonwealth in relation to the Jabiru town land (within the meaning of the *Aboriginal Land Rights (Northern Territory) Act 1976*); or
 - (b) a usage right acquired by the Commonwealth that is prescribed by the regulations for the purposes of this paragraph.
- (2) If the Commonwealth acquires a usage right relating to land or seabed in a Commonwealth reserve, the usage right vests in the Director.

Assigning leasehold land to IUCN categories

- (3) Before the Governor-General makes a Proclamation assigning a Commonwealth reserve or zone including land or seabed held by the Commonwealth or the Director under lease to a particular IUCN category, the Minister must be satisfied that the category to which it is proposed to assign the reserve or zone is consistent with the terms of the lease.

347 Assigning Commonwealth reserves and zones to IUCN categories

Before the Governor-General makes a Proclamation assigning a Commonwealth reserve, or a zone within a Commonwealth

Section 348

reserve, to a particular IUCN category, the Minister must be satisfied:

- (a) that the reserve or zone:
 - (i) has the characteristics (if any) prescribed by the regulations for the category; and

- (b) that the reserve or zone should be managed in accordance with the Australian IUCN reserve management principles for the category.

348 Australian IUCN reserve management principles

- (1) The regulations must prescribe principles for each IUCN category. The principles prescribed for an IUCN category are the ***Australian IUCN reserve management principles*** for the category.
- (2) The principles prescribed for an IUCN category must identify the purpose or purposes for which a Commonwealth reserve, or zone of a Commonwealth reserve, assigned to the category is primarily to be managed.

 - (a) the land or seabed ceases to be part of the reserve by force of this paragraph; and
 - (b) the Governor-General must make a Proclamation revoking or amending the Proclamation that included the land or seabed in a Commonwealth reserve, to reflect the fact that the land or seabed is no longer part of the reserve.
- (5) Subsection (4) does not apply if the Director ceases to hold the land or seabed under a lease because:
 - (a) the Commonwealth becomes the owner of the land or seabed; or
 - (b) the Director surrenders the lease in consideration of the grant to the Director of another lease of that land or seabed.
- (6) Except as described in subsection (4), land, sea or seabed in a Commonwealth reserve does not cease to be within the reserve merely because a usage right relating to the land, sea or seabed is transferred, assigned, surrendered, extinguished or changed in any way.
- (7) A **usage right** is an estate or a legal or equitable charge, power, privilege, authority, licence or permit.

Note: Section 2B of the *Acts Interpretation Act 1901* defines **estate**.

 - (b) to be included in another Commonwealth reserve.
- (2) A usage right relating to the land or seabed that the Director held vests in the Commonwealth, by force of this subsection.

If there is not a management plan in force for a reserve, it must be managed in a way appropriate for the category it has been assigned to by a Proclamation or an earlier management plan.

Regulations can be made to control activities in reserves.

People who have rights relating to an area that is later included in a reserve can continue to exercise those rights in the reserve.

(3A) Subsection (1) does not apply to an action that is covered by an approval in force under subsection 359B(1). For this purpose, an action is covered by such an approval if:

- (2) A management plan for a Commonwealth reserve may divide the reserve into zones and assign each zone to an IUCN category (whether or not a Proclamation has assigned the reserve or each

Section 368

zone of the reserve to that IUCN category). The category to which a zone is assigned may differ from the category to which the reserve is assigned.

Consistency with Australian IUCN reserve management principles

- (3) The provisions of a management plan for a Commonwealth reserve that relate to the reserve or a particular zone of the reserve must not be inconsistent with the Australian IUCN reserve management principles for the IUCN category to which the reserve or zone is assigned by the plan.

If zone is in different category from reserve

- (4) If the management plan for a Commonwealth reserve assigns the reserve to one IUCN category and assigns a zone of the reserve to a different IUCN category, disregard the IUCN category to which the reserve is assigned for the purposes of the application of subsection (3) in relation to the zone.
- (5) A single management plan may be the management plan for more than one Commonwealth reserve.

Plans for proposed extension of reserve

- (6) A management plan for a Commonwealth reserve may include provisions relating to an area that is proposed to be included in the reserve, but they do not have effect until the area is included in the reserve.

368 Steps in preparing management plans for Commonwealth reserves

Overview of process

- (1) Before the Director gives the Minister a management plan for a Commonwealth reserve for approval:

Section 368

- (a) the Director must publish under subsection (2) an invitation to comment on the proposal to prepare a draft of the plan; and
- (b) the Director and the Board (if any) for the reserve must prepare a draft of the plan, taking into account any comments received in response to the invitation; and
- (c) the Director must publish under subsection (5) an invitation to comment on the draft; and
- (d) the Director must make publicly available copies of the draft free or for a reasonable fee determined by the Director; and
- (e) the Director and the Board (if any) must consider any comments received in response to the invitation to comment on the draft and may alter the draft.

Notice inviting comments on proposal to prepare draft

- (2) The Director must publish a notice in the *Gazette*, in a daily newspaper circulating in each State and self-governing Territory and in accordance with the regulations (if any):
 - (a) stating that the Director proposes to prepare a draft of a management plan for the Commonwealth reserve; and
 - (b) inviting comments on the proposal from:
 - (i) members of the public; and
 - (ii) the Chair or Chairperson of any land council for indigenous people's land in the reserve; and
 - (iii) if the reserve is in a State or self-governing Territory—the agency (if any) of the State or Territory that is responsible for managing national parks established in the State or Territory under a law of the State or Territory; and
 - (iv) if the Minister has established under Division 4 of Part 19 an advisory committee with functions relating to the reserve—the committee; and
 - (v) if the Director holds any land or seabed in the reserve under lease—anyone the Director is obliged under the lease to consult about management of the land or seabed; and

Section 368

- (c) specifying the address to which comments may be sent; and
- (d) specifying a day (at least 30 days after the last day on which the notice is published in the *Gazette* or in accordance with the regulations (if any)) by which comments must be sent.

Considerations in preparing a management plan

- (3) In preparing a management plan for a Commonwealth reserve, the Director and the Board (if any) for the reserve must take account of:
 - (a) any report considered by the Minister under section 351 before a Proclamation declaring the reserve was made; and
 - (b) the regulation of the use of the reserve for the purpose for which it was declared; and
 - (c) the interests of:
 - (i) any owner of any land or seabed in the reserve; and
 - (ii) the traditional owners of any indigenous people's land in the reserve; and
 - (iii) any other indigenous persons interested in the reserve; and
 - (iv) any person who has a usage right relating to land, sea or seabed in the reserve that existed (or is derived from a usage right that existed) immediately before the reserve was declared; and
 - (d) the protection of the special features of the reserve, including objects and sites of biological, historical, palaeontological, archaeological, geological and geographical interest; and
 - (e) the protection, conservation and management of biodiversity and heritage within the reserve; and
 - (f) the protection of the reserve against damage; and
 - (g) Australia's obligations under agreements between Australia and one or more other countries relevant to the protection and conservation of biodiversity and heritage.

Section 368

*Who are the **traditional owners** of indigenous people's land?*

- (4) The **traditional owners** of indigenous people's land are:
- (a) a local descent group of indigenous persons who:
 - (i) have common spiritual affiliations to a site on the land under a primary spiritual responsibility for that site and for the land; and
 - (ii) are entitled by indigenous tradition to forage as of right over the land; or
 - (b) if the land is in the Jervis Bay Territory—the members of the Wreck Bay Aboriginal Community Council.

Notice inviting comment on draft

- (5) The Director must publish a notice in the *Gazette*, in a daily newspaper circulating in each State and self-governing Territory and in accordance with the regulations (if any):
- (a) stating that the Director has prepared a draft of a management plan for the Commonwealth reserve; and
 - (b) stating how the draft can be obtained; and
 - (c) inviting comments on the draft from:
 - (i) members of the public; and
 - (ii) the Chair or Chairperson of any land council for any indigenous people's land in the reserve; and
 - (iii) if the reserve is in a State or self-governing Territory—the agency (if any) of the State or Territory that is responsible for managing national parks established in the State or Territory under a law of the State or Territory; and
 - (iv) if the Minister has established under Division 4 of Part 19 an advisory committee with functions relating to the reserve—the committee; and
 - (v) if the Director holds any land or seabed in the reserve under lease—anyone the Director is obliged under the lease to consult about management of the land or seabed; and
 - (d) specifying the address to which comments may be sent; and

Section 369

- (e) specifying a day (at least 30 days after the last day on which the notice is published in the *Gazette* or in accordance with the regulations (if any)) by which comments must be sent.

369 Resolving disagreements between Director and Board in planning process

- (1) The Director and the Board for a Commonwealth reserve must inform the Minister if they cannot agree on:
 - (a) the content of a management plan they are preparing for the reserve; or
 - (b) any changes to be made following comment made in response to an invitation to comment on a draft management plan for the reserve; or
 - (c) whether the Director should give a management plan for the reserve to the Minister for approval (either initially or after the Minister has given the plan back to the Director with suggestions under paragraph 370(3)(b)).
- (2) If the Minister is advised by the Director and a Board of a disagreement, the Minister must take the steps the Minister thinks fit to resolve the disagreement.
- (3) If the Minister cannot resolve the disagreement, the Minister must appoint as an arbitrator to inquire into the matter a person whom the Minister thinks is suitably qualified and in a position to deal with the matter impartially.
- (4) The appointed arbitrator must inquire into the matter and give the Minister a report and recommendations.
- (5) After the Minister receives the report and recommendations, he or she must give the Director and the Board:
 - (a) the directions the Minister thinks appropriate; and
 - (b) a statement of reasons for giving the directions; and
 - (c) a copy of the report and recommendations.
- (6) The Director and the Board must comply with any directions given by the Minister.

370 Approval of management plans for Commonwealth reserves

Giving management plan to Minister for approval

- (1) The Director must give the Minister a management plan for a Commonwealth reserve for approval, but only if the Board (if any) for the reserve agrees. The Director must do so as soon as practicable after considering under paragraph 368(1)(e) the comments (if any) on a draft of the management plan.

Things to be given to Minister with management plan

- (2) When the Director gives the plan to the Minister, the Director must also give the Minister:
 - (a) any comments received in response to the invitation to comment on a draft of the plan; and
 - (b) the views of the Director and any Board for the reserve on the comments.

Minister's decision

- (3) Within 60 days of the Director giving the plan, the Minister:
 - (a) must consider the plan and any comments and views given to the Minister under subsection (2); and
 - (b) must either:
 - (i) approve the plan; or
 - (ii) give the plan back to the Director with suggestions for consideration by the Director and any Board for the reserve.

Note: There are some extra rules about giving back to the Director a management plan for a Commonwealth reserve in the Kakadu region, the Uluru region or Jervis Bay Territory. See section 390.

Procedure if Minister gives plan back

- (4) If the Minister gives the plan back to the Director with suggestions:
 - (a) the Director and any Board for the Commonwealth reserve to which the plan relates must consider the suggestions; and

Section 371

- (b) the Director must give the Minister an identical or altered version of the plan, but only if any Board for the reserve agrees; and
- (c) the Director must give the Minister, with the plan, the Director's views on the Minister's suggestions.

Minister's decision on re-submitted plan

- (5) As soon as practicable after the Director has given the Minister a version of the plan under subsection (4), the Minister:
 - (a) must consider it and the views given to the Minister under subsection (4); and
 - (b) must approve the plan with any modifications the Minister considers appropriate.

Considerations for Minister assigning reserve to IUCN category

- (6) When approving a management plan for a Commonwealth reserve to assign the reserve, or a zone of a reserve, to a particular IUCN category, the Minister must be satisfied of the matters specified in section 347 that he or she would have to be satisfied of before the Governor-General could make a Proclamation to assign the reserve or zone to that IUCN category.

371 Approved management plans are legislative instruments

- (1) A management plan for a Commonwealth reserve prepared by the Director, and the Board (if any) for the reserve, and approved by the Minister, is a legislative instrument made by the Minister on the day the plan is approved.
- (3) When the management plan is laid before each House of the Parliament, there must also be laid before the House copies of any comments, views, report or recommendations given to the Minister under this Division in relation to the plan that have not been given effect to in the plan.

Section 372

372 Amendment and revocation of management plans for Commonwealth reserves

A management plan for a Commonwealth reserve may amend or revoke and replace an earlier management plan for the reserve.

373 Expiry of management plans for Commonwealth reserves

A management plan for a Commonwealth reserve ceases to have effect 10 years after it took effect (unless it has already been revoked).

Subdivision F—Boards for Commonwealth reserves on indigenous people’s land

374 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

The Minister must establish a Board for a Commonwealth reserve that is wholly or partly on indigenous people’s land, if the land council for that land (or traditional owners) and the Minister agree that there should be a Board for the reserve.

The Board’s role is to make decisions and plans for management of the reserve, in conjunction with the Director.

A majority of Board members must be indigenous people nominated by traditional owners if the reserve is wholly or mostly on indigenous people’s land.

375 Application

This Subdivision provides for Boards for Commonwealth reserves that consist of, or include, indigenous people’s land held under lease by the Director.

Section 376

376 Functions of a Board for a Commonwealth reserve

- (1) The functions of a Board established for a Commonwealth reserve are:
 - (a) to make decisions relating to the management of the reserve that are consistent with the management plan in operation for the reserve; and
 - (b) in conjunction with the Director, to:
 - (i) prepare management plans for the reserve; and
 - (ii) monitor the management of the reserve; and
 - (iii) advise the Minister on all aspects of the future development of the reserve.
- (2) When performing its functions, a Board must comply with a direction given by the Minister to the Board under:
 - (a) section 364 (Resolving disagreement between Director and Board over implementation of plan); or
 - (b) section 369 (Resolving disagreements between Director and Board in planning process).

377 Minister must establish Board if land council or traditional owners agree

- (1) The Minister must establish a Board for a specified Commonwealth reserve by notice published in the *Gazette* and in the way (if any) prescribed by the regulations if he or she agrees on the matters set out in subsection (2) with:
 - (a) the land council for the indigenous people's land in the reserve that the Director holds under lease; or
 - (b) if there is not such a land council—the traditional owners of the indigenous people's land in the reserve that the Director holds under lease.
- (2) The matters to be agreed on are:
 - (a) that a Board should be established for the reserve; and
 - (b) the name of the Board; and
 - (c) the number of positions of member of the Board; and

Section 378

- (d) the qualifications for appointment to each position of member of the Board.
- (3) The notice must specify each of the matters described in paragraphs (2)(b), (c) and (d).
- Note: The notice may specify different qualifications for different positions. See subsection 33(3A) of the *Acts Interpretation Act 1901*.
- (4) If the reserve consists wholly or mostly of indigenous people's land held by the Director under lease, a majority of the members of the Board must be indigenous persons nominated by the traditional owners of the indigenous people's land.
- (5) If the reserve is in a State or self-governing Territory, at least one member of the Board must be a person nominated by the State or Territory.
- Note: By agreement between the Minister and the land council or traditional owners, more than one member of a Board may be a person nominated by the State or Territory.

378 Altering the constitution of a Board or abolishing a Board*Revoking and amending notice establishing Board*

- (1) The Minister may, by notice in the *Gazette*:
- (a) revoke a notice under section 377 relating to the Board for the reserve; or
 - (b) amend a notice under section 377 relating to the Board for the reserve so as to:
 - (i) change the specification of the name by which the Board is to be known; or
 - (ii) increase the number of members of the Board and specify the qualifications for appointment to each of the extra positions of member; or
 - (iii) decrease the number of positions of member of the Board and specify which positions are abolished; or

Section 378

- (iv) change the qualifications for appointment to a position of member of the Board.

Note: The Minister may exercise the power of amendment from time to time. See subsection 33(1) of the *Acts Interpretation Act 1901*.

Limits on changing composition of Board

- (2) Paragraph (1)(b) has effect subject to subsections 377(4) and (5).

Note 1: Subsection 377(4) requires a majority of the members of the Board of a Commonwealth reserve consisting wholly or mostly of indigenous people's land held by the Director under lease to be indigenous persons nominated by the traditional owners of the land.

Note 2: Subsection 377(5) requires at least one member of a Board for a reserve in a State or self-governing Territory to be a nominee of the State or Territory.

Prerequisite to revoking or amending notice

- (3) The Minister may revoke or amend a notice under section 377 relating to a Commonwealth reserve only if the Minister agrees on the revocation or amendment with:
- (a) the land council for indigenous people's land in the reserve, if the Board for the reserve was established with the agreement of the land council; or
 - (b) the traditional owners of indigenous people's land in the reserve, if the Board for the reserve was established with the agreement of the traditional owners.

Board's identity not affected by name change

- (4) If the Minister amends a notice published under section 377 so as to alter a Board's name or constitution, section 25B of the *Acts Interpretation Act 1901* applies in relation to the alteration as if it had been made by an Act.

Note: This ensures that the Board's identity and functions are not affected by the alteration, and that certain references to the Board under its old name are treated as references to the Board under its new name.

Section 379

379 Appointment of Board members

Appointment of persons

- (1) The Minister may, in writing, appoint a person on a part-time basis to a position of member of a Board if:

 - (b) the Minister is satisfied that the person is a fit and proper person to be a member of the Board (see section 379A).

Note: Subsection (1) is subject to section 390A, which deals with the appointment of a Northern Territory nominee as a member of the Board for a Commonwealth reserve consisting wholly or mostly of indigenous people's land held by the Director under lease in the Territory.

Replacement appointments

- (2) As soon as practicable after a position of member of a Board becomes vacant, the Minister must appoint a person to the position under subsection (1).

Validity of appointments

- (3) A deficiency or irregularity relating to the nomination, selection or appointment of a member of a Board does not invalidate the member's appointment.

379A Fit and proper person

In determining for the purposes of this Subdivision whether a person is a fit and proper person to be a member of a Board, the Minister may have regard to the matters specified in regulations made for the purposes of this section. The Minister may also have regard to any other matter the Minister considers appropriate.

Note: The question whether a person is a fit and proper person is relevant to subsection 379(1) (which is about appointments to Boards), and subsection 382(1A) (which is about termination of appointments).

Section 380

Note: Section 382 sets out the circumstances in which a member's appointment may be (or must be) terminated.

Avoiding doubt—future terms of office

- (1A) To avoid doubt, subsection (1) does not prevent a person from being appointed as a member of a Board again. This subsection does not affect the operation of section 33AA of the *Acts Interpretation Act 1901* in relation to this Act.

Termination for failure to disclose interests

- (5) The Minister must terminate the appointment of a member of a Board if:

in the Northern Territory or Jervis Bay Territory**

384 Simplified outline of this Subdivision

The following is a simplified outline of this Subdivision:

Special rules apply to Commonwealth reserves in the Kakadu region, Uluru region and Jervis Bay Territory, affecting the activities that can be carried on in those reserves.

Special procedures apply to planning for management of reserves in the Kakadu region, Uluru region and Jervis Bay Territory. These provide for extra involvement of indigenous people in the planning process.

385 Activities in Commonwealth reserve without management plan

When a management plan is not in operation for a particular Commonwealth reserve wholly or partly in the Kakadu region, Uluru region or Jervis Bay Territory, the Director may perform the Director's functions and exercise the Director's powers in and in relation to a part of the reserve in the region, subject to any directions of the Minister.

386 What are the *Kakadu region* and the *Uluru region*?

- (1) The ***Kakadu region*** is the part of the Alligator Rivers Region (as defined in the *Environment Protection (Alligator Rivers Region) Act 1978*) that excludes:

 - (c) the construction and use of pipelines and power lines in Kakadu National Park along routes prescribed by the regulations for the purposes of this paragraph; or
 - (d) the doing of anything for the purposes of building or construction, or the supply of water, in Kakadu National Park as long as the purposes are not connected with, or incidental to, mining operations; and
 - (e) prescribed activities carried on in Kakadu National Park in connection with, or incidental to, mining operations carried on outside Kakadu National Park.
- (3) ***Kakadu National Park*** is the Commonwealth reserve (as it exists from time to time) to which the name Kakadu National Park was given by Proclamation continued in force by the *Environmental Reform (Consequential Provisions) Act 1999*.

388 Establishment and development of townships in the Kakadu region and Uluru region

 - (b) the Director, or the Director and the Board for the reserve (if it is a jointly managed reserve), on the other hand.

- (4) When considering the Minister's suggestions as required by paragraph 370(4)(a), the Director and any Board for the reserve must also consider any comments made in response to the Minister's invitation.
- (5) When the Director gives the Minister an identical or altered version of the plan under paragraph 370(4)(b), the Director must also:
 - (a) give the Minister a copy of the comments (if any) made in response to the Minister's invitation, and the Director's views on those comments; and

Section 390B

Division 5—Conservation zones

390B Simplified outline of this Division

The following is a simplified outline of this Division:

The Governor-General can proclaim a Commonwealth area to be a conservation zone, to protect biodiversity in the area while it is being assessed for inclusion in a Commonwealth reserve.

Regulations can be made to regulate a wide range of activities in a conservation zone.

People who have rights relating to an area that is later included in a conservation zone can continue to exercise those rights in the zone.

A conservation zone can be revoked if the Minister is satisfied the area concerned should not be included in a Commonwealth reserve. It is revoked automatically if it is included in a Commonwealth reserve.

390C Object of this Division

The object of this Division is to provide for the protection of biodiversity, other natural features and heritage in Commonwealth areas while they are being assessed for inclusion in a Commonwealth reserve.

390D Proclamation of conservation zones

- (1) The Governor-General may, by Proclamation, declare a Commonwealth area outside a Commonwealth reserve to be a conservation zone.
- (2) Before the Governor-General makes a Proclamation declaring a Commonwealth area to be a conservation zone, the Minister must be satisfied that the area should be assessed to determine whether

the biodiversity, other natural features and heritage in the area should be protected by including the area in a Commonwealth reserve.

- (1) This section applies to a thing that is seized under this Part if:
 - (a) apart from this section, the thing is required to be returned or delivered to a person (or reasonable steps are required to be taken for the return or delivery to a person of the thing); and
 - (b) one or more of the following applies:
 - (i) the Secretary is satisfied that reasonable steps have been taken to locate or identify the person, but those steps have not succeeded;
 - (ii) the Secretary is satisfied that reasonable steps have been taken to return or deliver the thing to the person, but those steps have not succeeded;
 - (iii) the Secretary is otherwise satisfied that it is not practicable to return or deliver the thing to the person.
- (2) The Secretary may dispose of the thing in such manner as the Secretary considers appropriate.

Section 449BA

Subdivision BA—Release of seized items to owner etc.

449BA Release of seized items to owner etc.

- (1) If a thing is seized under this Part, the Secretary may authorise the thing, or anything in, on or attached to the thing, to be released to its owner, or to the person from whose possession it was seized, either:
 - (a) unconditionally; or
 - (b) on such conditions as the Secretary thinks fit (including conditions about the giving of security for giving payment of its value if it is forfeited).
- (2) A person commits an offence if:
 - (a) a thing is released to the person under subsection (1) subject to a condition; and
 - (b) the person engages in conduct; and
 - (c) the conduct contravenes the condition.

Penalty: Imprisonment for 12 months or 60 penalty units, or both.

- (3) Absolute liability applies to paragraph (2)(a).

Note: For absolute liability, see section 6.2 of the *Criminal Code*.

449BB How this Part applies in relation to things released conditionally

- (1) This section applies if a thing, or anything in, on or attached to a thing, seized under this Part is released on conditions to a person under section 449BA. The provision of this Part under which the seizure was made is the *seizure provision*, and the thing that is released is the *released thing*.
- (2) Subject to this section, the provisions of this Part that apply in relation to things seized under the seizure provision continue to apply to the released thing as if it had not been released.

- (3) A reference in a provision of this Part to the return or delivery of the released thing to a person is, if the person is the person to whom the thing has been released, taken to be a reference to making the release of the thing to the person unconditional.
- (4) The regulations may specify modifications of provisions of this Part that are to have effect in relation to things to which this section applies. However, regulations must not:
 - (a) increase, or have the effect of increasing, the maximum penalty for any offence; or
 - (b) widen, or have the effect of widening, the scope of any offence.

Subdivision C—Forfeiture of seized items

450 Court-ordered forfeiture: order by court dealing with offence proceedings

- (1) If a court convicts a person of an offence against an environmental law, the court may order the forfeiture to the Commonwealth of any thing used or otherwise involved in the commission of the offence.
- (1A) If a court convicts a person of an offence against Part 13A, the court must order the forfeiture to the Commonwealth of any specimen used or otherwise involved in the commission of the offence.

Note: Part 13A deals with the international movement of wildlife specimens.

- (2) A court may make an order under subsection (1) or (1A) even if the thing or specimen has been seized under this Act or taken into possession under section 406AA or Schedule 1.
- (3) If:
 - (a) a specimen is seized under this Part; and
 - (b) either:
 - (i) a court finds a person not guilty of an offence against an environmental law in relation to the specimen; or

Section 450A

- (ii) a proceeding in a court for such an offence in relation to the specimen is discontinued or dismissed; and
 - (c) the court is satisfied that there are reasonable grounds for suspecting that, if the specimen were released to the person from whom it was seized or to its owner, the possession of the specimen by that person would contravene a provision of an environmental law;
- the court may order the forfeiture to the Commonwealth of the specimen.
- (4) A reference in this section to an offence against an environmental law does not include an offence against Part VIIA of the *Great Barrier Reef Marine Park Act 1975* (compulsory pilotage).

450A Court-ordered forfeiture: other situations

- (1) A court may, on the application of the Secretary, order the forfeiture to the Commonwealth of a thing that is seized under this Part if the court is satisfied that the thing has been used or otherwise involved in the commission of an offence against an environmental law.
- (2) Without limiting subsection (1), a court may, on the application of the Secretary, order the forfeiture to the Commonwealth of a specimen if:
 - (a) the specimen was seized under this Part; and
 - (b) either:
 - (i) a court has found a person not guilty of an offence against an environmental law in relation to the specimen; or
 - (ii) a proceeding in a court for such an offence in relation to the specimen has been discontinued or dismissed; and
 - (c) the court to which the Secretary applies is satisfied that there are reasonable grounds for suspecting that, if the specimen were released to the person from whom it was seized or to its owner, the possession of the specimen by that person would contravene a provision of an environmental law.

Section 450B

- (3) A reference in this section to an offence against an environmental law does not include an offence against Part VIIA of the *Great Barrier Reef Marine Park Act 1975* (compulsory pilotage).

450B Forfeiture of seized items by consent etc.

- (1) If:
- (a) a thing is seized under this Part; and
 - (b) the owner of the thing agrees to transfer ownership of the thing to the Commonwealth, either:
 - (i) unconditionally; or
 - (ii) in the event that a future contingency happens; and
 - (c) if subparagraph (b)(ii) applies—that contingency happens;
- then:
- (d) the thing becomes the property of the Commonwealth; and
 - (e) the provisions of this Part relating to forfeiture apply as if the thing had been forfeited to the Commonwealth under this Act.
- (2) If:
- (a) a thing is seized under this Part; and
 - (b) the owner of the thing agrees to transfer ownership of the thing to the Commonwealth in the event that a future contingency happens;
- the Secretary may retain the thing:
- (c) until the thing becomes the property of the Commonwealth; or
 - (d) if the thing does not become the property of the Commonwealth—until the end of the last day on which that contingency could happen.

- (4) The Secretary must not sell a specimen forfeited to the Commonwealth under this Act unless, in the opinion of the Secretary, the buyer will use the specimen for scientific or educational purposes.

452 Delivery of forfeited items to the Commonwealth

- (1) If:
 - (a) a thing is forfeited to the Commonwealth under this Act; and
 - (b) the thing has not been dealt with under section 451; and
 - (c) the thing is in the possession, custody or control of a person other than:
 - (i) the Commonwealth; or
 - (ii) an agency of the Commonwealth; and
 - (d) the Secretary requests the person to deliver the thing to the Secretary;the person must deliver the thing to the Secretary.

- (2) A person must not contravene subsection (1).

Penalty: Imprisonment for 2 years.

Subdivision F—Keeping of organisms or specimens that have been seized

453 Keeping of organisms or specimens retained under this Part

If a person is authorised under this Part to retain an organism or specimen, the person may do so by causing the organism or specimen to be taken to, and kept at, a place approved by the Secretary for the purpose of keeping organisms or specimens seized under this Division.

454 Recovery of costs of storing or keeping organisms or specimens

- (1) If an organism or specimen is seized under this Division, the owner is liable to pay to the Commonwealth an amount equal to the sum of the following costs:

- (4) An amount payable by a person to the Commonwealth under this section may be recovered by action in a court of competent jurisdiction.

Section 455

- (5) The Secretary may remit an amount payable by a person under this section.
- (6) In addition to its effect apart from this subsection, this section also has the effect it would have if a liability under this section were, by express provision, confined to the case of an organism or specimen that:
 - (a) is forfeited to the Commonwealth under this Act; or
 - (b) would have been forfeited to the Commonwealth under this Act if it had not been disposed of.

Subdivision G—Rescuing things

455 Rescuing things

A person commits an offence punishable upon conviction by imprisonment for a term not exceeding 2 years if:

- (a) the person rescues any thing; and
- (b) the thing has been, or is about to be, seized under this Act.

456 Breaking or destroying things or documents to prevent seizure etc.

Penalty: Imprisonment for 2 years.

Subdivision H—Seizure of cages or containers

456AA Power to seize cages or containers containing seizable things

- (1) This section applies if:
 - (a) an authorised officer has power to seize a thing (a *seizable thing*) under another provision of this Part; and
 - (b) the seizable thing is in a cage or container; and
 - (c) the authorised officer considers that it is not reasonably practicable to seize the seizable thing without also seizing the cage or container.
- (2) For the purpose of seizing the seizable thing and despite any other provision of this Part, the authorised officer may seize the cage or container containing the seizable thing (whether or not the cage or container also contains any other thing).
- (3) The seizure of the seizable thing is taken to occur under the provision mentioned in paragraph (1)(a) (not under this section).

Note: The provisions governing the retention and return of the seizable thing are therefore the provisions that usually govern the seizure of a thing under the provision mentioned in paragraph (1)(a).
- (4) If:
 - (a) an authorised officer seizes a cage or container; and
 - (b) the seizure of the cage or container is authorised by this section, and is also authorised by another provision of this Part;then the seizure is taken to be under this section, rather than under that other provision (subject to subsection 456AB(5)).

456AB Retention of seized cage or container

- (1) This section applies to a cage or container that is seized under section 456AA because it contains a seizable thing.

Section 456AC

- (2) The cage or container may be retained for so long as an authorised officer considers that it is reasonably necessary to retain it for the purpose of housing the seizable thing.
- (3) As soon as practicable after the end of the period during which the cage or container may be retained under subsection (2), the Secretary must cause reasonable steps to be taken to return the cage or container to the person from whom it was seized (or to the owner if that person is not entitled to possess it).
- (4) Subsection (3) does not apply if:
 - (a) the seizure was also authorised by another provision of this Part (the *other seizure provision*), as mentioned in subsection 456AA(4)); or
 - (b) the cage or container is forfeited or forfeitable to the Commonwealth; or
 - (c) the cage or container has been dealt with under this Part, or as otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory), in a way that means the Secretary is not in a position to cause reasonable steps to be taken to return the cage or container; or
 - (d) the Commonwealth, the Secretary or an authorised officer is otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory) to retain, destroy, dispose of or otherwise deal with the cage or container.
- (5) If, because of paragraph (4)(a), the cage or container does not have to be returned at the end of the period referred to in subsection (3), this Part then applies in relation to the cage or container as if, at the end of that period, it had been seized under the other seizure provision.

456AC Retention of non-seizable things contained in seized cages or containers

- (1) This section applies if:
 - (a) a cage or container is seized under section 456AA because it contains a seizable thing; and

Section 456AC

- (b) the cage or container also contains a thing (a ***non-seizable thing***) that is not a seizable thing.
- (2) The non-seizable thing may be retained until it is reasonably practicable to return the thing to the person from whom it was seized (or to the owner if that person is not entitled to possess it).
- (3) As soon as practicable after the end of the period during which the non-seizable thing may be retained under subsection (2), the Secretary must cause reasonable steps to be taken to return the thing to the person from whom it was seized (or to the owner if that person is not entitled to possess it).
- (4) Subsection (3) does not apply if:
 - (a) the non-seizable thing is forfeited or forfeitable to the Commonwealth; or
 - (b) the non-seizable thing has been dealt with under this Part, or as otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory), in a way that means the Secretary is not in a position to cause reasonable steps to be taken to return the thing; or
 - (c) the Commonwealth, the Secretary or an authorised officer is otherwise authorised (by a law, or an order of a court, of the Commonwealth or of a State or Territory) to retain, destroy, dispose of or otherwise deal with the non-seizable thing.

Division 12—Environmental audits

458 Directed environmental audits

- (1) The Minister may, by written notice given to the holder of an environmental authority, require the holder to carry out an environmental audit if the Minister believes or suspects on reasonable grounds:
 - (a) that the holder has contravened, or is likely to contravene, a condition of the authority; or
 - (b) the impacts that the action authorised by the authority has, has had or is likely to have on the matter dealt with by the provision for which the authority authorises the action are significantly greater than was indicated in the information available to the Minister when the authority was granted.
- (2) The notice must specify:
 - (a) the matters to be covered by the audit; and
 - (b) the form of the audit report and the kinds of particulars it is to contain; and
 - (c) the date on or before which the report must be given to the Minister.
- (3) Without limiting the matters that may be specified under paragraph (2)(a), those matters may include all or any of the following:

Civil penalty: 500 penalty units.
- (3) The holder must not appoint an officer or employee of the holder to be an environmental auditor.
- (4) The holder must not appoint a person to be an environmental auditor unless the Minister has approved the person for such appointment before the appointment is made.
- (5) An appointment of a person as an environmental auditor made otherwise than in accordance with subsections (3) and (4) has no effect.

460 Nature of directed environmental audit

- (1) If:
 - (a) an environmental auditor carries out a directed environmental audit; and
 - (b) in the course of carrying out the audit, the auditor does not deal with a particular matter; and
 - (c) the matter is specified in the Minister's notice under section 458 as a matter that is to be covered by the audit;the auditor commits an offence, punishable on conviction by a fine not exceeding 30 penalty units.

Section 461

Note 2: Subsection 4B(2) of the *Crimes Act 1914* lets a court that convicts an individual of an offence impose a fine instead of, or as well as, imprisonment. The maximum fine (in penalty units) the court can impose is 5 times the maximum term of imprisonment (in months).

(3) In carrying out a directed environmental audit, the environmental auditor may, if:

- (a) an environmental audit (including an environmental audit carried out in accordance with a condition of the relevant authority) was completed within the last preceding 2 years; and
- (b) the auditor is satisfied that the previous audit is still relevant; have regard to the results of the previous audit.

(4) For the purposes of this Act, a ***directed environmental audit*** is an audit required by a notice under section 458.

461 Audit reports

- (1) After completing a directed environmental audit, the environmental auditor must prepare, and give the holder of the relevant environmental authority, a written report setting out the results of the audit.
- (2) The holder must give the report to the Minister:

Section 462

Note: Chapter 2 of the *Criminal Code* sets out the general principles of criminal responsibilities.

- (4) If:
- (a) the environmental auditor includes a statement in the report; and

Note 2: Subsection 4B(2) of the *Crimes Act 1914* lets a court that convicts an individual of an offence impose a fine instead of, or as well as, imprisonment. The maximum fine (in penalty units) the court can impose is 5 times the maximum term of imprisonment (in months).

462 Directed environmental audits do not affect other audit obligations

This Division does not affect any obligation of a holder of an environmental authority to carry out an environmental audit in accordance with a condition of the authority.

Division 13—Conservation orders

Subdivision A—Simplified outline

463 Simplified outline of this Division

The following is a simplified outline of this Division:

The Minister may make conservation orders controlling activities, and requiring specified people to take specified actions, in Commonwealth areas to protect listed threatened species or ecological communities.

A person who contravenes a conservation order commits an offence.

Before the Minister makes a conservation order, he or she must consult various Commonwealth agencies.

The Secretary must publicise conservation orders, and may give assistance to a person to comply with a conservation order.

Subdivision B—Making and reviewing conservation orders

464 Minister may make conservation orders

Making conservation orders

- (1) The Minister may make a written order (a **conservation order**):
- (a) prohibiting or restricting specified activities on or in:
 - (i) all Commonwealth areas; or
 - (ii) specified Commonwealth areas; or

Minister must consult before making conservation order

- (4) Before making a conservation order, the Minister:
- (a) must seek the Secretary's advice on whether it should be made; and

465 Duration of conservation orders

- (1) A conservation order comes into force:
- (a) if a commencement day is specified in the order—on that day; or
 - (b) otherwise—immediately after it is made.

- (4) The Minister must not vary the order unless he or she is satisfied that the order as varied adequately protects the listed threatened species or listed threatened ecological community the order was first made to protect.
- (5) Immediately after a variation of the order, the order continues in force as so varied.

467 Publication of conservation orders

- (1) As soon as practicable after making or reviewing a conservation order, the Minister must cause the Secretary to be informed of the making of the order, or the decision on the review, as the case requires.
- (2) The Secretary must, as soon as practicable after being so informed:
 - (a) cause to be published in the *Gazette*, in a daily newspaper circulating in each State or self-governing Territory in which are located Commonwealth areas to which the order relates and in any other way required by the regulations, a notice containing:

468 Application for reconsideration of conservation orders or decisions on review

- (1) A person affected by a conservation order, or by the decision on a review of a conservation order, may apply to the Minister to reconsider the order or the decision, as the case requires.
- (2) The application must be in writing.
- (3) Subject to subsection (4), the application must be made within 28 days, or within such further period as the Minister allows, after the

Section 469

publication under paragraph 467(2)(a) of the notice relating to the making of the order or conduct of the review.

- (4) If the person is given a copy of the order after that publication, the period of 28 days within which that person must make the application is taken to commence on the day on which the person received the notice.

469 Reconsideration of conservation orders and decisions on review

- (1) Upon receiving the application, the Minister must:
- (a) seek the Secretary's advice on the application; and
 - (b) reconsider the conservation order or the decision on review, as the case requires; and
 - (c) by written instrument:
 - (i) confirm, vary or revoke the order; or

Amending laws are annotated in the legislation history and amendment history.

The legislation history in endnote 3 provides information about each law that has amended (or will amend) the compiled law. The information includes commencement details for amending laws and details of any application, saving or transitional provisions that are not included in this compilation.

The amendment history in endnote 4 provides information about amendments at the provision (generally section or equivalent) level. It also includes information about any provision of the compiled law that has been repealed in accordance with a provision of the law.

Editorial changes

The *Legislation Act 2003* authorises First Parliamentary Counsel to make editorial and presentational changes to a compiled law in preparing a compilation of the law for registration. The changes must not change the effect of the law. Editorial changes take effect from the compilation registration date.

If the compilation includes editorial changes, the endnotes include a brief outline of the changes in general terms. Full details of any changes can be obtained from the Office of Parliamentary Counsel.

Misdescribed amendments

A misdescribed amendment is an amendment that does not accurately describe how an amendment is to be made. If, despite the misdescription, the amendment

Endnote 1—About the endnotes

can be given effect as intended, then the misdescribed amendment can be incorporated through an editorial change made under section 15V of the *Legislation Act 2003*.

If a misdescribed amendment cannot be given effect as intended, the amendment is not incorporated and “(md not incorp)” is added to the amendment history.
